Spoken Miracles Martha Lucia Espinosa, 2010-10-19 Spoken Miracles is an anecdotal account of Martha Lucia Espinosa's 30-year-long search for answers from God, as well as the result of a request that has been made by thousands of readers of author Gary R. Renard's The Disappearance of the Universe, lovingly called "D.U." Near the end of D.U., one of Gary's teachers mentions that there were 365 quotations from the modern spiritual guide A Course in Miracles (ACIM) used in the D.U. book. We are told also that if these quotations were read on their own, they could either be used as a thought for the day throughout the year, or they could simply be read like a book, in which case they would constitute a "refresher course" by Jesus, the Voice of A Course in Miracles. Many people requested that these quotations be put into book form, but it was a bigger job than most realized. Gary and his teachers had used more than 11,000 words from ACIM during the course of their discussions. Additionally, inspiration guides this book to be written in a way that it can stand on its own, to help introduce people to both D.U. and A Course in Miracles, as well as to inspire and entertain a little, so it includes a short story

as a way to introduce readers to the basic concepts of these remarkable and miraculous books.

Direct Path Quotes from a Course in Miracles Helen schucman,2017-03-10

The Mystical Teachings of Jesus David Hoffmeister,2016-01-01 The Mystical Teachings of Jesus answers the prayer of the heart for an intimate and profound relationship with God in modern times. It is for anyone who is inspired by the life and teachings of Jesus and has experienced the deep wisdom of the Bible. Two thousand years ago Jesus spoke profound words to lead us out of the darkness and into the Light and Love of His Grace. Today through A Course in Miracles he continues to bless the world with clear and direct teachings on forgiveness and salvation. This book is a gateway to the deep Self Realization that we are the Christ Mind—we are love itself. As the Bible so clearly states: Let this mind be in you, which was also in Christ Jesus. (Philippians 2:5) And from A Course in Miracles: “This is the invitation to the Holy Spirit. I have said already that I can reach up and bring the Holy Spirit down to you, but I can bring Him to you only at your own invitation. The Holy Spirit is in your right mind, as He was in Mine. The Bible says, ‘May the mind be in you that was also in Christ Jesus,’ and uses this as a blessing. It is the blessing of miracle-mindedness. It asks that you may think as I thought, joining with me in Christ thinking.” (T-5.I.3:1-6) David Hoffmeister was raised in a Christian family, and always felt a deep love for Jesus; ultimately he devoted himself to a complete immersion of Jesus’s teachings in A Course in Miracles. He has become a living demonstration of one who has paid heed “to these teachings and lives his life from a state of mind that is consistently loving, peaceful, and joyful! His life’s purpose is to extend the message of peace. “Seek ye first the Kingdom of Heaven and His righteousness and all else shall be added unto you.” (Matthew 6:33) “I will come in response to a single unequivocal call.” (T-4.III.7:10)”

Transform Your Life Through Love Daniel M. White ,2015-09-29 The reason we are here in physical form is to love and be loved. Learn to keep your personal power by no longer becoming offended by peoples comments or actions.

For All as for One LeRosa Leigh,2023-05-25 Have you ever wondered if God is real? And if “He” is, does He care about what has happened or is happening to you and your loved ones? And in the world? Does He hear prayers? Does He answer them? This book speaks to those readers who are searching spiritually and in need of an “infilling,” because the messages and understandings come directly from Spirit, from divine Love. There is more to life than we are aware of. Many blessings await those of us who ask, seek, and knock.

Wake-Up Calls Gerald G. Jampolsky,Diane V. Cirincione,1992

Your Immortal Reality Gary R. Renard,2006 In this fascinating book, Gary Renard and his Ascended Master Teachers, Arten and Pursah, teach you how to integrate advanced spiritual principles into your everyday life. Doing so leads beyond theory to an experience of the Divine and the undoing of the ego. Your progress will be accelerated to such a degree that, with continued practice, you can't help but stop the need to reincarnate . . . once and for all. Like Gary's first book, *The Disappearance of the Universe*, this work elaborates on the teachings of two spiritual classics, *The Gospel of Thomas* and *A Course in Miracles*. By focusing on a unique brand of quantum forgiveness, rather than the old-fashioned kind, and taking the understanding of the importance of thought up to a whole new level, your goal will become nothing less than to break the cycle of birth and death.

Simply A Course in Miracles Allowah Lani,2023-01-09 As its name suggest, *Simply A Course in Miracles* is an attempt to simplify ACIM for the new reader. Many people pick up the Course only to put it down because the language is challenging or off-putting. Some are also confused because there are now so many teachers of ACIM, and many different interpretations as to what it means. If anything, this book does not seek to interpret the Course, but rather to simply present some of its most well-known teachings, reminding the reader that the interpretation is up to them. That said, this book does not shy away from pointing the reader to ways of seeing the Course that are fairly well-established in the ACIM world, or which have been helpful to the author. After all, what is helpful for one will probably be helpful for someone else. And in any case, everyone will find their own way in regard to ACIM, and the truth is that no secondary source is a substitute for engaging with the Course itself. One of the biggest issues in the ACIM world is the experience to which the Course points. On one level, this is interesting and even funny, as the text itself cautions not to get delayed by theological debates. Yet there are those who say that ACIM is pointing to a non-dual reality, similar to Advaita Vedanta, and there are those who adamantly oppose this view, saying that nowhere in the Course do we find even a mention of non-duality (let alone Advaita). As you might guess, this book does not give a hard-and-fast answer to this debate, but rather presents it as something to keep in mind, suggesting that the Course might best be read in a more metaphorical or symbolic way than literal. This book is divided into 3 parts: The first part is the author's introduction to ACIM; the second part is a presentation of past thinkers and ideas that in some way foreshadowed the Course (Freud, Plotinus, Plato, Nietzsche, etc.); and the third part of the book is simply a presentation of key quotes and passages in the Course, some of the most well-known and discussed. Allowah Lani has been a student of ACIM for 10 years, and a lifelong student of philosophy and religion. He has 10 published books to date, including an earlier book (*I Am Love*) on which this book is based. Allowah has also been a student of Indian spirituality

for the past 25 years, keenly interested especially in the non-dual teachings of Hinduism.
