Current Trends and Issues on Linguistics and Language Teaching Research Yana Shanti Manipuspika, Emy Sudarwati, Yuni Astuti, Tantri Refa Indhiarti, 2022-08-31 This book is designed to provide students with knowledge to be able to explore various research topics in the field of linguistics and language education. This book is suitable for students in the language department considering that it contains discussion on theoretical, interdisciplinary, and applied linguistic research. Discussion on research in the fields of phonology and morphology represent theoretical linguistic research. Meanwhile, discussion on sociolinguistic and pragmatic research issues represent interdisciplinary linguistic studies. In addition, applied linguistic research issues are represented by the research in the field of language education. This book is expected to encourage students to be able to dig out more Language research topics as they have been provided with some knowledge on theories of various language disciplines.

Modern Japan Through Its Weddings Walter Edwards, 1989 A fascinating backstage look at the wedding industry, one which the author views as a window on contemporary values. While the book is written to rigorous academic standards, its lucid and witty style makes it appealing to the general reader.--John H. Boyle, *Eastern Economic Review*. (Anthropology)

The Knot Complete Guide to Weddings Carley Roney, The Editors of TheKnot.com, 2012-12-18 From the #1 wedding website, this completely revised and updated edition of the classic wedding planning bible answers all of your questions, with all the latest information and tools a bride could want. Overwhelmed by the countless questions and details your wedding entails? Don't despair! The Knot Complete Guide to Weddings takes you step-by-step from your engagement to the big day, from the reception to the honeymoon. Inside you'll find checklists, worksheets, insider advice, and in-depth sections on: • How to personalize your wedding • Updated wedding etiquette • Creating a realistic budget • Sneaky cost-cutting tips • Dress shopping advice • Tips for working with florists, caterers, officiants, and others • Invitation wording • Vows and ceremony details • Unique Wedding customs Plus, all new sections on: Planning Online and Destination Weddings, and a color-coded section with over 100 vibrant photographs.

Love in the Big City Sang Young Park, 2021-11-16 A funny, transporting, surprising, and poignant novel that was one of the highest-selling debuts of recent years in Korea, *Love in the Big City* tells the story of a young gay man searching for happiness in the lonely city of Seoul *Love in the Big City* is the English-language debut of Sang Young Park, one of Korea's

most exciting young writers. A runaway bestseller, the novel hit the top five lists of all the major bookstores, went into twenty-six printings, and was praised for its unique literary voice and perspective. It is now poised to capture a worldwide readership. Young is a cynical yet fun-loving Korean student who pinballs from home to class to the beds of recent Tinder matches. He and Jaehee, his female best friend and roommate, frequent nearby bars where they push away their anxieties about their love lives, families, and money with rounds of soju and ice-cold Marlboro Reds that they keep in their freezer. Yet over time, even Jaehee leaves Young to settle down, leaving him alone to care for his ailing mother and to find companionship in his relationships with a series of men, including one whose handsomeness is matched by his coldness, and another who might end up being the great love of his life. A brilliantly written novel that takes us into the glittering nighttime of Seoul and the bleary-eyed morning after with both humor and emotion, *Love in the Big City* is a wry portrait of millennial loneliness as well as the abundant joys of queer life.

It's Her Wedding But I'll Cry If I Want To Leslie Milk, 2005-02-05 Just what every mother of the bride needs to help her deal with the emotional, logistical, and financial challenges of her daughter's big day! What premarital advice should a mother give the daughter who knows more about sex and stock portfolios than she does? Can the groom's step-grandparents march down the aisle as part of the wedding procession? How can a cousin get ordained on the Internet to perform the ceremony? This witty, brass-tacks survival manual for the 21st-century mother of the bride provides sharp, sensible answers to these and myriad other questions. Hilarious anecdotes and practical advice abound as the lifestyle editor for *The Washingtonian* shares wise counsel and helpful hints from a mom who's been there as well as chronicles some ill-fated nuptials (as a primer for what not to do). From deciphering the mysteries of wedding food to learning to understand florist-speak, from picking a suitable mother-of-the-bride outfit-without looking like a Red Hot Mama or, worse, your grandmother in lavender and lace-to keeping a sense of humor when some of what can go wrong does, this down-to-earth guide makes a perfect gift for every mother determined to give her daughter the wedding of her dreams.

