The Darkest Part of the Forest--FREE PREVIEW (First 7 Chapters) Holly Black,2014-12-09 Read the first 7 chapters in this lush fantasy about a girl who makes a secret sacrifice to the faerie king--from New York Times bestselling author Holly Black Book Description:Children can have a cruel, absolute sense of justice. Children can kill a monster and feel quite proud of themselves. A girl can look at her brother and believe they're destined to be a knight and a bard who battle evil. She can believe she's found the thing she's been made for. Hazel lives with her brother, Ben, in the strange town of Fairfold where humans and fae exist side by side. The faeries' seemingly harmless magic attracts tourists, but Hazel knows how dangerous they can be, and she knows how to stop them. Or she did, once. At the center of it all, there is a glass coffin in the woods. It rests right on the ground and in it sleeps a boy with horns on his head and ears as pointy as knives. Hazel and Ben were both in love with him as children. The boy has slept there for generations, never waking. Until one day, he does... As the world turns upside down and a hero is needed to save them all, Hazel tries to remember her years spent pretending to be a knight. But swept up in new love, shifting loyalties, and the fresh sting of betrayal, will it be enough?

The Dark Forest Mark Norris,2005-07 To most in the Realm of Drugolin, Jotherly+ lore lingered as mysterious legends best suited for late night hearths. On rare occasions one might hear of strange visitations. Some of huge, radiant beings bearing aid and guidance. Others of dark, evil creatures summoning dread and death. All were a part of Drugolish legend, but few took them seriously. The westland village of Noy couldn't afford the apathy of its unenlightened, middleland neighbors. Its enclosing fortress walls stood as a monument to the frightening visitations it experienced, day and night. When the town's most celebrated +adventurer+ receives a prophetic lamp, he teams with one final group on a faith empowering mission into the dread regions of evil that could usher in an eternal age where mortals are like angels and God reigns supreme. Yahwin (God), Krystos (Jesus), Sahron (Satan), a host of otherly foes, +warrior angels, + and warrior prophets endowed with extraordinary power all inhabit this peculiar realm in which +eschatologian+ Mark Norris +allegorizes+ +a prophetic+ tale that wars for the Millennium's victor's rights. What would you do if an angel materialized in your bedroom tonight, handed you a prophetic lampstand that projected the events of Satan's rebellion, and invited you to brave the powers

of hell? The otherly+ is waiting, ...will you go? +Mark Norris (B.A. theology/M.A. journalism) has served as a pastor, Christian education director, radio teacher, TV ministries prayer director, and publishing house editor. Today he works as a liaison for the U.S. Army.+

Tale of the Flying Forest R. M. Romero,2024-10-15 A spellbinding and lyrical modern fairy tale about a girl who journeys to an enchanted world to find the twin she's never met, filled with lavish illustrations that bring the magic to life, perfect for fans of the Chronicles of Narnia. After her mother passes away and her father retreats into his grief, 11-year-old Anne Applebaum is afraid the only happy endings she'll ever have are in *The World to Come*, a collection of fairy tales about the flying forest of Bei Ilai. In its pages, children outsmart demons, girls train as knights, and songs come to life. But even these stories can't stop Anne from feeling alone. So when a raven tells her that she has a long-lost twin brother named Rainer, she sets out to find him. Anne soon learns that Bei Ilai is a real place—and she must step through the door into this magical realm to seek her brother. But the dangers in the flying forest are just as real as its beauty. To overcome the challenges and monsters she faces, Anne must lean into the magic contained within her and her Jewish faith—especially when she discovers Rainer is locked away by a being more frightening than any dragon. Because the most terrifying villain of all is one who used to be a hero.

*The Darkest Part of the Woods* Ramsey Campbell,2007-04-01 Ramsey Campbell is the world's most honored living horror writer, with more than twenty World Fantasy, British Fantasy, Bram Stoker, and other awards to his credit. Hailed as one of the most literate and literary writers of our time, in genre and out, Campbell has been acclaimed as a master of dark fantasy by Clive Barker, one of today's finest writers of supernatural horror and psychological suspense by the *Charleston Post & Courier*, the master of a skewed and exquisitely terrifying style by *Library Journal*, one of the world's foremost horror writers by the *San Francisco Examiner-Chronicle*, and a master of mood by *Publishers Weekly*. In *The Darkest Part of the Woods*, Campbell introduces readers to the Price family, whose lives have for decades been snarled with the fate of the ancient forest of Goodmanswood. Here, Dr. Lennox Price discovered a hallucinogenic moss that quickly became the focus of a cult-and though the moss and the trees on which it grew are long gone, it seems as if the whole forest can now affect the minds of visitors. After Lennox is killed trying to return to his beloved wood, his widow seems to see and hear him in the trees-or is it a dark version of the Green Man that caresses her with leafy hands? Lennox's grandson heeds a call to lie in his lover's arms in the very heart of the forest-and cannot help but wonder what the fruit of that love will be. And Heather, Lennox's daughter, who turned her back on her father's mysteries and sought sanctuary in the world of facts and history? Goodmanswood summons her as well . . .
