Neon Gods Katee Robert, 2021-06-01 He was supposed to be a myth. But from the moment I crossed the River Styx and fell under his dark spell...he was, quite simply, mine. *A scorchingly hot modern retelling of Hades and Persephone that's as sinful as it is sweet.* Society darling Persephone Dimitriou plans to flee the ultra-modern city of Olympus and start over far from the backstabbing politics of the Thirteen Houses. But all that's ripped away when her mother ambushes her with an engagement to Zeus, the dangerous power behind their glittering city's dark facade. With no options left, Persephone flees to the forbidden undercity and makes a devil's bargain with a man she once believed a myth...a man who awakens her to a world she never knew existed. Hades has spent his life in the shadows, and he has no intention of stepping into the light. But when he finds that Persephone can offer a little slice of the revenge he's spent years craving, it's all the excuse he needs to help her—for a price. Yet every breathless night spent tangled together has given Hades a taste for Persephone, and he'll go to war with Olympus itself to keep her close... Deliciously inventive...Red-hot.—Publishers Weekly STARRED I get shivers just thinking of their interactions. SHIVERS.—Mimi Koehler for The Nerd Daily The World of Dark Olympus: Neon Gods (Hades & Persephone) Electric Idol (Eros & Psyche) Wicked Beauty (Achilles & Patroclus & Helen) Radiant Sin (Apollo & Cassandra)

Sweet Obsession Katee Robert, 2025-04-01 He was mine to protect. Mine to adore. Mine to lose forever. *A scorchingly hot modern retelling of Poseidon and Icarus.* Icarus may not have flown particularly close to the sun, but he has fallen...right into the rough hands of Olympus's own Poseidon. Being held captive by the gentle giant wouldn't be so bad if Olympus wasn't on the eve of destruction...or if Poseidon stopped looking at him with those irresistibly stormy eyes. Poseidon doesn't have time to babysit his increasingly bratty prisoner, but he has no choice: Olympus is officially at war, and someone has to keep their best bargaining chip out of harm's way. The thing is, the longer Poseidon is with Icarus, the more he starts to care for his sworn enemy...and the more he realizes that Icarus isn't the villain he's been made out to be. There's a warmth to him, a vulnerability, that Poseidon finds difficult to ignore or deny. Now with Circe and the Aeaens at the gate and Olympus a hair's breadth away from falling, Poseidon will have to make a difficult choice: about himself, about his allegiances, and about the

man who woke his heart from its long slumber only to threaten to break it for good... Dark Olympus: Neon Gods: Hades & Persephone Electric Idol: Eros & Psyche Wicked Beauty: Helen & Achilles & Patroclus Radiant Sin: Apollo & Cassandra Cruel Seduction: Aphrodite & Hephaestus & Pandora & Adonis Midnight Ruin: Charon & Orpheus & Eurydice Dark Restraint: Ariadne & the Minotaur Sweet Obsession: Icarus & Poseidon

Wagner, Jeremi Szaniawski, Michael Cramer, 2022-01-14 A radical new intervention into film studies and Marxist cultural studies, this book considers the contributions of Fredric Jameson to film Studies, and finds scholars applying, questioning, and developing his ideas in a wide-ranging collection of case studies from around the globe.

Threescore and Ten Barry Blackstone, 2024-12-23 Threescore and Ten is a book of reflections and remembrances of a country boy turned city pastor compiled throughout his seventieth year of life. These are the observations and opinions of a man who has been a preacher of the gospel for over fifty years, who became a widower during his seventieth year, and who had to alter and adjust his ministry far beyond his comfort zone because of the COVID pandemic. Travel with this pastor from the coast of Maine as he takes the reader through the dramatic and difficult changes that have engulfed Christianity in his lifetime, in ways not always to his liking! Within these pages, the reader will discover that this old-fashion man of the cloth believes that the philosophy of the Stranger of Galilee and the theology of Jesus of Nazareth are still relevant and could be prevalent again in the twenty-first century just like they were in the first century if only Christianity would return to the tenets and truths of the faith established by its founder, the Christ. Contained within this book is a lifetime of study, service, and supplications of a nobody who has tried to tell everybody about somebody that can save anybody! This is the prayer of this threescore and ten pastor heading for fourscore: The days of our years are threescore years and ten; and if by reason of

strength they be fourscore years, yet is their strength labour and sorrow; for it is soon cut off, and we fly away (Ps 90:10).

