Everything Beautiful in Its Time Jenna Bush Hager,2020-09-08 Jenna Bush Hager, the former first daughter and granddaughter, #1 New York Times bestselling author, and coanchor of the *Today* show, shares moving, funny stories about her beloved grandparents and the wisdom they passed on that has shaped her life. To the world, George and Barbara Bush were America's powerful president and influential first lady. To Jenna Bush Hager, they were her beloved Gampy and Ganny, who taught her about respect, humility, kindness, and living a life of passion and meaning—timeless lessons that continue to guide her. In Midland, Texas, Jenna's maternal grandparents, Harold and Jenna Welch—Pa and Grammee—a home builder and homemaker, lived a quieter life outside the national spotlight. Yet their influence was no less indelible to their granddaughter. Throughout Jenna's childhood and adolescence, the Welches taught her the name of every star in the sky, the way a dove uses her voice—teaching her to appreciate the beauty in the smallest things. Now the mother of three young children, Jenna pays homage to her grandparents in this collection of heartwarming, intimate personal essays. Filled with love, laughter, and unforgettable stories, *Everything Beautiful in Its Time* captures the joyous and bittersweet nature of life itself. Jenna reflects on the single year in which she and her family lost Barbara and George H. W. Bush, and Jenna Welch. With the light, self-deprecating charm of the bestselling *Sisters First*—cowritten with her twin sister, Barbara—Jenna reveals how they navigated this difficult period with grace, faith, and nostalgic humor, uplifted by their grandparents' sage advice and incomparable spirits. In this moving book, Jenna remembers the past, cherishes the present, and prepares for the

future—providing a wealth of anecdotes and lessons for her own children and all of us. Poignant and humorous, intimate and sincere, *Everything Beautiful in Its Time* is a warm and wonderful celebration of the enduring power of family and an exploration of the things that truly matter most. “As long as I’m alive, my grandparents will not be forgotten. . . . I hear their voices in the letters they sent me and in my memories. They offer comfort, support, and guidance, and I will listen to them always.”

How Stories Change Us Elaine Reese, 2024-10-04 In *How Stories Change Us*, Elaine Reese integrates the latest scientific research on stories from fiction (books, TV shows and movies, videogames) with stories from real life (our personal experiences, including on social media) across the lifespan. The book offers an authoritative yet accessible overview of the new interdisciplinary science of stories, told by a developmental psychologist and autobiographical memory expert with over thirty years of experience conducting research on stories. Reese synthesizes cutting-edge research for an interdisciplinary audience, offers practical tips for parents, teachers, librarians, and policymakers, and she advocates for a more integrated science of stories to allow us to better choose the stories we consume and tell.

Southerners Acting Southern Tison Pugh, 2025-04-10 What is the difference between a star born in the South and a “southern star”? In *Southerners Acting Southern*, Tison Pugh answers this intriguing question, pondering the ways in which some performers from the South metamorphose into southern stars by accentuating their geographic and cultural roots as key aspects of their star personas. Many celebrities, particularly actors, seek to transcend their hometown roots in favor of achieving an “all-American” appeal, but some stars born in the South build their national and international fan base by emphasizing the southern aspects of their biography and by leaning into regional clichés and stereotypes that percolate throughout the U.S. cultural imaginary. In turn, some southern stars trot out the region’s hoariest tropes of fading belles, gullible country rubes, and the succors of southern hospitality only to reveal the shallowness of these stereotypes and of their celebrity personas as well. Covering more than one hundred years of cultural history, *Southerners Acting Southern* allows readers to gauge the South’s often-reluctant progress into modernity, including discussions on the intersection of race and celebrity for the region’s Black stars and its increasing, if hesitant, embrace of queer ones. Chapters feature a wide-ranging selection of southern celebrities, including Louis Armstrong, Truman Capote, Elvis Presley, Tennessee Williams, Andy Griffith, Tina Turner, Dolly Parton, Tom Petty, Gloria Estefan, Oprah Winfrey, Reese Witherspoon, Jenna Bush Hager, Ellen DeGeneres, Tyler Perry, Matthew McConaughey, Aziz Ansari, and Miley Cyrus. *Southerners Acting Southern* moves from past to present, from musicians to media personalities, discerning the ways in which southernness contributes to the building of personal celebrity. Altogether, this luminous work of cultural criticism reveals that southern stargazing, as much as it might initially appear a flighty pastime of overzealous fans, divulges deeper truths about the South, and the United States as a whole, that might otherwise pass unnoticed.

