Ira Byock

The Four Things That Matter Most - 10th Anniversary Edition Ira Byock, 2004-03-08 “This beautiful book, full of wisdom and warmth, teaches us how to protect and preserve our most valuable possessions—the relationships with those we love. It shows that the things that matter definitely aren’t ‘things,’ and how to empower your life in the right direction.” —Dr. Stephen R. Covey, author of *The 7 Habits of Highly Effective People* Four simple phrases—“Please forgive me,” “I forgive you,” “Thank you,” and “I love you”—carry enormous power to mend and nurture our relationships and inner lives. These four phrases and the sentiments they convey provide a path to emotional wellbeing, guiding us through interpersonal difficulties to life with integrity and grace. Newly updated with stories from people who have turned to this life-altering book in their time of need, this motivational teaching about what really matters reminds us how we can honor each relationship every day. Dr. Ira Byock, an international leader in palliative care, explains how we can practice these life-affirming words in our day-to-day lives. Too often we assume that the people we love really know that we love them. Dr. Byock demonstrates the value of “stating the obvious” and provides practical insights into the benefits of letting go of old grudges and toxic emotions. His stories help us to forgive, appreciate, love, and celebrate one another and live life more fully. Using the Four Things in a wide range of life situations, we can experience emotional healing even in the wake of family strife, personal tragedy, divorce, or in the face of death. With practical wisdom and spiritual power, *The Four Things That Matter Most* gives us the language and guidance to honor and experience what really matters most in our lives every day.

The Four Things That Matter Most Ira Byock, 2004-03-08 Four simple phrases -- Please forgive me, I forgive you, Thank you, and I love you -- carry enormous power. In many ways, they contain the most powerful words in our language. These four phrases provide us with a clear path to emotional wellness; they guide us through the thickets of interpersonal difficulties to a conscious way of living that is full of integrity and grace. In *The Four Things That Matter Most*, Dr. Ira Byock, an international leader in palliative care, teaches us how to practice these life-affirming words in our day-to-day lives. Too often we assume that the people we love really know we love them. Dr. Byock reveals the value of stating the obvious and provides insights into how we burden ourselves by hanging on to old grudges unconsciously and unnecessarily. He shows us how to avoid living with those awkward silences and uncomfortable issues that distance us from the people we love and erode our sense of well-being and joy. His insights and stories help us to forgive, appreciate, love, and celebrate one another

more fully. The inspiring stories in *The Four Things That Matter Most* demonstrate the usefulness of the Four Things in a wide range of life situations. They also show that a degree of emotional healing is always possible and that we can experience a sense of wholeness even in the wake of family strife, personal tragedy, divorce, or in the face of death. With practical wisdom and spiritual punch, *The Four Things That Matter Most* gives us the language and guidance to honor and experience what really matters most in our lives every day.