Neon Gods - Apollon & Kassandra Katee Robert,2023-10-27

Radiant Sin Katee Robert,2023-02-07 There's nowhere more dangerous than Olympus...and no one more captivating than its golden god: Apollo. Keeper of secrets, master of his shining realm...and the only man I am powerless to deny. *A scorchingly hot modern retelling of Apollo and Cassandra.* As a disgraced member of a fallen house, Cassandra Gataki has seen firsthand what comes from trusting the venomous Thirteen. But when the maddeningly gorgeous and kind Apollo asks her to go undercover as his plus-one at a week-long party hosted by a dangerous new power player...Cassandra reluctantly agrees to have his back. On one condition: when it's all over, and Apollo has the ammunition he needs to protect Olympus, she and her sister will be allowed to leave. For good. Apollo may be the city's official spymaster, but it's his ability to inspire others that keeps him at the top. Despite what the rest of Olympus says, there's no one he trusts more than Cassandra. Yet even as their fake relationship takes a wicked turn for the scaldingly hot, a very real danger surfaces... threatening not only Cassandra and Apollo, but the very heart of Olympus itself. Deliciously inventive...Red-hot.—Publishers Weekly STARRED Review for Neon Gods I get shivers just thinking of their interactions. SHIVERS.—Mimi Koehler for The Nerd Daily for Neon Gods The World of Dark Olympus: Neon Gods (Hades & Persephone) Electric Idol (Eros & Psyche) Wicked Beauty (Achilles & Patroclus & Helen) Radiant Sin (Apollo & Cassandra)

Bohumil Krcil Bohumil Krčil,Jitka Hlaváčková,2007 The work of the legendary late photographer and samizdat publisher Bohumil Bob Krcil is little known in his native country. In 1969 he left Czechoslovakia and for the next 23 years traveled through much of Europe and Asia, taking his camera with him. He eventually settled in Manhattan. His documentary-portrait series provide a distinctive look at the atmosphere of the ancient Afghan city of Herat before the Soviet invasion, life in the Indian part of the Himalayas, with its ancient hashish culture, and straightforward views of New York in the 1980s. Like his more famous photographer friends Josef Koudelka and Antonín Kratochvíl, Krcil was an exile. In combination with his innate openness, tolerance, and amiability, that fact opened doors for him to the homes of people of different cultures on different continents.--BOOK JACKET.

Electric Idol Katee Robert,2022 When her family executed a coup that dethroned Zeus himself, Psyche knew she was in trouble, but she wasn't prepared for Aphrodite to demand her literal heart as payment. Or for Aphrodite's gorgeous son to be the one determined to strike the blow--

The Haunting of Las Vegas Janice Oberding,2012-10-10 The paranormal researcher and author of Haunted Nevada presents “a macabre compilation of the eeriest haunts of Sin City” (Kalila K. Smith, author of New Orleans Ghosts, Voodoo, and Vampires). With its world-famous casinos and extravagant floor shows, Las Vegas is known as one of America’s liveliest cities. And true to its reputation, even the dead are especially active here. In Haunting Las Vegas, Janice Oberling offers a

rare look beyond the neon glitz and into reports of ghostly sightings and lurid histories of The City that Never Sleeps. Spirits of all kinds haunt the halls and corridors of the Las Vegas Strip, including apparitions of its most famous residents. There are many tales of Elvis idling backstage at the Hilton and Liberace appearing at his favorite restaurant, Carluccio's. The legendary mobster Bugsy Segal is known to make spectral appearances, as is Shoney, the Luxor Hotel's once-celebrated show elephant.
