The Unfakeable Code® Tony Jeton Selimi, 2021-04-12 Meticulously researched and written by Tony Jeton Selimi, 'The Unfakeable Code®' explores the fierce scientific, psychological and spiritual impact of wearing 'masks', feeling stuck, powerless, out of control, and being a people pleaser, disengaged and unproductive at home and work - a growing problem in an uncertain world affected by the Corona Virus Pandemic which will leave behind a cosmic trail of mental health issues and a significant rise in unemployment. Empowering readers to redefine themselves and overcome the adversity, anxiety and stagnancy likely blighting their lives, Selimi truly breaks new ground in a volume that gives you the clarity, the hope, and the code to continue to evolve into the authentic, unfakeable leader you were born to be. The Unfakeable Code® offers a fresh and robust five-step methodology for business, personal or professional transformation. It assists in upgrading your psychology and harmonising body-mind-heart intelligence so it can deal with any form of anxiety, conflict, and stress. Throughout the book, Tony J. Selimi shares inspiring actual client stories who have used the five-principles to successfully liberate themselves from the emotional baggage and distress by fully completing the five-step method. It's also been a hit among critics, too, with one recently writing, The worldview developed here transcends science, dogma, and belief, giving readers a new code to reconnect with their true, authentic individual and the Divine within that knows how to take back control, lead authentically and live freely on your terms. Brian Tracy, Author, Chairman and CEO of Brian Tracy International, quotes, This is an inspiring, enjoyable, fast-moving book that shows you how to unlock your full power for unlimited success. Marie Diamond, Global Transformational Teacher, a star from The Secret, describes it as A life manual that assists you in understanding how the Law of Attraction works, and it gives you valuable insights into the science of healing and changing your mindset that will transform your existence. The Hon Richard Evans, CEO ACE Modular Construction, depicts it as A fascinating read and easy to apply to everyday life, and a great book to return to time and time again. The five freedom, experience, and power-enhancing principles will help you build a deeper awareness of all that you

are and are not. I recommended it to academics, business owners, leaders, and anyone working in the human development field. Read it cover to cover, over and over, and you too will broaden and deepen the proficiency of your leadership by presenting your most authentic self in every decision you make.

If the Souls Could Speak Michael J. Maxson, 2011 Remember friends as you pass by, As you are now so once was I. As I am now, you soon will be. Prepare for death and follow me. After reading these words on a tombstone, Michael J. Maxson, author of *If the Souls Could Speak*, embarked on a journey toward renewed purpose and passion in his life. Left a widower after twenty-four years of marriage, Maxson searched for a new lease on life and found it in, of all places, a graveyard. Following his wife's untimely death, Maxson grieved by regularly visiting his wife's grave and then other graves, reading and recording the epitaphs that spoke to him. He covered thousands of miles as he traveled to more than seventy sites in North and South Carolina and collected hundreds of epitaphs. The quotes are powerful and his message is simple: Live for today and be prepared, for tomorrow may never come. The loss of a loved one is a universal experience. The examination of that loss and the acceptance of the journey that follows is a road far less traveled. *If the Souls Could Speak* reads much like a handbook for the weary and brokenhearted. Even throughout moments of great despondence, Mike Maxson shows us that, with a little preparation, and a lot of faith, we too can overcome the pain of death's unyielding march. -Jed Whitley: Entrepreneur, Photographer Michael Maxson challenges you to embrace his journey and may his book *If the Souls Could Speak*, be your catalyst in connecting with the most powerful force on earth - the gracious love of Jesus Christ.

Revised Rules Hanleigh Bradley, 2016-03-26 He loves the idea that he's corrupted an angel. She's not an angel. She's not perfect but there's no telling him that. A one night stand with CEO bad boy and all round manwhore Landon Peters will change Aurora's life, if she'll take a risk and break some rules. Control is often fleeting, easily stolen and fun to lose. Secrets are kept and lies are hidden, as they try to fit into each other's worlds. Who will come out on top in their fight for dominance? Now that they are together they try to put their rules behind them but it might be easier said than done. Living together so early on in their relationship seemed like a great idea when Aurora first moved in, but a few weeks in they are beginning to realise that they both have flaws. Aurora still hasn't told her parents that she is living with Landon, much to his irritation and Landon is distracted with the running of his father's company and life just continues to get even more complicated. Neither one of them feels in control of what's happening around them. Together, they realise just how intense it can be when the person you love is giving you that control, and that losing control can be even more exhilarating when you lose it together. Can this British Bad Boy and Pretty English Socialite give up the control they both crave or will they destroy each other with it? *Revised Rules* is the third book in a four book complete Billionaire Romance series from USA Today Bestselling Author, Hanleigh Bradley.
