Brad Miser

Choicest Lyrics from the Realms of Love Delineating Cupid's Charms and Snares, and Hymen's Joys and Cares, and Depicting the Gaieties and Gravities of Courtship and Marriage in Every Age and Clime ,189?

Shouting Down the Passage of Time Dagmar Klein,2000-11 Put on your high-heel sneakers (or your carpet slippers) and join a tour of the Black Rooms with their shuttered windows, of the Green Rooms and the adjoining stages. Meet the man on the stage, flanked by Hamlet and Heisenberg, uncertain of what was and what will be, but quite assured that he cannot keep time: Peter Hammill. The critical toolbox and the associative palette are used in roughly equal measures, leaving scholarly glyphs as well as poetic graffiti down Hammill's passage of time. The shouting, however, is up to you!

Rethinking Chinese Popular Culture Carlos Rojas,Eileen Chow,2008-12-08 Through analyses of a wide range of Chinese literary and visual texts from the beginning of the twentieth century through the contemporary period, the thirteen essays in this volume challenge the view that canonical and popular culture are self-evident and diametrically opposed categories, and instead argue that the two cultural sensibilities are inextricably bound up with one another. An international line up of contributors present detailed analyses of literary works and other cultural products that have previously been neglected by scholars, while also examining more familiar authors and works from provocative new angles.The essays include investigations into the cultural industries and contexts that produce the canonical and popular, the position of contemporary popular works at the interstices of nostalgia and amnesia, and also the ways in which cultural texts are inflected with gendered and erotic sensibilities while at the same time also functioning as objects of desire in its own right. As the only volume of its kind to cover the entire span of the 20th century, and also to consider the interplay of popular and canonical literature in modern China with comparable rigor, Rethinking Chinese Popular Culture is an important resource for students and scholars of Chinese literature and culture.
