Ship Plan - G'Quan A. Hahn, Bryan Steele, 2006 The second in Mongoose Publishing's series of crucial vessel plans for the Babylon 5 roleplaying game, this one focuses on the Narn's G'Quan battle cruiser.

Babylon 5: The Minbari Federation Fact Book Bruce Graw, 2003-12-09 Babylon 5: The Minbari Federation is the second in a series of sourcebooks for use with the Babylon 5 Roleplaying Game & Fact Book. This sumptuous 200-page, full-color volume massively expands on the Minbari information presented in the main rulebook. The Minbari Federation features a

host of background and rules for Minbari players and Games Masters alike. Drawing from the television series, as well as featuring new material this is the definitive guide to the Minbari Federation.

Babylon 5: the Roleplaying Game Bryan Steele, 2007-06 In 2261 the galaxy was thrown into upheaval in the wake of the last great Shadow War, and the galaxy was caught between ages. It was a time of great change and the responsibilities of the younger races were compounded by the loss of the Ancients. The galaxy - and all within it - was theirs. When a huge and ancient artefact was found drifting in hyperspace by flight crews of the newly neutral Babylon 5, it was brought back to the station to be studied. Bringing the artefact into realspace would trigger a chain of events the Vorlons were only able to postpone at their strongest, that would test the tenacity of Captain Sheridan and his crew to the fullest. Through the artefact they found a dimension they called Thirdspace, and the Harbingers it was home to. This is a sourcebook for the Babylon 5 Roleplaying Game Second Edition that explains in more detail the events that take place in the Babylon 5 telemovie Thirdspace. Such a massive event would send ripples through the galaxy, and this book explains a few of them. Containing rules on how the Thirdspace gate affected Babylon 5 and its occupants, statistics for the deadly Harbingers and the personalities involved, this sourcebook gives readers everything they need to use the events in their own campaigns - if they dare to do so.

Babylon 5: The Fiery Trial Bruce Graw, 2003-08-12 Aboard the Babylon 5 diplomatic station, players soon find themselves catapulted into a race against time to gather the remnants of vital information before it is ultimately destroyed by an ancient and implacable enemy in this extensive story arc for your Babylon 5 Roleplaying Game d20 campaign spanning the entire Earth year 2258.

Babylon 5 Coming of the Shadows Bruce Graw, Various, 2003-09-17 The Earth year 2258 was set to be one of new beginnings but instead became a time of exceptional discord. The disputes between the Narn and Centauri have steadily escalated as the two age-old enemies vie for territory and influence, even as the Minbari subtly manipulate the younger races for their own nebulous ends. The Vorlons have, for the first time, appeared to other races on board the Babylon 5 diplomatic station but their motives seem convoluted and beyond the concerns of others. Even the Earth Alliance has suffered, with the seemingly accidental death of its president and a growing feeling among many that its government has become fragmented, with shadowy groups becoming increasingly self-serving, pursuing secret agendas with worrying consequences. Terrorist groups have grown increasingly daring in their activities, trying to secure freedom for worlds within the Earth Alliance or keep alien influence far from humanity. Times are growing dark for the weak and helpless, but it is also fertile ground for opportunists and heroes to leave a permanent mark on the galaxy. The Coming of Shadows is a sourcebook for the Babylon 5 roleplaying game, exploring in detail the personalities and events of 2259. Used in conjunction with Chapter 8 of the main rulebook, Signs and Portents, Games Masters can now accurately extend their campaigns and story arcs beyond 2258 to

include the dramatic galaxy-shaking events detailed here. Every episode of the second season of the Babylon 5 television show is fully covered in *The Coming of Shadows*, along with numerous scenario and campaign hooks that will make it easy to integrate them with ongoing story arcs already unfolding in current games. As described in Chapter 9 of the main rulebook, *Campaigns on Babylon 5*, players can witness or even become directly involved in these events, engaging in story arcs of their own that may put them at the centre of the galaxy alongside the heroes of the television show. This sourcebook also includes the main personalities found on board Babylon 5, updated from those that appeared in the main rulebook in 2258, as well as featuring a few new faces. New rules additions, equipment and vehicles are also featured, expanding the Babylon 5 roleplaying game no matter where or when the Games Master chooses to set his story arcs and campaigns. The year 2258 set the scene for players new to the Babylon 5 roleplaying game. *The Coming of Shadows* will elevate games to new levels of passion and excitement as players begin to discover just who the real powers in the galaxy are. . .
