Author - God Linda Gottschalk,2024-06-21 There I was, on my knees. You might be thinking I was a church girl praying.
I, for sure, wasn't a church girl and was for sure not praying. I wish I could tell you something exciting, but I was just
cleaning my dirty refrigerator, an ordinary, dreaded duty. And what happened while there will never be put into words or
fully grasped for it went into the deep--too deep for words. The sun was beginning to set, and soon it would be dark like you
couldn't imagine. This is the third world. No electricity means blackness, not darkness. Until you experience it, you can't
imagine it. We got off the bus and moved toward the entrance. There was a pickup truck blocking our way. I saw lots of
people in the bed of the truck. I told Dr. Polo to stop and that we needed to help them. Because it was getting dark quickly,
we couldn't see very well. Dr. Polo put his hand on my shoulder and told me they were all dead. I thought to myself, How
could this be? Where I was, you want to make sure you have a passport on your body. We had a game of tug-of-war. He
looked at me as a woman of no value and took his rifle, lifted it, and pointed it at my head... I knew this was not going to be a
good day. After a couple of rounds of this, I thought to myself, Oh no! I lifted her sheet, and sure enough, she had a big
enough bump to know there was a baby in there. She was bleeding a lot. It was now clear what was happening... We made it
to the bathroom. She sat down, and her contractions were steady and very strong at this point. My fear became her reality.
She wanted to return to bed. We walked back--no contractions. She lay down, turned toward the wall, and refused any

interaction. She turned her head to look at me. I had been looking down. Her hand reached up and took hold of mine. My eyes moved up her body. Our eyes met. She looked at me, but half of her face was missing. At this point I removed myself from the reality I was in. The mind is only capable of so much. The baby wasn't responding to the bottle. I saw a piece of cloth lying in the dirt. I took the baby from my daughter and swaddled him tight. I took the baby to his mother. She didn't want to take him. I sat next to her and placed him close to her, encouraging him to nurse. Mom didn't flinch. Our eyes met. I took her arms and wrapped them around her son so she could hold him close. I then put my arm around her and held her close. Time stood still, and eventually, I stood up, looked deep into her eyes, and kissed her forehead. It was now time to hold my sweet, brave daughter as we walked back home down that dirt road. A life with Christ is to humbly say, Yes, Lord, send me and mean it. It is to accept inconvenient invitations and go on assignments wherever He sends us. It means to go frightened with confidence and believe. Time waits for no one. God bids us to join Him as he writes His story in and through each of us. What is your story?

While You Still Can Lauren Bowen, 2021-07-31 I believe regret is something everyone has, whether they choose to admit it or not. I believe regret is simply a part of life, like doing your taxes or deciding what to have for dinner on a Wednesday night. I have always had regrets – things I wish I could change, things I wish I would have said or done differently. How about you? Are there things about your past you wish you could change? Have you said or done something you wish you could take back? Do you have regrets about wasted time or energy? Do you have regrets about missed opportunities? Do you have regrets about the relationships you've had? Do you have financial regrets? What about career-related regrets? If you have regrets of any sort, whether it's eating too much chocolate on the weekends or spending five years of your life with the wrong guy, this book is for you. My hope for you is that you'll relate to this book in a deep and transformational way – so much so that it changes the way you perceive your past and the way you live out your future.

Growing through the Storm Sheila Malsam, 2022-04-19 So often we think God doesn't hear us during our struggles when we cry out to Him. Like many, after praying and not getting a response, I thought it was up to me to find the solutions and answers to struggles I encountered. As a result of my ignorance, I replaced God and His power with what I thought were answers that weren't the answers after all. Growing through the Storm is a story of triumphs and lessons learned while trying to find solutions to unwanted circumstances during not one, but two troubled marriages. I share how I clung to attachments such as doubt, fear, worry, self-pity, blame, insecurity, and unworthiness that kept me from receiving what God had in store for me. I share how God revealed Himself to me through the storm and how He used my pain to grow me stronger, wiser, and more confident of His love which led me to an awakening in my spirit and a personal relationship with our Lord. Unfortunately, many of us are guilty of living the life that I used to live. If that's you, it doesn't have to be this way. I invite you to take a journey with me by reading my story and trusting that you, too, can be made anew, strengthened, and blessed by turning to Jesus, surrendering your all to Him, and discovering His amazing grace and love He has for you. Growing through the Storm includes points to ponder at the end of each chapter with thought-provoking questions and comments including scripture and prayer for personal reflection. I pray my story infuses your heart to put your hope in Jesus and His promises to believe, With God all things are possible, as promised in Matthew 19:26 (NIV) when asked according to His will in His name! Be blessed and be a blessing!

Somewhere, a Boy and a Bear Gyles Brandreth, 2025-12-02 For the 100th anniversary of the publication of Winnie-the-Pooh, Gyles Brandreth chronicles the writing of this beloved classic and the life of its creator, A. A. Milne. Somewhere, a Boy and a Bear tells the remarkable story of A A Milne, a playwright, a bestselling crime writer, poet, polemicist, humorist, and the man who created Winnie-the-Pooh. Gyles Brandreth explores Winnie-the-Pooh, a bear beloved by millions: his genesis, his

life across a hundred years, his special philosophy, and the reasons for his worldwide popularity. Brandreth's book is also the intimate biography of three generations of the fascinating and troubled Milne family, which knew fame and fortune, despising both for a time, but a family that ultimately found a profound reason to be grateful for the riches Pooh brought them. With an extraordinary cast list that includes Elizabeth II and Walt Disney, Somewhere, a Boy and a Bear moves from idyllic childhood games in the English countryside to New York in the 1930s and the love affairs, litigation, and heartrending family rifts that touched the life of one of Britain's most brilliant writers and his most famous creation.
