

Open Mind Open Heart Book

EW Minium

Open Mind, Open Heart Thomas Keating, 2002-01-01 A beautiful new gift edition of this classic work of spirituality, complete with ribbon marker. This book is designed to initiate the reader into a deep, living relationship with God. Written by an acknowledged spiritual master, the book moves beyond discursive meditation and particular acts to the intuitive level of contemplation. Keating gives an overview of the history of contemplative prayer in the Christian tradition, and step-by-step guidance in the method of centering prayer. Special attention is paid to the role of the Sacred Word, Christian growth and transformation, and active prayer. The book ends with an explicit treatment of the contemplative dimension of the gospel.

Open Mind, Open Heart Thomas Keating, 1995

Open Heart, Open Mind Tsoknyi Rinpoche, 2012-04-03 In *Open Heart, Open Mind*, Tsoknyi Rinpoche—one of the most beloved of the contemporary generation of Tibetan Buddhist meditation masters—explains that a life free of fear, pain, insecurity, and doubt is not only possible, it's our birthright. We long for peace, for the ability to love and be loved openly and freely, and for the confidence and clarity to meet the various challenges we face in our daily lives. Within each of us resides a spark of unparalleled brilliance, an unlimited capacity for warmth, openness, and courage, which Rinpoche identifies as "essence love." Timeless and imperishable, essence love is often layered over by patterns of behavior and belief that urge us to seek happiness in conditions or situations that never quite live up to their promise. Drawing on rarely discussed teachings of Tibetan Buddhism, Rinpoche describes how such patterns evolve and offers a series of meditation exercises to help us unravel them and, in the process, reawaken an energy and exuberance that can not only bring lasting fulfillment to our lives but ultimately serve to enliven and inspire the entire world, as well. With great humor, intelligence, and candor, Tsoknyi Rinpoche also details his own struggles to reconnect with essence love. Identified at an early age as the incarnation of a renowned Tibetan master and subjected to a rigorous monastic training, he ultimately renounced his vows, married, and is now the father of two daughters. As he recounts his own efforts to strike a balance between the promptings of his heart and an obligation to preserve and protect the teachings of Tibetan Buddhism, Rinpoche provides a bridge between ancient wisdom and modern life, and encourages each of us to rediscover the openness, fearlessness, and love that is the essence of our own life.

The Daily Reader for Contemplative Living Thomas Keating, 2013-01-31 This work brings together for each day of the

year three prayer practices for contemplative living: first, a brief active prayer; second, spiritual reading; and, third, Lectio Divina. The brief introductory prayer sentences are from various sources - the Bible and traditional prayers of the church or of well-known spiritual writers. The spiritual readings come from eleven of Father Keatings books and one audiotope, with a month's worth of readings derived from each work. Each day's entry concludes with a brief selection from the Bible, or Lectio Divina.

Centering Prayer ,

My Gift to You Tammy L. Kubasko,2013-12 From the time you were young, you've had a dream that one day you would do something amazing. Several chapters into your life later, you wonder where all the days went and why you've lost or forgotten the dream that you had since you were young. You've searched and at times sacrificed security and sanity to find it. Even so, you only have more questions than answers and a memory that serves to make you both smile and cry. Where did the youthful heart that hoped and dreamed without bounds and believed nothing was impossible go? Where did the youthful spirit that could create options that did not exist go? Where did the youthful heart that would play with an open mind, open heart, and carefree passion go? Where did the youthful spirit that thrived on challenges go? Where did the youthful heart that believed in magic go? Where did the youthful spirit that was enthusiastically and passionately in love with life go? My Gift to You is the first book in a three-book series that shares the book writing adventures of a spiritual journey from the mind (fear) to the heart (faith). My Gift to You is a story to help you remember and celebrate who you truly are. All that is needed is an open mind and the willingness to discover what is waiting to be found.

The Alchemy of Addiction Stephen J. Costello,2024-08-01 Within this important book, Stephen J. Costello draws on Eastern philosophy, Western psychology, and wisdom traditions to offer an interpretation and answer to the multidimensional problem of addiction. The nature of pleasure, pain, and attachment are discussed, together with stress as a key source of our suffering. Justifying and grounding the work is C. G. Jung's central insight that the solution to our disordered desires lies in cultivating a spiritual approach to life. As such, a detailed exploration of the Twelve Steps of recovery is elucidated from the threefold perspective of the philosophy of Advaita, the Enneagram system, and the Christian contemplations of Richard Rohr, John Main, and Thomas Keating, as well as St Ignatius of Loyola. The work concludes with a brief look at Platonic ethics, especially the virtue of temperance, St Benedict's spirituality of humility, and the law of dharma as a blueprint for purposeful non-addicted living. This book will appeal to a wide variety of readers such as mental health professionals in the counselling and psychotherapy professions, as well as students of depth psychology and philosophy.

