

Living With A Hipster And Gamer Girl

Kirsten S. Blacketer

Persuasion: History, Theory, Practice George Pullman, 2013-09-15 George Pullman's lively and accessible introduction to the study of persuasion is an ideal text for use in courses where the understanding and practice of argumentation, rhetoric, and critical thinking are central. Continually challenging his readers to seek and recognize sound evidence, to question the obvious, and to assess and reassess the credibility of claims made by others--including the author's own--Pullman shows the way to strong writing, effective speaking, and rigorous critical thinking.

Confessions of a Gamer Girl Kirsten S. Blacketer, 2022-06-27 Life is fanfrickentastic. I'm an independent woman working for a multi-million-dollar company where I'm treated as a valuable member of the team and not an errand girl. I don't want nor need a man's approval. My abilities speak for themselves. Outside of work, gaming is my life, my escape, and I'm damn good at it. But girls aren't supposed to be gamers. Bullshit. For years I strived to be taken seriously, and I'm not about to let some freelance computer whiz steal my thunder. Even if he is my best friend's roommate and hot enough to send my motherboard into meltdown. When I'm forced to team up with him on a project, our competitive natures and simmering chemistry only complicate matters. Is this game over?
