C. S. Lewis

The Quotable Lewis Clive Staples Lewis, 1989 An encyclopedic selection of quotes from the complete published works of C. S. Lewis, arranged alphabetically, including never-before-published photos.

The Scandal of the Evangelical College Martin Spence, 2025-06-30 Despite heady claims about Christ-centeredness, Evangelical colleges are scandalously secular institutions, in thrall to the regnant assumptions of the market economy and mainstream higher education. Paradigms intended to “integrate faith and learning” often ironically fracture and distort Christianity. Even the “spiritual” dimensions of the Christian college, presumed to keep it safe from religious declension, are prone to secularizing tendencies because the American Evangelical culture from which the college receives its spiritual cues—and from which it accepts its donors’ money—is itself captive to a set of sub-biblical economic, social, and political assumptions. This book argues that the cause of the scandal is the absence of the church in the imagination of the Evangelical college. It therefore proposes that the mission and practice of the Evangelical college should be to summon, equip, and renew the people of God. While this may sound like a return to an obsolete bible school model of Christian education, the ecclesial vision only sounds narrow because we lack a robust understanding of the vocation of the church itself. By simultaneously restricting our vision of the Evangelical college while broadening our understanding of the church, a more fully evangelical educational endeavor might emerge.

The Misquotable C.S. Lewis William O’Flaherty, 2018-03-16 C.S. Lewis wrote many great words, but not everything you see with his name on it is from the famed author of the Narnia books. Seventy-five quotations are presented that have an association in one way or another with a host of names, including: Ryan Seacrest, Anthony Hopkins, Max Lucado, Rick Warren, and Tim Allen! Learn the three most common ways Lewis is misrepresented: 1. Falsely Attributed Quotes: Expressions that are NOT by him. 2. Paraphrased: Words that are ALMOST what he said. 3. Out of Context: Material he wrote, but are NOT QUITE what he believed. This book doesn't stop there. Also discover what Lewis actually said that is related to the presented misquotes. Those new to Lewis and the more serious reader of his works will grow in their appreciation of a writer that is not only quotable, but obviously misquotable!

Love Does Bob Goff, 2012-04-30 The runaway NEW YORK TIMES BESTSELLER! Can a simple concept shift your entire world? Bob certainly thinks so. When it comes to loving your neighbors, rather than focusing on having the right answers or

checking the right boxes, what if you decide to simply DO love? To shamelessly show love and grace to those around you? What would that look like? It might look like spending sixteen days in the Pacific Ocean with five guys and a crate of canned meat. It might look like taking your kids on a world tour to eat ice cream with heads of state. It might look like taking a road trip with a stressed-out college student--even though you just got married a few days before. In *Love Does*, Bob shows you: how to live a fully engaged life how to stop putting things off until next time and instead find your place of imagination, whimsy, and wonder today that God usually chooses ordinary people to get things done When love does, life gets interesting. Light and fun, unique and profound, the lessons drawn from Bob's life and attitude in this collection of stories just might inspire you to be secretly incredible, too. If you love *Love Does*, don't forget to check out *Everybody, Always* and *Dream Big* for more of Bob's delightful and inspiring stories!

30 Meditations on the Writings of C.S. Lewis Bishop Rueben P. Job, Norman Shawchuck, Perry Bramlett, 2020-03-17 A number of years ago, friends and coauthors Bishop Rueben P. Job, Perry Bramlett, and Norman Shawchuck created together a spiritual reader pairing a collection of quotes from beloved author C.S. Lewis with their own unique spiritual reflections. After their deaths, their work was recovered and Abingdon is excited to share this story and this beautiful book posthumously with those looking for daily inspiration from excellent and thoughtful Christian writing. *30 Meditations on the Writings of C. S. Lewis* combines three strong spiritual voices writing on topics of grief, joy, fear, loss, salvation, and love for today's readers inspired by quotes from C.S. Lewis. The collection of thirty devotions begins each day with a short quote from Lewis followed by a reflection from Job, Bramlett, or Shawchuck in a beautifully designed book. This collection is perfect for starting any time of the year and is an excellent gift for the C.S. Lewis fan in your life.

Preparing Room Russell J. Levenson, 2020-09-17 Explore the biblical context for Advent in this series of contemplations. The pieces of the beginning of the Christian story come together, not from one set of hands, but many. For instance, in the four Gospels, Mark makes no mention of the events leading up to and surrounding the birth of Jesus. John, for the most part, points back to Genesis. Most of the historical pieces come to us primarily from Matthew and Luke. The scriptures together are the key to telling the story of the season. Allusions and references to other scriptures are accompanied by brief meditations so that readers may step more deeply into the Advent story and find its meaning and impact for their own lives.

C. S. Lewis' Little Book of Wisdom C.S. Lewis, 2018-09-01 A USA Today bestseller! These well-chosen Lewis quotes will inspire readers and prompt them to make their own spiritual reflections. —Publishers Weekly Novelist, poet, critic, lay theologian, and best-selling author of the 'Narnia' series, C. S. Lewis' works have become timeless classics for adults and children around the world. Here in one concise volume is the essence of his thought on subjects ranging from love and faith to ethics and morality and myth and literature that will throw open the windows of the soul and provide readers with bite-sized nuggets of wisdom and inspiration from one of the best-loved writers of the 20th century. This lovely little gift book will

provide sustenance, wisdom, and hope for both believers and seekers. And, most importantly, it will provide an entry point for those unfamiliar with Lewis that will make them want to explore his fiction and nonfiction works. Selections from C.S. Lewis' Little Book of Wisdom: If God had granted all the silly prayers I've made in my life, where should I be now? Surely arrested development consists not in refusing to lose old things, but in failing to add new things... Do not dare not to dare. We are mirrors whose brightness is wholly derived from the sun that shines upon us. I didn't go to religion to make me happy. I always knew a bottle of Port would do that. If you want a religion to make you feel really comfortable, I certainly don't recommend Christianity.

The Problem of Pain C. S. Lewis, 1943

Words to Live By C. S. Lewis, 2007-04-17 C. S. Lewis is a beloved writer and thinker and arguably the most important Christian intellectual of the twentieth century. His groundbreaking children's series *The Chronicles of Narnia*, lucid nonfiction titles such as *Mere Christianity* and *The Problem of Pain*, and thought-provoking fiction, including *The Screwtape Letters* and *The Great Divorce*, have become trusted companions for millions of readers. Here Lewis breathes new life into words and concepts that have dulled through time and familiarity, and his writings inevitably provoke deep thought and surprising revelations. *Words to Live By* contains an unprecedented selection of Lewis's writings, drawing from his most popular works, but also from his volumes of letters and his lesser-known essays and poems. His works are presented in accessible selections covering subjects from A to Z, including beauty, character, confession, doubt, family, holiness, and religion. Both a wonderful introduction to Lewis's thinking and a wise and insightful guide to key topics in the Christian life, these are truly words to live by.
