Astrology for Lovers Liz Greene,2009-02-01 A comprehensive astrological guide to life, relationships and lovers. Astrology for Lovers is a seminal guide to learning how to interpret the subtle and not so subtle attributes of both your own and your partner's astrological sign in order to create a better understanding of one another. Each person has a unique footprint in the map of the cosmos, and Astrology for Lovers guides the reader through each of the Sun signs in an enlightening and comprehensive manner. Each sign is given a lengthy description of its characteristics, as well its creation myth. Greene then expands upon the sign's shadowy side, and finally explicates the fine points of the individual sign as a lover. Astrology for Lovers will teach readers not only critical aspects of their own motivations, but also provide invaluable insight into the inner workings of their lovers.

Relationships and how to Survive Them Liz Greene,2004 In the transcribed seminars 'Relationships and How to Survive Them' author Liz Greene presents two uniquely profound perspectives of relationship dynamics. The hardback book available from the UK's Centre for Psychological Astrology Press, is really two seminars packaged under one cover. Part One discusses the composite chart, not as a one-by-one explanation of what composite planets mean but rather actual interpretive methods using real horoscopes. Part Two delves into the most painful of relationship patterns, the triangle, where one partner betrays the first lover for a second. Overall, these two seminars represent breakthrough psychological analysis of relationships using fundamental astrological tools.
