The Bright Hour Nina Riggs, 2017-06-06 * INSTANT NEW YORK TIMES BESTSELLER * “Stunning...heartrending...this year’s *When Breath Becomes Air*.” —Nora Krug, *The Washington Post* “Beautiful and haunting.” —Matt McCarthy, MD, USA TODAY “Deeply affecting...simultaneously heartbreaking and funny.” —People (Book of the Week) “Vivid, immediate.” —Laura Collins-Hughes, *The Boston Globe* Starred reviews from * Kirkus Reviews * Publishers Weekly * Library Journal * Best Books of 2017 Selection by * The Washington Post * Most Anticipated Summer Reading Selection by * The Washington Post * Entertainment Weekly * Glamour * The Seattle Times * Vulture * InStyle * Bookpage * Bookriot * Real Simple * The Atlanta Journal-Constitution * The New York Times bestseller by poet Nina Riggs, mother of two young sons and the direct descendant of Ralph Waldo Emerson, is “a stunning...heart-rending meditation on life...It is this year’s *When Breath Becomes Air*” (*The Washington Post*). We are breathless but we love the days. They are promises. They are the only way to walk from one night to the other. Poet and essayist Nina Riggs was just thirty-seven years old when initially diagnosed with breast cancer—one small spot. Within a year, she received the devastating news that her cancer was terminal. How does a dying person learn to live each day “unattached to outcome”? How does one approach the moments, big and small, with both love and honesty? How does a young mother and wife prepare her two young children and adored husband for a loss that will shape the rest of their lives? How do we want to be remembered? Exploring motherhood, marriage, friendship, and memory, Nina asks: What makes a meaningful life when one has limited time? “Profound and poignant” (*O, The Oprah Magazine*), *The Bright Hour* is about how to make the most of all the days, even the painful ones. It’s about the way literature, especially Nina’s direct ancestor, Ralph Waldo Emerson, and her other muse, Montaigne, can be a balm and a form of prayer. Brilliantly written and exceptionally moving, it’s a “deeply affecting memoir, a simultaneously heartbreaking and funny account of living with loss and the specter of death. As Riggs lyrically, unflinchingly details her reality, she finds beauty and truth that comfort even amid the crushing sadness” (*People*, Book of the Week). Tender and heartwarming, *The Bright Hour* “is a gentle reminder to cherish each day” (*Entertainment Weekly*, Best New Books) and offers us this important perspective: “You can

read a multitude books about how to die, but Riggs, a dying woman, will show you how to live” (The New York Times Book Review, Editor’s Choice).

Reel Photos Wendy Sterba, 2015-02-26 Even in an age when the photograph has changed from a physical object into a data file that can be easily manipulated, we tend to believe what we see. But photographs can and do lie. As an object in a film, a photograph’s meaning and function can be even more malleable and deceiving, as new developments in technology are altering how we perceive reality. In *Reel Photos: Balancing Art and Truth in Contemporary Film*, Wendy Sterba examines the use of photographs in cinema to explore issues of objectivity, subjectivity, fabrication, and fact. This study first looks at the traditional use of the photograph in films such as *Blow-Up* and then considers similar issues as they relate to the search for truth in detective films like *Along Came a Spider*, *The Bone Collector*, and *Forgotten*. Subsequent chapters explore ambivalence and photographic objectification in films about art photography, including *The Governess*, *Fur*, and *Closer*. Other movies discussed include *Inception*, *Paparazzi*, *Under Fire*, and *Somebody Has to Shoot the Picture*. By examining the function of the photograph in movies rather than the role of film photography as art, Sterba provides an innovative approach to cinema studies. Utilizing theory in an intelligent but easily understandable way, this book allows readers to re-examine the role of authorship and the value of authentic art. *Reel Photos* will appeal to students and scholars of cinema, as well as anyone interested in the aesthetics of art and truth in film.

The Hunger Omnibus Edition (The Hunger 1-3) Jason Brant, 2014-08-06 *The Omnibus Edition combines all three novels from The Hunger series into one large book at a discount.* Nestled in the Appalachian Mountains and dissected by three rivers, Pittsburgh, Pennsylvania is an idyllic city. It's quiet, the traffic is nonexistent, and floating down the Allegheny River on a boat is peaceful and serene. It's perfect... as long as you can ignore the mindless monstrosities roaming the streets, the bloodthirsty creatures ruling the night, and the insane, power-hungry human survivors. Lance York awakens in a quarantined hospital as a devastating plague spreads worldwide, devolving mankind into unspeakable horrors. With the help of an unlikely ally, the sexy, snarky Cass, Lance must navigate through the collapsing city, striving to escape the madness of the unfolding apocalypse around them.

