## University of Minnesota

Colleges in New York Peterson's,2009-09 This annually updated and comprehensive guide helps students and parents compare colleges within a specific geographic area (New York). Accredited regional colleges and universities are profiled with the latest information on financial aid, admissions, and student body statistics.

American Universities and Colleges Praeger Publishers,2010-04-16 For well over a half century, American Universities and Colleges has been the most comprehensive and highly respected directory of four-year institutions of higher education in the United States. A two-volume set that Choice magazine hailed as a most important resource in its November 2006 issue, this revised edition features the most up-to-date statistical data available to guide students in making a smart yet practical decision in choosing the university or college of their dreams. In addition, the set serves as an indispensable reference source for parents, college advisors, educators, and public, academic, and high school librarians. These two volumes provide extensive information on 1,900 institutions of higher education, including all accredited colleges and universities that offer at least the baccalaureate degree. This essential resource offers pertinent, statistical data on such topics as tuition, room and board; admission requirements; financial aid; enrollments; student life; library holdings; accelerated and study abroad programs; departments and teaching staff; buildings and grounds; and degrees conferred. Volume two of the set provides four indexes, including an institutional Index, a subject accreditation index, a levels of degrees offered index, and a tabular index of summary data by state. These helpful indexes allow readers to find information easily and to make comparisons among institutions effectively. Also contained within the text are charts and tables that provide easy access to comparative data on relevant topics.

**Complete Book of Colleges** Princeton Review (Firm),2008 A comprehensive guide that profiles all of the four-year colleges in the U.S., this work is packed with the information that prospective applicants need to know, including the details on academics, admissions requirements, tuition and fees, and more.

Complete Book of Colleges, 2007 Edition Princeton Review,2006-08-08 Lists more than 1,600 colleges and universities and provides information about admissions and academic programs.

**Profiles of American Colleges** Barron's Educational Series, 2010-07-01 The latest information on enrollments, tuition and fees, academic programs, campus environment, available financial aid, and much more make the 29th edition of Profiles of American Colleges America's most comprehensive and authoritative source for college-bound high school students. Every accredited four-year college in the United States is profiled, and readers are directed to a brand-new Barron's Web site featuring a FREE ACCESS college search engine that presents exclusive on-line information to help students match their academic plans and aptitudes with the admission requirements and academic programs of each school. The book presents profiles of more than 1,650 colleges, each profile including details on: • Admission requirements • Library and computer facilities • Admissions procedures for freshmen • Campus safety and security • Thumbnail descriptions of faculty • Requirements for a degree • Athletic facilities • Extracurricular activities • E-mail addresses • College fax numbers and web sites • Admissions Contacts • and more Schools are rated according to Barron's reliable competitiveness scale, which ranges from "Noncompetitive" to "Most Competitive." The book's tinted pages section presents an Index of College Majors that lists all available major study programs at every school. Also profiled are excellent colleges in Canada and several other countries, as well as brief profiles of religious colleges, and American colleges based in foreign countries.
