**Reading in Vintage Postcards** Charles Jesse Adams,2000 In the mid-nineteenth century, a transportation industry developed in Reading that put the city on the map--and on the Monopoly board--forever. Founded in 1748 by William Penn's sons Thomas and Richard, Reading experienced rapid growth throughout the nineteenth century as the Reading Railroad (the Philadelphia and Reading Railroad) breathed steam into the city's industry. As the powerful railroads faded later, so did the city's economy. In recent years, Reading has become known as the birthplace and capital of factory outlet shopping and the hub of newborn manufacturing, financial, and agricultural enterprises.

Ghost Hunting Dawn J. Schofield,2024-10-24 A creak of the floorboard. The wind whistling in the eaves. The rustle of some small creature—a mouse, maybe—scurrying in the basement. These are all sounds you might expect to hear in an old house. But what if they were signs of something more? Paranormal investigator Dawn J. Schofield knows from experience that not all strange phenomena have a rational explanation. In her thirty years of ghost hunting, she's seen, heard, and even smelled things she couldn't debunk—and now she's here to show you how to capture your own evidence of specters and spirits. In this guide, she shares her approach to paranormal investigation, gives tips for location sourcing, explains the tools of the trade, and much more. Along the way, she tells true, spine-tingling tales of ghostly encounters from her own life, from unexplained apparitions to disembodied voices to terrifying contact with spirits through a Ouija board. By the end of this book, you'll know all about the equipment, techniques, and unwritten rules you need to start exploring the supernatural. Now the only thing left to do is muster the courage to face the unknown.

Dinner and Spirits Robert James Wlodarski,Anne Powell Wlodarski,2001-01-17 This book embodies a desire on the part of the authors to produce a directory of haunted places around the United States that deal with food, drink, and/or accommodations. For the curious traveler, the directory integrates history, adventure, and ghosts—for an extraordinary travel experience, and adventure into the unknown. Dinner and Spirits contains over 500 well-documented listings from 50 states. Go have dinner, or a drink, or perhaps spend a comfortable night in one of the establishments listed herein. The owners of the listed establishments welcome you into a world where you may not need food, drink, or slumbering dreams, but only an open mind to encounter a spirit.