Ten-Minute Transformation Chris Altrock,2013-10-30 The average American spends about ten minutes per day in religious or spiritual activities. Do you believe you can experience a personal transformation if all you have is ten minutes a day? Or could these ten minutes be part of a more comprehensive plan for personal and global revolution? Could ten minutes

be a mustard seed that God grows into something amazing? Pastor and author Chris Altrick believes it can! Rather than complain about ten minutes being too insignificant for spiritual growth, Altrick teaches practices to maximize that time for personal transformation and real social change. In only ten minutes a day over forty days, you'll learn a dozen spiritual disciplines to deepen your relationship with God. You'll also learn and see how God can use even the smallest amounts of time to change you and the world through your actions. Are you ready for ten minutes to actually make a difference?

Leading with Love Elaine A. Robinson, 2023-10-31 The first principle of ministry leadership is love--love that emerges from life rooted in God. We might have decent skills for leading a human institution or getting people involved in church, but truly transformative ministry calls us to lead God's people into the depths of spiritual life, those places where love is activated fully. Before we can help others, though, we must first cultivate this love in ourselves. In *Leading with Love*, Elaine Robinson helps ministry professionals recognize that healthy leadership requires a deeper spirituality that enlivens us to move beyond rigid, dualistic frameworks. Only through life in Christ can we cope with and creatively address the challenges of ministry in an era characterized by a lack of trust in institutions and the anxieties of global pandemic, political division, and uncertainty about the future. Robinson provides practical tools for cultivating spiritual practices that lead ministers into the world as agents of faith, hope, love, and justice. With its thematically targeted chapters and questions for reflection, readers will finish Robinson's book feeling refreshed and equipped for the good work of love that lies ahead.

Centering Prayer Blanton, P. Gregg, 2021-08-25 Examines how the practice of Centering Prayer can shape our character and effect our daily interactions with others--

Books In Print 2001-2002 R R Bowker Publishing, 2001-09

Language Games Myra King, 1909

All About Love bell hooks, 2018-01-30 "The word 'love' is most often defined as a noun, yet...we would all love to better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in *All About Love*. Here, at her most provocative, the renowned scholar, cultural critic, and feminist skewers our view of love as romance. In its place she offers a proactive new ethic for a people and a society bereft with lovelessness. As bell hooks uses her incisive mind and razor-sharp pen to explode the question "What is love?" her answers strike at both the mind and heart. In thirteen concise chapters, hooks examines her own search for emotional connection and society's failure to provide a model for learning to love. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for the individuals and for a nation. The *Utne Reader* declared bell hooks one of the "100 Visionaries Who Can Change Your Life."

Savor Thich Nhat Hanh, Lilian Cheung, 2010-03-09 Recent scientific studies reveal that social and environmental factors have a significant impact on weight gain. It's not just what we eat that matters; where we eat, when we eat, and how we eat

all play a role in our relationship to food. In other words, the latest scientific research fully endorses a mindful approach to eating. In *Savor*, Thich Nhat Hanh and Dr. Lilian Cheung offer a new paradigm for healthy eating. Drawing on Dr. Cheung's expertise in obesity prevention and nutrition and Thich Nhat Hanh's experience in teaching mindfulness, this is the last weight-loss book you'll ever need. Thich Nhat Hanh is a Vietnamese Buddhist Zen Master, poet, scholar and peace activist. His courageous efforts towards peace during the Vietnam War moved Dr. Martin Luther King Jr. to nominate him for the Nobel Peace Prize in 1967. He is the author of many books, including *Peace is Every Step* and *Anger*. Visit the author at www.plumvillage.org. Dr. Lilian Cheung is a lecturer and Director of Health Promotion and Communication at the Harvard School of Public Health's Department of Nutrition. She has been a co-investigator at Harvard Prevention Research Center on Nutrition and Physical Activity. She is also the creator and editorial director of *The Nutrition Source*, <http://www.hsph.harvard.edu/nutritionsource>. "Authored by an eminent spiritual leader and a renowned nutritionist, this work infuses science into wisdom and wisdom into science. It is a practical guide to eating mindfully and points the way to attain a healthier weight and a more satisfying life." – From the foreword by Harvey V. Fineberg, M.D., Ph.D. President, Institute of Medicine
