

In Love With You Faye Darling

Cassie Edwards

In Love with You Faye Darling, 2023-06-07 Ryder Do you want to know a secret? I can feel you here, reading this blurb, the same way I can feel you turning the pages of this book. And I like it, reader. I like it a little too much. I'm not sure how or why you've appeared in my world but having you close is a comfort when my life has become all too uncomfortable. You're right beside me as I care for my sick mother. You let me express my fears about the secrets my little sister is keeping. Most of all, you stick with me even when the tantalizing romance writer decides a plaid-wearing, cold-water-surfing, part-time-bartending guy like me would make the perfect research subject for her next novel. Unfortunately for the relationship between you and me, the lines between what is research and what is honest connection become blurred all too quickly. Luna Don't you think it's a little bit unfair, reader, that you expect me to write a short summary about my own personal story when you've already elbowed your way into it, seeing everything as it happens? Well, fine. But you're not getting a full summary. You're getting a hook, so here it goes? I don't know if other writers talk to their readers strictly in their head, but I do. It helps me filter out what around me is book-worthy or not. And let me tell you, reader, the moment I slam into that tall, mystery of a man in the surf, I know he is book boyfriend material. But what I don't expect is for him to be real-world boyfriend material.

In This with You Faye Darling, 2023-09-06 She's his best friend's grumpy little sister. He's her brother's annoyingly nice best friend. They've always been off-limits to each other until one drunken night changes everything. Nick You might be marrying me for convenience, Stephanie North, but for me, it's always been you. Now that you're in my life-and my apartment-more permanently, I'm going to do whatever it takes to make you realize a nice guy like me is worth falling for. Steph How is it you, Nick Forester? How did my brother's frustratingly kind best friend suddenly become my husband? I've laid out the conditions. 1. Tell no one-especially my brother. 2. When we don't need the convenience of this marriage, we are free to leave. 3. We aren't allowed to fall in love. It should be easy, right? But the more I get to know you the more I realize how wrong I am about everything.

I'll Learn to Love Again Christian Manuel, 2020-10-31 I'll Learn to Love Again is a love story for the ages. We join these lovers on their journey of trials and tribulations as they navigate through identity, family, cultural norms, social constructs, and love. We learn of a hopeless love story, a love so deep that it would be earth-shattering to lose, of revelations so

devastating and ultimately life-changing which alter the destiny of the lives of so many over the course of multiple generations. I'll Learn to Love Again is a story of grappling with dysfunction, grieving of lost love, self-discovery, and self-love and how you can find love in the strangest places and with people whom one would never expect to find love from, one who helps one to discover the meaning of true love throughout their journey in life. This book exemplifies love, family, passion, loss, grief, and ultimately, healing.