Southern Masculinity Craig Thompson Friend, 2010-01-25 The follow-up to the critically acclaimed collection *Southern Manhood: Perspectives on Masculinity in the Old South* (Georgia, 2004), *Southern Masculinity* explores the contours of southern male identity from Reconstruction to the present. Twelve case studies document the changing definitions of southern masculine identity as understood in conjunction with identities based on race, gender, age, sexuality, and geography. After the Civil War, southern men crafted notions of manhood in opposition to northern ideals of masculinity and as counterpoint to southern womanhood. At the same time, manliness in the South--as understood by individuals and within communities--retained and transformed antebellum conceptions of honor and mastery. This collection examines masculinity with respect to Reconstruction, the New South, racism, southern womanhood, the Sunbelt, gay rights, and the rise of the Christian Right. Familiar figures such as Arthur Ashe are investigated from fresh angles, while other essays plumb new areas

such as the womanless wedding and Cherokee masculinity.

How to Start a Home-based DJ Business Joe Shambro, 2011-12-20 From establishing your business and identifying your market to knowing why you need a business plan and learning how to secure banking and credit, this comprehensive guide provides down-to-earth advice on every aspect of setting up and running a thriving home-based DJ business. Learn all about making demos, keeping up to date with the charts, marketing strategies, and navigating the wedding industry. Whatever your plans, each chapter can help you experience the satisfaction of establishing and building your own home-based DJ business from start-up to the endgame. Look for useful charts and worksheets throughout the book, including: Sample Price Sheet Engineering Your Lighting Setup Sample Contract and Invoice DJ Song List Sample Business Plan

Rob Wagner's Beverly Hills Script, 1941

The Wedding MC : a Complete Guide to Success for the Master of Ceremonies Tom Haibeck, 1993 Special event planners know the importance of having a Master of Ceremonies. Someone needs to orchestrate the occasion and serve as a kind of host in welcoming guests, introducing speakers, and guiding people through the program. A wedding reception has the same requirements. It needs structure and leadership -- which is exactly what a good Master of Ceremonies can provide. Here's a handy little book to help the wedding emcee through every step in that process. It's an invaluable guide for the Best Man, a close friend or family member, a professional Disc Jockey or anyone else asked to serve as the Master of Ceremonies or make a toast at a wedding reception. It includes a wealth of advice on how to plan the reception for best results, tips on how to write and deliver a compelling toast, proven methods to deal with nerves and stage-fright, suggestions on humor (how to keep it clean but funny), ways to increase presentation power, plus a compendium of crowd-pleasing toasts/quotes.

The Journal of Japanese Studies, 1991 A multidisciplinary forum for communicating new information, new interpretations, and recent research results concerning Japan to the English-reading world.

The Chinese Pursuit of Happiness Becky Yang Hsu, Richard Madsen, 2019-09-24 What defines happiness, and how can we attain it? The ways in which people in China ask and answer this universal question tell a lot about the tensions and challenges they face during periods of remarkable political and economic change. Based on a five-year original study conducted by a select team of China experts, *The Chinese Pursuit of Happiness* begins by asking if Chinese citizens' assessment of their life is primarily a judgment of their social relationships. The book shows how different dimensions of happiness are manifest in the moral and ethical understandings that embed individuals in specific communities. Vividly describing the moral dilemmas experienced in contemporary Chinese society, the rituals of happiness performed in modern weddings, the practices of conviviality carried out in shared meals, the professional tensions confronted by social workers, and the hopes and frustrations shared by political reformers, the contributors to this important study illuminate the causes of anxiety and reasons for hope in China today.

Journal of Japanese Studies ,1986

Wedding Days Susan J. Gordon,1998 In 366 wedding stories, spanning 1,500 years, Susan J. Gordon reveals how extraordinary couples met, courted, and wed, sharing with readers their tales of surprise, humor, and passion. Included are the stories of Samuel Clemens and Olivia Langdon, Thomas Edison and Mina Miller, and Daniel Boone and Rebecca Bryan. 12 photos.

The Hollywood Reporter ,2006
