A Shepherd's Responsibilities in Pastoral Ministry Marjorie Herschler,2017-10-06 This book is written from a theological perspective. It explains certain concepts of what is expected of a pastor in pastoral ministry. The pages of this book contain the definition of a pastor in details. This book also highlights if a pastor is called divinely by God or if he is self appointed. It also asks the question, Can anyone be or become a pastor? Which it then answers. A Shepherds Responsibilities in Pastoral Ministry lists in details the distinguishing qualification and characteristics of a pastor or a man or woman of God, which includes being able to display spiritual maturity, having good financial uprightness, and having the much-needed gift of the Holy Spirit to activate the spirit of discernment. The overall representation is that they must be a good ambassador in displaying the Lord who had called them to lead His people. This book also informs us of certain personal and spiritual objectives of the leader/pastor, such as he or she must be devoted to their immediate family, exercise self-control, have an active prayer life, and have the ability to be gentle and humble in spirit. Not only are the pastors responsible to personally maintain their behaviors, they are called to show forth their spiritual responsibilities as well. These pages give examples of the pastors function in ministering the word of God by teaching, preaching, and offering sacraments (e.g., marriage). The climax points to the good shepherd that is Jesus Christ, the One who implemented the Christian church, which is still standing and making her mark in todays society.

FloweTry Dr. Tiffanie Tate Moore,2021-12-07 FloweTry is a book for anyone who has ever been frustrated with life and/or love or longed for a better relationship with the Lord. If you fall into any or all of these categories, this book is for you. Life. Life is filled with and impacted by family, friends, community, and politics. Each poem will take you on a reflective journey through different points in your life. The term family is used loosely as friends and community members are often family too. Hopefully these poems will warm your heart when you come across the ones that apply to you. Some of the politically themed poems are rooted in Black history, so the actual past is not a mystery. Love. Love is beautiful, painful, and

messy all at the same time. I highly recommend love despite it having its highs and lows. The poems here are both pro- and antilove, so get ready for the entertaining ride. Liturgical. There is often a still, quiet voice within your soul whispering to you. Did you know that voice belongs to the Lord? It is the Holy Spirt. God is still speaking to us in this day and age; we just need to open our spiritual eye and ear to see and hear Him. It is all right to allow the Lord to do something new in you. Sometimes we wake or walk with a new melody or lyrics in our spirit and do not know where they come from. Well, I now believe I do. It is the Holy Spirit doing something new. We just need to yield to it and go with the flow. It might not always be great or perfect, but it can be fun to just go with the flow and give praise to God with whatever comes out of your mouth, your new song. May you relax, relate, and release as you enjoy this section of poetic, heartfelt FloweTry.
