

S On Seducing Woman

Hosea Hirata

Seduce. First Step Michael Branson, 2019-07-14 If you do not look like Brad Pitt, then the usual Hello, little is not enough. If, at your sight, women do not faint, do not invite you to each other in the evening and do not want to squash every square inch of your body (not necessarily in the same order), then you will have to learn the art of picking. This is not so complicated - you just have to charm and attract the woman at the same time, inspire confidence in her and impress her. Nobody says it is simple - but nobody asserts that it is not feasible. You'll learn from this chapter on how to take the first step. So work. Let's say you've seen her. She is pretty, shapely, nice, moves gracefully, has something in her, or looks like your future girlfriend. Think about how you would like to start your relationship.

I am an inferior being with the skill to seduce women. Hector Angel (AngelPikas), 2023-01-22 I was summoned as a hero along with 9 girls, in a world governed by women and men are treated as inferior. As I did not receive any divine power, they treated me as a loser and tried to take advantage of me. I escaped and now I must survive in a wild and dangerous world.... But thanks to a homeless man, I will be able to survive. I will study in a school of magic and become the best

adventurer in the world. And I will use my power to get powerful companions. What does my power consist of? Basically, I can seduce women easily.

Stripped Maggie M. Werner,2020-11-11 Stripped examines the ways in which erotic bodies communicate in performance and as cultural figures. Focusing on symbols independent of language, Maggie M. Werner explores the signs and signals of erotic dance, audience responses to these codes, and how this exchange creates embodied rhetoric. Informed by her own ethnographic research conducted in strip clubs and theaters, Werner analyzes the movement, dress, and cosmetic choices of topless dancers and neo-burlesque performers. Drawing on critical methods of analysis, she develops approaches for interpreting embodied erotic rhetoric and the marginal cultural practices that construct women's public erotic bodies. She follows these bodies out into the streets—into the protest spaces where sex workers and anti-rape activists challenge discourses about morality and victimhood and struggle to remake their own identities. Throughout, Werner showcases the voices of these performers and in the analyses shares her experiences as an audience member, interviewer, and paying customer. The result is a uniquely personal and erudite study that advances conversations about women's agency and erotic performance, moving beyond the binary that views the erotic body as either oppressed or empowered. Theoretically sophisticated and delightfully intimate, Stripped is an important contribution to the study of the rhetoric of the body and to rhetorical and performance studies more broadly.

Discourses of Seduction Hosea Hirata,2020-03-17 If the postmodernist ethical onslaught has led to the demise of literature by exposing its political agenda, if all literature is compromised by its entanglement with power, why does literature's subterranean voice still seduce us into reading? Why do the madness and the scandal of transgressive literature, its power to force us to begin anew, its evil, escape the gaze of contemporary literary criticism? Why do we dare not reject ethics and the ethical approach to literature? If the primary task of literary criticism is to correct others' ethical missteps, should we not begin by confronting the seductiveness of ethics, our desire for ethics, the pleasure we take in being ethical? And what is the relationship between ethics and history in the study of literature? What would be the ethical consequences of an erasure of history from literary criticism? In a series of essays on the writings of Kawabata Yasunari, Murakami Haruki, Karatani Kjin, Furui Yoshikichi, Mishima Yukio, Oe Kenzaburo, Natsume Soseki, and Kobayashi Hideo, Hosea Hirata visits the primal force of the scandalous in an effort to repeat (in the Kierkegaardian sense) the originary scene that initiates the obscure yet insistent poetry that is literature and to confront the questions raised.

The Layguide: Tony Clink,2004-07-01 Take The Chump Challenge True Or False: 1. Treating a girl you like to a dinner date is a great idea. 2. Slipping sexual innuendo into a conversation with a girl you hardly know is a bad idea. 3. Talking to the prettier of two girls is a good idea. If you answered false to all three questions, you just might be a PUA (pickup artist.) Otherwise, you are an AFC (average frustrated chump.) If you think that's crazy, consider this: these dynamics have been confirmed hundreds of times by hundreds of men. The Layguide teaches any guy the proven techniques of the best pickup artists in the world: • The 3-seconds Rule (the most important rule you'll ever learn). • Developing the confidence of a true player. • How to become an Alpha Male. • The most successful approaches. • Gimmicks that work. • Closing the deal. Armed with the wisdom collected in The Layguide, you will never again waste money on go-nowhere dates. You will never again hesitate to approach a beautiful woman. You will no longer fear rejection. You will never be a supplicating chump just because a woman is attractive. You WILL be an unapologetically sexual male with poise, power, and the skills to have any woman you desire. Tony Clink is the webmaster of www.layguide.com, and one of the most successful pick-up artists in the world.
