**American Biblical Archaeology and Zionism** Brooke Knorr, 2022-12-30 This book examines the relationship between several of the most prominent American biblical archaeologists and Zionism. While these scholars have been studied and historicized to some extent, little work has been done to understand their role in the history of the Palestinian-Israeli conflict. Two defining differences in the archaeologists' arguments were their understanding of culture and their views on objectivity versus relativism. Brooke Sherrard Knorr argues that relativist archaeologists envisioned the ancient world as replete with cultural change and opposed the establishment of a Jewish state, while those who believed in scholarly objectivity both envisioned the ancient world's ethnic boundaries as rigid and favored Zionism. Combining readings of the archaeologists' writings with archival research, this book studies the views of William Foxwell Albright, Millar Burrows, Nelson Glueck, George Ernest Wright, Paul Lapp, and William G. Dever regarding the establishment of an ethno-national state in Palestine in detail. The volume culminates with an epilogue commenting on the relevance of this topic in the present regarding the political ramifications of archaeology in the Israeli-Palestinian conflict. *American Biblical Archaeology and Zionism* is of interest to students and scholars of Biblical and Near Eastern archaeology, American religious history, and the Israeli-Palestinian conflict, particularly its role in regional archaeology.

**Why the Gospel Witnesses Agree** Everett Coates, 2010-11 For years my struggles over the seeming disagreements between the gospels, particularly regarding Jesus' birth, crucifixion and resurrection, and His Second Coming, in tandem with my attempt to reconcile Genesis 1 through 11 with my training in evolutionary geology, had been destroying my faith in the Bible and quietly leading me toward atheism. I was a lost church-goer until January of 1990 when God suddenly and dramatically showed me that His Word is true (and evolution is not!) and led me to a saving faith in His Son. One day I began thinking again about the gospel discrepancies, knowing that there must be a simple explanation. It occurred to me that since they are eyewitness accounts, possibly treating them as such and combining them as law enforcement officers do with multiple eyewitness statements might solve the problem. It did! *Why the Gospel Witnesses Agree and What This Means for Us* combines the gospels at the three most crucial points in the earthly life of Jesus Christ, demonstrating that the differences are not errors. Rather they are the normal result of the various viewpoints of the eyewitnesses, which disappear when the accounts are put together in a logical order.

**The Lamb of God (A 10-week Bible Study)** Nancy Guthrie, 2012-08-31 For if you believed Moses, you would believe me; for he wrote of me. (John 5:46) Jesus's declaration frames this study of four books of the Pentateuch—Exodus, Leviticus, Numbers and Deuteronomy—as we discover the many ways that Moses wrote about Christ. Seasoned Bible teacher Nancy Guthrie shows that the Bible's story from beginning to end is the story of the Lamb—the Lamb of God who takes away the sin of the world. Over ten weeks of guided personal bible study, relevant teaching, and group discussion, you will see the person and work of Christ: in the person of Moses as a great deliverer, mediator, and prophet; in the manna, the water from the rock, and the bronze serpent on the pole; and in the priesthood, tabernacle, and sacrificial system. Gain a fresh perspective on the story of Israel's deliverance and journey, a broader understanding of Jesus as the fulfillment of Scripture, and much more, when you join with Nancy on this incredible journey to see Jesus in the Old Testament! \* A leader's guide is available as a free download at [SeeingJesusInTheOldTestament.com](http://SeeingJesusInTheOldTestament.com) and a supplemental DVD of Nancy's teaching is also available for purchase.

**Judgment and Salvation** Dustin G. Burlet, 2022-11-03 This book contends the text of the Noachian deluge narrative categorically underscores all God did to preserve life in spite of the disaster. Despite the picture of devastation that the narrative depicts, the prominent emphasis of the text is on deliverance and redemption, i.e., salvation, not judgment. The focus of the Genesis flood is acutely bent towards God's salvific rather than punitive purposes. The arc of salvation within the flood narrative can be broken down into two main ideas. Firstly, God's intention for creation is not thwarted, and, secondly, God commits himself to his intentions of creation. God's intention for creation can be stated thus: the establishment of order via covenant showing the sanctity of human life and the upholding of all life. This involves, in particular, humanity as his image bearers, including the *lex talionis* (life-for-life) principle.
