that will launch their business in fine style. Libby gets a tip on a party planner—good thing, as he’s the only one available on short notice at the holiday season. But when he takes off with their money and there’s not a decoration or nibble of food in sight, what will they do? Lexi receives a mysterious package from India, from her beloved grandmother who passed away some time ago, along with a letter of encouragement. Will the contents of the package truly help them out of their dilemma? Or does the tiny woman in pink who walks through the door have something to do with it? They may not know the answer until the very last minute, but the party must go on! Praise for the Libby Madsen series: “The more I read of the Libby Madsen mysteries the more I love them! Silent Shadows Jennifer J Morgan, 2025-12-04 Business is booming at Dharma Inspired, Libby Madsen’s serene little spa in sunny Mesa, Arizona. But as the summer heat rises, Libby and her black Lab, Shadow, are ready for a cool mountain escape—and maybe a chance to dream up new ways to grow her business. When her fiancé, Greg, suggests they come to his cabin in the pine-scented hills of Heber, she happily packs her bags, convinced she can sneak in a little wedding planning and perhaps charm a few new clients along the way. No sooner have Libby and Shadow settled in than they’re swept into the friendly bustle of small-town life, signing up to help with the annual firefighters’ charity fundraiser. With her energetic 13-year-old twin nieces, Apple and Annie, joining her for a week of mountain fun, it promises to be the perfect mix of relaxation and good deeds. Then the trouble starts. When several valuable items meant for the silent auction go missing—and a mysterious stranger turns up dead—Libby finds herself under a very unflattering spotlight. After all, she was the last one to have the key to the storage building. To make matters worse, no one seems to know who the victim really is... or why he might have been in the area at all. Out of her element but determined as ever, Libby follows a twisting trail of secrets through a community where everyone knows everyone—or at least pretends to. Can she clear her name, protect her visiting nieces, and untangle the surprising ties between the locals before the real culprit disappears into the pines? Shadow Retreats Jennifer J. Morgan, 2022-12-25 Libby’s friend Bella Crenshaw has recently joined a new-age, self-help group founded by Kali Patel, who is the most sought after guru in the new enlightenment movement that is sweeping the country. Love & Mercy has hundreds of devoted members, including many in the Hollywood elite, and Kali Patel and her second-in-command, Uma Devi, have opened branches of the organization across the country, including in southern Arizona. Despite a few reservations, Libby finds Bella’s enthusiasm catching, so she quickly accepts an invitation to attend a highly anticipated retreat weekend south of Tucson. The property is an amazing oasis in the desert, a beautiful place with lush plants, water features, and a luxurious meeting facility. Retreat attendees stay in cute cabins, and Libby’s black Lab, Shadow, is allowed to come along. They quickly settle into the quiet atmosphere, with healthful foods, juices, and meditation sessions that instill a wonderful sense of peace and stillness. Then things begin to go sideways. Bella’s newest friend in the group, a beautiful California girl named Jill, disappears. Another young woman dies suddenly, and Libby has a disturbing experience at a gathering and begins to notice things that don’t seem in keeping with the ‘love and peace’ vibe she initially felt. It becomes apparent that millions of dollars are being funneled through the organization, and encounters with a couple of unsavory characters have Libby wondering—is this a legitimate religious group or some kind of cult? What’s behind the disappearances? And where are those windowless white vans going? Can Libby and Shadow figure it out before something terrible happens to Bella—or to themselves?
