

Grimoire Of The Divine

John Love

The Grimoire's Heart Michael R. Sweeney, When a librarian's voice awakens a Victorian poet's ghost, their forbidden love could save twenty-three trapped souls—or damn them all to eternal imprisonment. Sage Winters lives for dusty archives and ancient texts, finding safety in books that can't break her heart. But when she discovers a mysterious grimoire in Ravenshollow University's basement, everything changes. The manuscript whispers her name, bleeding spectral ink across pages that shouldn't be able to write themselves. Then he appears. Caspian Nightshade—tortured poet, impossible love, beautiful ghost bound to the grimoire for nearly two centuries. One desperate Victorian ritual imprisoned his soul in written words, and now only Sage can hear his voice calling through the darkness. Their connection ignites instantly: electric, dangerous, utterly forbidden. But they're not alone in the shadows. Professor Vex has been waiting decades for someone like Sage—a woman whose supernatural sensitivity could unlock the grimoire's darkest secrets. He'll sacrifice anyone, including twenty-three kidnapped students, to claim the cosmic power hidden within its pages. As the blood moon rises, Vex's century-long plan nears completion, and only Sage stands between him and dominion over death itself. To save Caspian and the other trapped souls, Sage must choose between her safe, predictable world and a love that transcends the boundaries between life and death. But some choices demand everything—including her own soul. When gothic romance meets supernatural suspense, when love battles forces older than civilization itself, can two hearts separated by death and time rewrite destiny before the blood moon claims them all? Dive into this atmospheric tale where every page bleeds passion, every chapter pulses with otherworldly danger, and true love might be the most powerful magic of all. Ready to fall under the grimoire's spell? One click starts your supernatural romance adventure now.

In intimate detail, Burton Morgan shares how she's creating an inheritance of mischief and magic that will outlive her. What's more, she shows readers how they too can look at the elements of their lives and collect the pieces into a tangible collection of a lifetime of learning. Because in its purest form, a grimoire was a guide to keep you alive. Like the grimoires of old, full of life-saving wisdom, these pages include: A record of the people, places, ideas and habits that have kept Burton Morgan alive Whimsical two-color illustrations by Olivia Faust Ideas for practicing Simple Spells, creating an altar, practicing candle magic and poetry spells, making an oracle deck, or channeling your inner kitchen witch with recipes and potions. It is classed as a Christian/Theistic Grimoire, and it was first translated by S.L. McGregor Mathers in the late 1890's from the original French and Latin manuscript that can be found in the Biblotheque l'Arsenal in Paris. The only recreation of the book with enhanced and well defined illustrations in full colour that is available to the general public. Note from the Publisher: The illustrations in this book come from high definition scans of the original seals. The scans have been painted over by hand using ink and then re-scanned in order to improve the texture and make the shapes and letters more legible, as some of the pages and illustrations of the original book have deteriorated due to the manuscript's age, and they appear faded or broken.
