Pawfect Love Zondervan,2020-01-28 Pawfect Love combines adorable photos of unlikely animal pairs with affectionate quotes to share with the one you love--differences and all! With over 150 pages of fur-cuteness, grown-ups and kids will love this coffee table book. From a bunny snuggling with a duck to a kitty playing with a deer to a puppy having fun with a hamster, these furry pairs remind us that not being exactly the same is part of what makes a relationship great. Spotlighting topics such as commitment, happiness, and togetherness, the quotes are by an array of beloved writers, such as: C.S. Lewis Katharine Hepburn Donald Miller Charles Dickens Charlotte Bronte Oscar Wilde and many more Delightful photos from the mother-son photography team Warren Photographic humorously communicate the lighter side of your heart's affection in this fun and unique gift book. Pawfect Love is a fun gift for: Couples on their engagement, wedding day, or anniversary A significant other on Valentine's Day, a birthday, or any ordinary day People who love animals and animal photography One of the best things about love is enjoying each other's uniqueness. Our animal friends have discovered this already! So here's to our differences! We wouldn't want it any other way--paws down.

**The Eight Answers for Happiness** Hooseo B. Park,2014-12-20 Although everybody in the world is singing about love, dream, money, and happiness, ironically, not many people know what these things really are. I became an artist for my dream, which was to do something for the environment, and I came to New York City for the dream. But ironically, I realized that I didn't even know what the environment really was before I came to New York City. I have done a nonprofit sign campaign for the environment in Times Square in the fall of 2011 and spring of 2014. I saw and met many people who were from all over the world. The people and New York City have given me some answers in life. To do something for the environment, I have also picked up a lot of cigarette butts that no one really cared about on the streets of New York City. Then I put the thrown cigarette butts into many different glass jars. I have slowly realized that the most important thing for the environment was happiness--because happiness is the primary reason for all lives. There are many different reasons for each of our lives, but all the reasons lean to one point. That is happiness. And unhappiness is the third pollution source that

makes people careless with everything. No one can well take care of other things if the person's level of happiness is too low. We have to be happy first no matter what. To be happy, we need to know what happiness really is, as well as the other very important things in life. These eight things are the answers that I've learned from my life and from New York City.

*Ecology and Literatures in English* Françoise Besson, 2018-12-14 In all latitudes, writers hold out a mirror, leading the reader to awareness by telling real or imaginary stories about people of good will who try to save what can be saved, and about animals showing humans the way to follow. Such tales argue that, in spite of all destructions and tragedies, if we are just aware of, and connected to, the real world around us, to the blade of grass at our feet and the star above our heads, there is hope in a reconciliation with the Earth. This may start with the emergence, or, rather, the return, of a nonverbal language, restoring the connection between human beings and the nonhuman world, through a form of communication beyond verbalization. Through a journey in Anglophone literature, with examples taken from Aboriginal, African, American, English, Canadian and Indian works, this book shows the role played by literature in the protection of the planet. It argues that literature reveals the fundamental idea that everything is connected and that it is only when most people are aware of this connection that the world will change. Exactly as a tree is connected with all the animal life in and around it, texts show that nothing should be separated. From Shakespeare's theatre to ecopoetics, from travel writing to detective novels, from children's books to novels, all literary genres show that literature responds to the violence destroying lands, men and nonhuman creatures, whose voices can be heard through texts.

**Ninja Text Types and Modelled Writes** Andrew Jennings, 2025-01-30 *Ninja Text Types and Modelled Writes* provides an outstanding library of photocopiable high-quality modelled texts and scaffolded teaching sequences to build writing confidence for all learners. With a focus on learning to write for a range of different purposes and audiences in line with the National Curriculum, each text type unit guides teachers and pupils through a series of easy-to-follow, well-planned and scaffolded writing outcomes. Including comprehensive teaching plans, modelled writing samples, structure strips and supporting vocabulary, this book is the time-saving key to guiding your learners to become confident and independent writers in a range of different text types. For more must-have Ninja books, check out the Vocabulary Ninja, Arithmetic Ninja, Comprehension Ninja and Like A Ninja classroom and home learning resources.

The Philosophy of (erotic) Love Robert C. Solomon, Kathleen Marie Higgins, 1991 Solomon and Higgins have chosen excerpts from the great philosophical texts and combined them with the most exciting new work of philosophers writing

today. It examines the mysteries of erotic love from a variety of philosophical perspectives and provides an impressive display of wisdom that the world's best thinkers have brought, and continue to bring, to the study of love.

**Inspirational Quotes about Pets** Michelle Winfrey, 2020-02-06 love, care, companionship - there is a special bond between every pet and its owner Below you will find our collection of inspirational, wise, and humorous old pets quotes, pet sayings, and pet proverbs, collected over the years from a variety of sources. Sample quotes Pets are humanizing. They remind us we have an obligation and responsibility to preserve and nurture and care for all life. James Cromwell Parrots make great pets. They have more personality than goldfish. Chevy Chase An animal's eyes have the power to speak a great language. Martin Buber Animals are reliable, many full of love, true in their affections, predictable in their actions, grateful and loyal. Difficult standards for people to live up to. Alfred A. Montapert I really love pets. They're like children. They know if you really love them or not. You can't fool them. Donna Douglas Pets have more love and compassion in them than most humans. Robert Wagner Pets, like their owners, tend to expand a little over the Christmas period. Frances Wright Most pets display so many humanlike traits and emotions it's easy to forget they're not gifted with the English language and then get snubbed when we talk to them and they don't say anything back. Stephenie Geist To me, a cat is an easy pet, they don't need any spoiling or looking after. Karl Pilkington

**The Animal's Defender and Zoophilist**, 1904

Our Dumb Animals George Thorndike Angell, 1872

Selected Writings of Elbert Hubbard Elbert Hubbard, 1922

*The Coming Good Society* William F. Schulz, Sushma Ramen, 2020-06-09 "Challenge[s] all of us to think deeply about what kind of society we and our children and our children's children will want to live in." (Margaret L. Huang, former Executive Director, Amnesty International USA) A rights revolution is under way. Today the range of nonhuman entities thought to deserve rights is exploding. Changes in norms and circumstances require the expansion of rights: What new rights, for example, are needed if we understand gender to be nonbinary? Does living in a corrupt state violate our rights? When biotechnology is used to change genetic code, whose rights might be violated? What rights, if any, protect our privacy from the intrusions of sophisticated surveillance techniques? Drawing on their vast experience as human rights advocates, William Schulz and Sushma Raman challenge us to think hard about how rights evolve with changing circumstances, and what rights will look like ten, twenty, or fifty years from now. *The Coming Good Society* details the many frontiers of rights today and the debates surrounding them. Schulz and Raman equip us with the tools to engage the present and future of rights so that we understand their importance and know where we stand. "Thoughtful and provocative." —Human Rights Quarterly "[A] trail-blazing map through the new frontiers of rights . . . downright riveting." —Gloucester Times "An accessible primer for anyone who wishes to understand the current limitations in our notions of rights and the future challenges for which we must

prepare.” —Kerry Kennedy, President, Robert F. Kennedy Human Rights “Schulz and Raman outline brilliantly where [human rights] growth may take rights in the generations to come.” —Zeid Ra’ad al-Hussein, former United Nations High Commissioner for Human Rights