The Dearly Beloved Cara Wall, 2020-07-07 “This gentle, gorgeously written book may be one of my favorites ever.” —Jenna Bush Hager (A Today show “Read with Jenna” Book Club Selection!) This “moving portrait of love and friendship set against a backdrop of social change” (The New York Times Book Review, Editor’s Choice) traces two married couples whose lives become entangled when the husbands become copastors at a famed New York city congregation in the 1960s. Charles and Lily, James and Nan. They meet in Greenwich Village in 1963 when Charles and James are jointly hired to steward the historic Third Presbyterian Church through turbulent times. Their personal differences however, threaten to tear them apart. Charles is destined to succeed his father as an esteemed professor of history at Harvard, until an unorthodox lecture about faith leads him to ministry. How then, can he fall in love with Lily—fiercely intellectual, elegantly stern—after she tells him with certainty that she will never believe in God? And yet, how can he not? James, the youngest son in a hardscrabble Chicago family, spent much of his youth angry at his alcoholic father and avoiding his anxious mother. Nan grew up in Mississippi, the devout and beloved daughter of a minister and a debutante. James’s escape from his desperate circumstances leads him to Nan and, despite his skepticism of hope in all its forms, her gentle, constant faith changes the course of his life. In *The Dearly Beloved*, Cara wall reminds us of “the power of the novel in its simplest, richest form: bearing intimate witness to human beings grappling with their faith and falling in love,” (Entertainment Weekly, A-) as we follow these two couples through decades of love and friendship, jealousy and understanding, forgiveness and commitment. Against the backdrop of turbulent changes facing the city and the church’s congregation, Wall offers a poignant meditation on faith and reason, marriage and children, and the ways we find meaning in our lives. *The Dearly Beloved* is a gorgeous, wise, and

provocative novel that is destined to become a classic.

The Lincoln Highway: A Read with Jenna Pick Amor Towles, 2021-10-05 #1 NEW YORK TIMES BESTSELLER More than ONE MILLION copies sold A TODAY Show Read with Jenna Book Club Pick A New York Times Notable Book, a New York Times Readers’ Choice Best Book of the Century, and Chosen by Oprah Daily, Time, NPR, The Washington Post, Bill Gates and Barack Obama as a Best Book of the Year “Wise and wildly entertaining . . . permeated with light, wit, youth.” —The New York Times Book Review “A classic that we will read for years to come.” —Jenna Bush Hager, Read with Jenna book club “Fantastic. Set in 1954, Towles uses the story of two brothers to show that our personal journeys are never as linear or predictable as we might hope.” —Bill Gates “A real joyride . . . elegantly constructed and compulsively readable.” —NPR The bestselling author of A Gentleman in Moscow and Rules of Civility and master of absorbing, sophisticated fiction returns with a stylish and propulsive novel set in 1950s America In June, 1954, eighteen-year-old Emmett Watson is driven

home to Nebraska by the warden of the juvenile work farm where he has just served fifteen months for involuntary manslaughter. His mother long gone, his father recently deceased, and the family farm foreclosed upon by the bank, Emmett's intention is to pick up his eight-year-old brother, Billy, and head to California where they can start their lives anew. But when the warden drives away, Emmett discovers that two friends from the work farm have hidden themselves in the trunk of the warden's car. Together, they have hatched an altogether different plan for Emmett's future, one that will take them all on a fateful journey in the opposite direction—to the City of New York. Spanning just ten days and told from multiple points of view, Towles's third novel will satisfy fans of his multi-layered literary styling while providing them an array of new and richly imagined settings, characters, and themes. "Once again, I was wowed by Towles's writing—especially because *The Lincoln Highway* is so different from *A Gentleman in Moscow* in terms of setting, plot, and themes. Towles is not a one-trick pony. Like all the best storytellers, he has range. He takes inspiration from famous hero's journeys, including *The Iliad*, *The Odyssey*, *Hamlet*, *Huckleberry Finn*, and *Of Mice and Men*. He seems to be saying that our personal journeys are never as linear or predictable as an interstate highway. But, he suggests, when something (or someone) tries to steer us off course, it is possible to take the wheel." - Bill Gates
