*Mark of the Lion Gift Collection* Francine Rivers, 2012-09-14 The complete 3-book historical Christian fiction series by the New York Times bestselling author of *Redeeming Love* and *The Masterpiece*. Travel to first-century Rome in this classic biblical fiction series and discover what has inspired millions of readers worldwide. The three books in the Mark of the Lion series are packaged into one volume. *A Voice in the Wind*, the first book in the trilogy, introduces readers to Hadassah, a young Jewish girl captured and sold into slavery but still holding firm to her faith in God. Though torn by her love for a handsome aristocrat, Hadassah becomes a shining beacon of light in the darkness and depravity around her. In *An Echo in the Darkness*, Marcus, a wealthy Roman aristocrat touched by Hadassah's sincere belief, begins to wonder if there's more to this life. As he continues to search for meaning and faith, he is led by a whispering voice from the past that could set him free from the darkness of his soul. The trilogy concludes with *As Sure as the Dawn*, which follows Atretes, the high chief of a Germanic tribe who fought as a gladiator and won his freedom. As Atretes sets out to return home with his infant son, only one thing stands in his way: Rizpah, a Christian widow who has cared for the baby since his birth. All three books in this latest collection include: A preface from Francine Rivers about her inspiration for these books A glossary of historical terms for easy reference Discussion questions for personal and group use Join millions of readers who have been captivated by this popular tale of love, courage, and faith. "Francine Rivers puts readers right into the history of the moment." —Romantic Times "Francine Rivers without a doubt is one of the finest storytellers of our generation. . . . No one reading her books will ever be the same again." —Debbie Macomber, New York Times bestselling author "As we 'watch' Hadassah and Atretes struggle through first-century trials, we learn how to handle similar situations in the twenty-first century. The 'costumes' may vary, but our Lord does not change." —Angela Hunt "Francine redefined Christian fiction—honest, unflinching, powerful, life-changing—demonstrating why storytelling is the most effective way to communicate God's truth. Every Christian novelist writing today owes a debt of gratitude to Francine Rivers for lighting the way." —Liz Curtis Higgs "Francine Rivers writes from her heart to touch the hearts of her readers. Her books are essential reading for all who love Christian fiction." —Bodie Thoene

*Chats on Old Silver* Arthur Hayden,2022-09-15 The study of old silver usually begins when the inquiring possessor of the family plate sets himself the task of ascertaining the date and the probable value of some piece long in his family and possibly lately bequeathed to him. With old china, and probably with old furniture, the taste for collecting is oftentimes an acquired one, but it is in the Englishman's blood to ruminate over his old plate, and the hallmarks of the assay offices in London and in the provinces, in Scotland and in Ireland, have been placed thereon with aforethought. The plate closet is cousin to the strong-box, inasmuch as the coin of the realm and gold and silver plate have been subjected to stringent laws extending over a period of five hundred years. The technical word hallmark has become a common term in the language synonymous with genuineness. The strictest supervision, under the parental eye of the law, has upheld the dignity of the silversmith's guarantees. Hence the pride of possession of old silver. Pictures and furniture and engravings whose ancestry is doubtful thrust themselves in the market without fear of the watchful official eye. But old silver bearing the hallmarks of ancient and honorable guilds of silversmiths, stamped at the accredited assay offices, is, with few exceptions, what it purports to be. It is a proud record and a splendid heritage. It is, therefore, the author's hope that this volume will stand as an authoritative outline history of the subject of which it treats, that it may point the way to possessors of old silver to arrive at sound conclusions as to their heirlooms, and that it may indicate to collectors the salient features of their hobby.