Shattered (The Hunger #6) Jason Brant, After the deaths of friends and family members, Lance and Cass teeter on the brink of losing it all. They face insurmountable odds with the power out at The Light, and an army of horrors bearing down on their home. The Demon King leads a horde of rage and destruction to their door, intending to wipe out one of the last strongholds of humanity. His intelligence has evolved differently from the other infected, allowing him to attack mankind’s weaknesses and nullify their defenses. As twilight descends into darkness, so does the last hope of civilization.

The Fox and Her Bear (Alpha Werebear Paranormal Shapeshifter Romantic Comedy Romance) Lynn Red, When fox-shifting Angie Holton goes to work, she’s all business. Being all work, all the time, is starting to wear her down. Angie is

lonely, though she'd never admit it. She goes from one thing to the next, more surviving than living, and has more or less given up on the whole love thing - who has time for all that anyway? That is, until she meets Dawson Lex - a piano playing, hamburger cooking, sexy-as-hell werebear. Dawson's not just a pretty face and... really, really muscular arms. This bear has a dark, violent past and a present that barely keeps him from exploding again. But once he lays eyes on Angie, he knows he won't—can't—let this one go. These two will have to scratch, bite, and hold on as tight as they can. Even if they have to survive gunshots, claw fights, and some REALLY obnoxious 911 calls, they're never going to give up on this weird, beautiful love. ***The Mating Call Dating Agency is a series of standalone paranormal romances that can be enjoyed in any order. Each pair finds their own HEA - these books are perfect for a quick getaway in the middle of a hectic day!***

Machine of Death Ryan North, Matthew Bennardo, David Malki, 2010 MACHINE OF DEATH tells thirty-four different stories about people who know how they will die. Prepare to have your tears jerked, your spine tingled, your funny bone tickled, your mind blown, your pulse quickened, or your heart warmed. Or better yet, simply prepare to be surprised. Because even when people do have perfect knowledge of the future, there's no telling exactly how things will turn out.

The 16-bar Theatre Audition Michael Dansicker, 2003 Many large theatre auditions call for a '16-bar' excerpt. Musical theatre professionals often complain that singing actors need help in choosing and constructing a 16-bar audition. This [four-volume] series solves that problem forever. Each excerpt has been given a thoughtful, graceful, and effective form, drawing from Broadway, Off-Broadway, standards, movie songs, and the occasional pop song.--Back cover.

Flashbacks to Happiness Randolph Michaels, 2005-09 What do Gregory Abbott, Boy Meets Girl, Lou Christie, Club Nouveau, Gardner Cole, Cutting Crew, Rick Dees, The Escape Club, Expose, Michael Sembello, Billy Vera & the Beaters, Rob Hyman, Tiffany, The Knack, A Taste of Honey and Wild Cherry all have in common? For starters, they are all pop stars that have enjoyed the experience of having their songs reach the Number One position on the American music charts. They are also among the 140 artists who responded to writer Randolph Michael's call to be questioned for this book, *Flashbacks to Happiness*, which is a survey of hit songs of the 1980's and what it took to make them. Readers who are interested in popular music, and the '80's decade in particular, will find the interviews included within these pages to be fascinating testaments of how the music industry has changed to such a drastic extent in the last 20 years. It also details how artists have managed to keep their careers alive despite today's increasingly unstable marketplace and often-fickle music buying public.

Consumed (The Hunger #2) - FREE Jason Brant, 2014-08-06 *Book 2 in The Hunger series.* Nestled in the Appalachian Mountains and dissected by three rivers, Pittsburgh, Pennsylvania is an idyllic city. It's quiet, the traffic is nonexistent, and floating down the Allegheny River on a boat is peaceful and serene. It's perfect... as long as you can ignore the mindless monstrosities roaming the streets, vampires ruling the night, and the insane, power-hungry human survivors.

Mankind has devolved, mutating into mindless horrors. Only weeks ago, they built skyscrapers and traveled to space. Now they attack anything with flesh, driven by the never-ending desire to consume. Lance York, and his unlikely companion Cass, have survived the apocalypse. Much to their surprise, that was the easy part. They've fled the city, struggling to find food and shelter, fighting against the nightmarish infected and the militant living, willing themselves to endure through each day. The world has collapsed, but the fight has just begun. ***Free short story, LOTION, is included. This story started the world created in THE HUNGER.***
