

# If Chins Could Kill

## Bruce Campbell

If Chins Could Kill Bruce Campbell, 2002-08-24 Chronicles the life of actor Bruce Campbell from his childhood in Detroit through his time spent making the film *Evil Dead* to his days in Hollywood.

If Chins Could Kill Bruce Campbell, 2001-01-01 This bestselling memoir is a delightfully irreverent, yet oddly touching epic of ambition and disappointment, fame and anonymity, and lots of fake blood. Told in Bruce's wry, sarcastic voice, it is a Hollywood from the bleacher seats look at his experiences in film and TV and at his status as a cult horror and sci-fi movie god. Over 200 photos.

Hail to the Chin Bruce Campbell, Craig Sanborn, 2017-08-15 HAIL TO THE CHIN is the new raucous and sardonic memoir from Bruce Campbell, a follow-up to the New York Times bestselling *If Chins Could Kill*.

*A French translation of "If chins could kill: confessions of a B movie actor" by Bruce Campbell, chapters 42 to 45*  
Maximilien Poullein, 2005

**Summary of Bruce Campbell's *If Chins Could Kill*** Everest Media, 2022-04-03T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 I grew up in a neighborhood called the Braes of Bloomfield, which was created by commuters hoping to get away from the faded glory of the Motor City. As a kid, I spent a lot of time exploring the woods between these upper-middle-class homes. #2 Don and I were often mistaken as twins, although I still wonder why. We competed for everything with each other, and I think that contributed to an altercation in our front yard years later. #3 My oldest brother, Mike, was a child of the Cold War. He spent hours creating elaborate codes and sending them to himself. When not saving the world from evil invaders, he was making stuff. #4 Mike's use of extensive lists came in handy when it came time to establish the rules of our childhood. Mike drafted and strictly adhered to a set of rules that addressed issues important to all of us.

***If Chins Could Kill*** Campbell Bruce, 2009-05-21

***Hail to the Chin*** Bruce Campbell, Craig Sanborn, 2024-08-06 The raucous and sardonic New York Times -bestselling memoir from the fan favorite actor—updated with even more confessions. It's been fifteen years since his first memoir *If Chins Could Kill* but Bruce Campbell is still living the dream as a B movie king in an A movie world. His roles have been as varied as they are numerous—from the Spider-Man movies to his self-referential *My Name is Bruce* to the #1 USA Network

show *Burn Notice* and his STARZ hit series *Ash vs Evil Dead*. Bruce covers the professional and the personal with stories about his quickly canceled series *Jack of All Trades*, working on Syfy Channel movies in Bulgaria and playing Santa Claus and Ronald Reagan as well as his move from Los Angeles to Oregon where he distills lavender and joins the local Elks club. And now in this updated *Requiem for Ash* edition, Bruce shares brand new stories from his life since the original hardcover publication, including details from his European book tour. Featuring color photographs, *Hail to the Chin* retains the signature humor that Bruce brought to *If Chins Could Kill* and will be devoured by his legions of fans across the country. With an introduction by New York Times- bestselling author and famous minor television personality John Hodgman. Campbell sheds further light on the (decidedly unglamorous) existence of a B-list actor, and fans of his work will undoubtedly be excited to read more from the enigmatic movie star. . . . Chock-full of amusing anecdotes about the underappreciated B-list movie industry. — Library Journal

**100 Things You Don't Wanna Know about If Chins Could Kill** Sophia Colling, 2013-04 In this book, we have hand-picked the most sophisticated, unanticipated, absorbing (if not at times crackpot!), original and musing book reviews of *If Chins Could Kill: Confessions of a B Movie Actor*. Don't say we didn't warn you: these reviews are known to shock with their unconventionality or intimacy. Some may be startled by their biting sincerity; others may be spellbound by their unbridled flights of fantasy. Don't buy this book if: 1. You don't have nerves of steel. 2. You expect to get pregnant in the next five minutes. 3. You've heard it all.

**The Many Lives of The Evil Dead** Ron Riecki, Jeffrey A. Sartain, 2019-03-21 One of the top-grossing independent films of all time, *The Evil Dead* (1981) sparked a worldwide cult following, resulting in sequels, remakes, musicals, comic books, conventions, video games and a television series. Examining the legacy of one of the all-time great horror films, this collection of new essays covers the franchise from a range of perspectives. Topics include *The Evil Dead* as punk rock cinema, the Deadites' (demon-possessed undead) place in the American zombie tradition, the powers and limitations of Deadites, evil as affect, and the films' satire of neoliberal individualism.

**Make Love the Bruce Campbell Way** Bruce Campbell, 2006-08-22 In this autobiographical novel, the King of B movie actors gives his legions of fans the inside view of his hilarious attempt to become an A list actor.

The Real Story Sarah Statz Cords, Robert Burgin, 2006-03-30 Here is your road map to the vast and previously uncharted terrain of recreational nonfiction. After defining the genre and discussing its unique characteristics and appeals; the author describes more than 500 popular nonfiction titles and organizes them according to genre. Everything from true adventure, true crime, and travel narratives to investigative nonfiction, environmental writing, and life stories. Genres are subdivided into subgenres and popular themes, such as micro-histories, deep science, and humorous memoirs. Focus is on the best titles published within the last decade, with key classics and benchmark titles also cited. For each title you'll find a short list of nonfiction read-alikes; and fiction read-alikes are listed for each genre.
