**Fred Morris**

*Trading for a Living* Alexander Elder, 1993-03-22 Trading for a Living Successful trading is based on three M's: Mind, Method, and Money. Trading for a Living helps you master all of those three areas: \* How to become a cool, calm, and collected trader \* How to profit from reading the behavior of the market crowd \* How to use a computer to find good trades \* How to develop a powerful trading system \* How to find the trades with the best odds of success \* How to find entry and exit points, set stops, and take profits Trading for a Living helps you discipline your Mind, shows you the Methods for trading the markets, and shows you how to manage Money in your trading accounts so that no string of losses can kick you out of the game. To help you profit even more from the ideas in Trading for a Living, look for the companion volume--Study Guide for Trading for a Living. It asks over 200 multiple-choice questions, with answers and 11 rating scales for sharpening your trading skills. For example: Question Markets rise when \* there are more buyers than sellers \* buyers are more aggressive than sellers \* sellers are afraid and demand a premium \* more shares or contracts are bought than sold \* I and II \* II and III \* II and IV \* III and IV Answer B. II and III. Every change in price reflects what happens in the battle between bulls and bears. Markets rise when bulls feel more strongly than bears. They rally when buyers are confident and sellers demand a premium for participating in the game that is going against them. There is a buyer and a seller behind every transaction. The number of stocks or futures bought and sold is equal by definition.

**Day Trading for a Living** Andrew MC Allen,2020-07-25 Are you curious about day trading? Would you like to have a passive income every month? Do you think it is too complicated, but you are willing to learn and find out by yourself? Well, after learning the fundamentals of day trading strategies, let's go over the actual process for planning and making a trade. At this point, you should have a basic understanding of the setup that you want to trade. However, as a newbie, you may find it challenging to plan and initiate your trade beforehand. Setting up your trade can be easy. The challenge starts in figuring out when to enter or exit a trade. This is where you can make money or break your account. The key to prevent losses in day trading is to develop a process. Remember, you must plan your trade and trade your plan. Seasoned day traders usually follow a systematic approach to day trading. This book covers: How day trading works Learn to become a day trader Risk and account management Online trading tools and platforms A day trading strategy that works Creating passive income with dividend stocks Trading psychology important factor Building your trading watch list And much more! Developing a thought process can take away most of the emotional hang-ups that day traders experience when they are looking to jump in a trade, and also managing the trade when they are inside the market. **Day Trading for a Living** Fred Morris, 2023-02-05 In the book, I describe the fundamentals of day trading, explain how day trading is different from other styles of trading and investment, and elaborate on important trading strategies that many traders use every day. I've kept the book short so you can actually finish reading it and not get bored by the middle. For beginner traders, this book gives you an understanding of where to start, the basics of day trading how to start, what to expect from day trading, and how to develop your strategy. Simply reading this book, however, will not make you a profitable trader. Profit in trading does not come with reading a book or two or browsing online. It comes with practice, the right tools and software and appropriate ongoing education You can gain financial independence that allows you to be the one in control of your destiny. That is not as farfetched as it seems. Day trading can give you the power to control your time, finances, and life. Day trading is not gambling. It's not an online poker game. To be successful at day trading you need the right tools and you need to be motivated, to work hard, and to persevere. That's *How to Day Trade for a Living*.
