*Identificados del Apocalipsis* Hugo Fernandez, 2023-03-15 Revelations is a book of the Bible long known for its mysteries and prophecies. Definitions of the images depicted in Revelations can seem fantastical and confusing, and sometimes portrayed too literally for people to understand. Explanations to these depictions have been numerous in interpretations for many generations. But every detail portrayed in every creature or event carries a distinct purpose and absolute meaning. The journey here was to correlate all sources and references of symbols, characters, and creatures in Revelations to Biblical meanings of such likenesses in other parts of the Bible and history. Upon discerning all the patterns drawn, a clear picture begins to emerge. A picture revealing the antichrist, the four horsemen, the two witnesses, and other important figures in Revelations.
