## Lynette Noni

**The Prison Healer** Lynette Noni, 2021 Seventeen-year-old Kiva Meridan has spent the last ten years fighting for survival in the notorious death prison, Zalindov, working as the prison healer. When the Rebel Queen is captured, Kiva is charged with keeping the terminally ill woman alive long enough for her to undergo the Trial by Ordeal: a series of elemental challenges against the torments of air, fire, water, and earth, assigned to only the most dangerous of criminals. Then a coded message from Kiva's family arrives, containing a single order: Don't let her die. We are coming. Aware that the Trials will kill the sickly queen, Kiva risks her own life to volunteer in her place. If she succeeds, both she and the queen will be granted their freedom. But no one has ever survived.--

The Gilded Cage Lynette Noni, 2021 Kiva trades one cage for another when she leaves behind a deadly prison for a deceptive palace in this dark and dangerous sequel to *The Prison Healer*, which Sarah J. Maas called a must-read. Kiva Meridan is a survivor. She survived not only Zalindov prison, but also the deadly Trial by Ordeal. Now Kiva's purpose goes beyond survival to vengeance. For the past ten years, her only goal was to reunite with her family and destroy the people responsible for ruining their lives. But now that she has escaped Zalindov, her mission has become more complicated than ever. As Kiva settles into her new life in the capital, she discovers she wasn't the only one who suffered while she was in Zalindov--her siblings and their beliefs have changed too. Soon it's not just her enemies she's keeping secrets from, but her own family as well. Outside the city walls, tensions are brewing from the rebels, along with whispers of a growing threat from the northern kingdoms. Kiva's allegiances are more important than ever, but she's beginning to question where they truly lie. To survive this time, she'll have to navigate a complicated web of lies before both sides of the battle turn against her and she loses everything.

**The Reading Lives of Teens** Chin Ee Loh, 2024-11-04 In these changing times of global flows of media and technologies and reports of declining reading enjoyment, researchers, policymakers and educators need to engage anew with essential issues of what counts as reading, what kinds of reading matter and how to support teen reading engagement in school and out-of-school settings. Bringing together contributions from well-known and emerging adolescent literacy researchers from different disciplinary perspectives, this edited collection consolidates contemporary research on teens' volitional print and digital reading, whether in school or out-of-school contexts. The first part of the book offers overviews of what teens are reading, followed by chapters on community support on reading and new ways of researching teen reading. With chapters from North America, Europe, Australia, Asia and the Middle East, the collection will offer multifaceted and complex insights into what, how and why teens read in different contexts. Reflection questions at the end of each chapter encourage readers to consider how the research can be applied in their own research, policy and practice contexts. This book will be of interest to researchers, policymakers and educators who are invested in supporting adolescent-engaged reading with evidence-based policies and strategies.

When their trip goes horribly wrong, Charlie and Zander are left stranded in the wilderness. No Rykon, no film crew, no rescue. The only way they'll survive is if they trust each other. Consapevole che la Regina Ribelle non è in grado di affrontarle, Kiva prende il suo posto, pur sapendo che nessuno, in realtà, è mai sopravvissuto. Mentre Zalindov è in fermento e pregusta morte e distruzione, a vegliare su Kiva e ad aiutarla interviene un nuovo, misterioso detenuto, che piano piano si conquista un posto speciale nel suo cuore...
