

Adriana Puiggrs Que Pas En La Educacin Argentina

Norma Corrosa,Edith López,Juan Martín Monticelli

Qué pasó en la educación Argentina Adriana Puiggrós,2002

Qué pasó en la educación argentina Adriana Puiggrós,2018-10-30 Entrego a los educadores una nueva versión de la historia de la educación argentina, distinta de las anteriores que les he hecho llegar, por su forma, por el registro de algunos de los acontecimientos y por su dimensión temporal. Ningún relato es igual al anterior. Espero con ansiedad conocer la versión creativa que ustedes llevarán a sus alumnos cuando abonen la lectura de este libro con otras fuentes que discutan su contenido, lo pongan en duda o en parte coincidan con él. En especial quisiera poder sentarme junto a ustedes sus alumnos y escuchar. Vuestro relato y las intervenciones de los niños y jóvenes que crecen en el siglo XXI tal vez me permitan comprender tanto vínculos como elementos irreconciliables que existen en las estampas históricas que han poblado las escuelas argentinas. Considero que una lectura respetuosa de nuestra historia y de nuestra sociedad, junto a nuestros alumnos, puede ayudarnos y ayudarlos a separar la paja del trigo y descubrir gérmenes de una fragmentada pero existente memoria industriosa, equilibradamente respetuosa de lo propio. Como educadores, somos responsables de los lazos pedagógicos que intervienen en el complicado proceso de formar una nueva subjetividad, algo más cariñosa con el lugar y el tiempo que le toca vivir.

Qué paso en la educación Argentina Adriana Puiggrós,1996

Historia de la educación en la Argentina IX Adriana Puiggrós,2021-05-01 Hoy como ayer resulta indispensable revisar la historia y la historiografía de la educación argentina, tanto para orientar las investigaciones que vuelven a tener lugar en las universidades públicas como para abonar las posturas frente a los cambios político-pedagógicos. El vol. IX de esta serie se propone analizar continuidades, rupturas y articulaciones entre la educación de fines del siglo XX y los fuertes cambios del siglo XXI, y también hacer historia en tiempos en los que las políticas adversas a la educación pública plantean diversas formas de desescolarización, la descalificación profesional y la sobreexplotación laboral de los docentes, la sustitución de la educación común por opciones tecnocráticas y meritocráticas, e intentan instalar lecturas que borren cualquier oscuridad del pasado.
