**Hannah Green**

**Homebodies** Tembe Denton-Hurst, 2023-05-02 [A] sharp, charming and passionate debut. —New York Times Book Review A Most Anticipated Book of 2023 by Elle, USA Today, Bustle, Ebony, Harper's Bazaar, PopSugar, New York Post, The Skimm, and The Millions. A Best Book of 2023 by Marie Claire, Esquire, Vogue, them, Autostraddle, Betches, Gay Times, and Cosmopolitan. An insightful, propulsive, and deeply sexy debut novel about a young Black writer whose world is turned upside down when she loses her coveted job in media and pens a searing manifesto about racism in the industry. Mickey Hayward dreams of writing stories that matter, but, for now, her days are filled with listicles about lip gloss and click-bait articles about celebrity haircare. Still, the job is flashy and her girlfriend is steady and supportive. The path may be long, but Mickey's well on her way, and it's far from the messy life she left behind in Maryland. Everything finally seems to be falling into place—until she finds out she's being replaced. Distraught and enraged, Mickey fires back with a detailed letter outlining the racism she's endured as a Black woman in media, certain it will change the world for the better. But when her letter is met with overwhelming silence, even from her usually-encouraging girlfriend, Mickey is sent into a tailspin of self-doubt. Forced to reckon with just how fragile her life is, she flees to the last place she ever dreamed she would run: her hometown. Back home, Mickey is seduced by the simplicity of her hometown—and the flirtation of a former flame—but she soon learns that you can't outrun your past. In the newfound quiet, she is forced to reflect on the sacrifices she'd made for an industry that never loved her back and pick up the pieces of the life she thought she'd left behind for good. After all, when the walls of success you've carefully built around yourself come crumbling down, what—and who—are you left with? A meditation on identity, self-worth and the toll of corporate racism, *Homebodies* is a portrait of modern Black womanhood with a protagonist you won't soon forget.

These are enduring stories that have passed the test of time and have attracted generations of readers. Emerging from the prose in these pages are gallant dogs, facing incredible dangers and tasks. Loyal and

affectionate dogs, unforgettable in the memories of the owners who shared their lives. These stories have been carefully selected for the imaginative reader who loves dogs—the people who agree with Will Rogers that, “If there are no dogs in Heaven, then when I die I want to go where they went.”

**Homebodies** Amy LeBlanc, Amy Leblanc, 2023-05-08 Homebodies will leave readers entertained and enlightened—and maybe a little terrified. — Literary Review of Canada LeBlanc surprises and disturbs, to the reader's intense anguish - in this collection's case, a good thing. — Winnipeg Free Press Original, inherently fascinating, and with a narrative storytelling style that is ideal for Gothic fiction and the short story format... a highly recommended pick. — Midwest Book Review Homebodies is an uncanny and ghostly debut with stories that provoke dread, abjection, and horror. The tales are intertwined and linked like a chain of dried daisies or butterfly legs: someone you used to know is on trial for murder. You work at a funeral home. Your dead grandmother calls you on the phone. You pin and preserve butterflies on a corkboard as a strange girl knocks on your door. You put a bike lock on the fridge. You sleepwalk. You attend a party. You get sick. You get an IV infusion. You don't get better. The stories in Homebodies show that you don't need a house to be haunted - the body can do that all on its own.

**Homebodies** Amy Leblanc, 2023-05-02 What does it mean to be at home? Are we ever truly alone in our houses? In *Twisted*, a woman loses her best friend's daughter while an old acquaintance is on trial for murder; *Nectar and Nickle* introduces readers to a young girl who digs up the corpse of the family cat and comforts herself with macabre fairy tales. In

Garden Bed, secrets are buried in the garden plot with the best of intentions, but they are dug up by a fox who watches and sees everything. Haunted bodies, haunted houses, and haunted relationships colour this collection to show us that our homes are not our own. We are only guests.

**The Girl in the Basement** Ray Garton, 2004 Foster care is like Russian roulette, says fifteen-year-old Ryan Kettering, who's spent most of his young life in largely abusive homes. Sometimes the hammer clicks and you're fine. Sometimes it's a bullet to the brain. This time it seems the hammer has clicked. Living with the Prestons in a rambling two-story house in Shasta County, the chores are split between Ryan and five other foster kids. Not counting nine-year-old Maddy. Not much is expected of her. She stays in the basement. The other children don't know much about Maddy. But what they do know, they don't like. She's just not right. She speaks in a strange, gravelly adult voice. Maybe Ryan can make a difference. Spend time

with her. Get acquainted. He understands what it means to be lonely. That's when he decides to do what no other child in the house dares: Ryan's going down to the basement.--
