The Military Leader Andrew Steadman,2018-11-29 As a leader, you know that developing leaders is crucial to your team's success. You also know that when life gets busy, meaningful leader development activities take a back seat to the swarm of everyday tasks. Who has time to discuss—let alone research and refine—quality content that will make a real difference? Andrew Steadman has lived this frustration and wrote *The Military Leader* to give leaders straightforward, highly relevant, inspirational leader development insight they can use to grow themselves and their teams. *The Military Leader* is your leader development program when you don't have time for one.
