**Well Met** Rachel Lee Rubin, 2014-02-22 The Renaissance Faire—a 50 year-long party, communal ritual, political challenge and cultural wellspring—receives its first sustained historical attention with *Well Met*. Beginning with the chaotic communal moment of its founding and early development in the 1960s through its incorporation as a major “family friendly” leisure site in the 2000s, *Well Met* tells the story of the thinkers, artists, clowns, mimes, and others performers who make the Faire. *Well Met* approaches the Faire from the perspective of labor, education, aesthetics, business, the opposition it faced, and the key figures involved. Drawing upon vibrant interview material and deep archival research, Rachel Lee Rubin reveals the way the faires established themselves as a pioneering and highly visible counter cultural referendum on how we live now—our family and sexual arrangements, our relationship to consumer goods, and our corporate entertainments. In order to understand the meaning of the faire to its devoted participants, both workers and visitors, Rubin has compiled a dazzling array of testimony, from extensive conversations with Faire founder Phyllis Patterson to interviews regarding the contemporary scene with performers, crafters, booth workers and “playtrons.” *Well Met* pays equal attention what came out of the faire—the transforming gifts bestowed by the faire's innovations and experiments upon the broader American culture: the underground press of the 1960s and 1970s, experimentation with “ethnic” musical instruments and styles in popular music, the craft revival, and various forms of immersive theater are all connected back to their roots in the faire. Original, intrepid, and richly illustrated, *Well Met* puts the Renaissance Faire back at the historical center of the American counterculture.

**Making Sense of Women's Lives** , Lauri Umansky, Michele Plott, 2000-08-01 *Making Sense of Women's Lives* presents a wide range of writings about women's lives in the United States. Michele Plott and Lauri Umansky have drawn on their experiences as both students and professors to assemble the collection. Seeking to provide as full a sampling from a diverse and intellectually vibrant field as one volume permits, the editors have also chosen writing that makes an enjoyable read. A few of the selections here represent the undisputed 'classics' of the field. More of them constitute simply the works, drawn

from academic and nonacademic sources alike, that could make a difference in understanding what it means to be female in America. *Making Sense of Women's Lives* is intended as the primary text in Women's Studies courses. With that usage in mind, Plott and Umansky have provided brief introductions to each article to help students understand the author's perspectives. Thought and discussion questions follow each selection. The book contains, as well, numerous Flash Exercises-suggestions for class exercises and activities. The editors have used these activities in their courses over the past decade, in conjunction with readings in this volume, and have found that the full complement of materials coalesces into an intellectually powerful introduction to Women's Studies. A Collegiate Press book

**The Extra-sex Factor** Lewis Yablonsky, 1979

*Romance Languages Annual*, 1997

**Women** Amy Vita Kesselman, Lily D. McNair, Nancy Schniedewind, 1999 This multicultural anthology explores the similarities and differences among women's experiences, and the approaches women have used to change their lives. Poems, fiction, diary entries, and essays included illustrate personal experiences and issues in women's studies. The reader's unique blend of academic and literary sections presents feminist issues in an accessible format for students.

*Violence and Gender* Kimberly K. Eby, 2004 Using different disciplinary approaches, this collection of thoughtful and timely selections focuses on integrating issues related to violence and gender. *Violence and Gender* enables readers to learn about these complex issues so they can work to lessen the occurrence of violence in their personal and professional lives. The introductory section presents a number of theories of violence that ground readers in different theories and reasons for violent behavior. The subsequent sections deal with the topics of gender, youth violence, domestic violence, sexual assault, child abuse, violence and sports, and media representation of violence. Because of its comprehensive coverage of many issues, this book can serve as an excellent resource for sociologists, criminologists, justice administrators, psychologists, therapists, and those involved in social work.

*The Man who Wrote the Book* Erik Tarloff, 2000 Ezra Gordon's life is falling apart. His job as an underpaid literature professor at a small Baptist college in California is in jeopardy because he can't get his act together to write any articles for academic journals, he has a ferocious case of writer's block and hasn't written a poem in years, and he is in a lukewarm relationship with the icily disapproving Carol, daughter of the fearsome college trustee, the Reverend Dimsdale. To escape a dreary spring break on campus, Ezra heads to Los Angeles to visit Isaac Schwimmer, an old college friend. He's a fabulously successful publisher of pornographic books, his social life is a bachelor's fantasy, and he lives next door to a Penthouse model as smart as she is beautiful (well, almost). When Isaac proposes that Ezra write a dirty book for a little fast cash, Ezra takes him up on the offer. Little does he know that his book, *Every Inch a Lady* (by E. A. Peau) will radically change his life, and throw the campus into chaos.--BOOK JACKET. Title Summary field provided by Blackwell North America, Inc. All Rights
