

Dostoevsky Quotes On Love

Bite Size Wisdom

Fyodor Dostoevsky Bite Size Wisdom, 2020-12-03 Love is a teacher, but one must know how to acquire it, for it is difficult to acquire, it is dearly bought, by long work over a long time, for one ought to love not for a chance moment but for all time. Anyone, even a wicked man, can love by chance. ~ f.d. Essential FYODOR DOSTOEVSKY Quotes Now at Your Fingertips! This little book of quotes by Fyodor Dostoevsky covers all his essential quotes on love, life, truth, happiness, etc. Makes for a unique gift to those who appreciate profound thoughts and ideas Highly quotable lines you can use (or take inspiration) for your own writing Life is what matters, life alone - the continuous, eternal process of discovering life - and not the discovery itself. It seems, in fact, as though the second half of a man's life is made up of nothing, but the habits he has accumulated during the first half. It's the great mystery of human life that old grief passes gradually into quiet tender joy. The mild serenity of age takes the place of the riotous blood of youth.

Dostoevsky and Romantic Realism Donald Fanger, 1998 Dostoevsky and Romantic Realism is Donald Fanger's groundbreaking study of the art of Dostoevsky and the literary and historical context in which it was created. Through detailed analyses of the work of Balzac, Dickens, and Gogol, Fanger identifies romantic realism, the transformative fusion of two generic categories, as a powerful imaginary response to the great modern city. This fusion reaches its aesthetic and metaphysical climax in Dostoevsky, whose vision culminating in *Crime and Punishment* is seen by Fanger as the final synthesis of romantic realism.

Dostoevsky's Little Book of Selected Quotes Helios Publishing, 2021-06-11 Love is a teacher, but one must know how to acquire it, for it is difficult to acquire, it is dearly bought, by long work over a long time, for one ought to love not for a chance moment but for all time. Anyone, even a wicked man, can love by chance. -- Fyodor Dostoevsky Selected Quotes by Fyodor Dostoevsky now at your fingertips Perfect for casual reading, taking ideas, inspiration Makes for a great gift choice I can see the sun, but even if I cannot see the sun, I know that it exists. And to know that the sun is there - that is living. fyodor dostoevsky

Love and Power Michael J. Perry, 1991 This study examines the uses of religious ideas in political discourse in a liberal democracy.

Dostoevsky's Religion Steven Cassedy, 2005-05-02 Any reader of Dostoevsky is immediately struck by the importance of

religion within the world of his fiction. That said, it is very difficult to locate a coherent set of religious beliefs within Dostoevsky's works, and to argue that the writer embraced these beliefs. This book provides a trenchant reassessment of his religion by showing how Dostoevsky used his writings as the vehicle for an intense probing of the nature of Christianity, of the individual meaning of belief and doubt, and of the problems of ethical behavior that arise from these questions. The author argues that religion represented for Dostoevsky a welter of conflicting views and stances, from philosophical idealism to nationalist messianism. The strength of this study lies in its recognition of the absence of a single religious prescription in Dostoevsky's works, as well as in its success in tracing the background of the ideas animating Dostoevsky's religious probing.

Voices of Wisdom: Fyodor Dostoevsky Quotes Sara Tabandeh, Welcome to the Voices of Wisdom series, a curated collection of timeless quotes from some of the most influential and inspiring figures in history. Words have the power to inspire, to challenge, and to change the world. Throughout the ages, great minds have distilled their wisdom, experiences, and insights into memorable sayings that continue to resonate with us today. This series is more than just a compilation of quotes; it is a journey through the thoughts and philosophies of individuals who have left an indelible mark on humanity. From philosophers and poets to scientists and leaders, these quotes reflect the diverse spectrum of human thought and endeavor. Each volume in this series is dedicated to a specific theme or area of life, making it easy for you to find the inspiration you need at any moment. Whether you seek motivation, reflection, or simply a new perspective, you will find it within these pages. As you read through these quotes, may you find the wisdom to navigate your own path, the courage to face your challenges, and the inspiration to make a positive impact on the world around you. Let these voices from the past and present guide you towards a brighter future.

Mad Girl's Love Song Andrew Wilson, 2013-02-05 A biography of Sylvia Plath, a literary icon who continues to haunt, fascinate, and enthrall even now, fifty years after her death. On February 25, 1956, twenty-three-year-old Sylvia Plath walked into a party and immediately spotted Ted Hughes. This encounter—now one of the most famous in all of literary history—was recorded by Plath in her journal, where she described Hughes as a “big, dark, hunky boy.” Sylvia viewed Ted as something of a colossus, and to this day his enormous shadow has obscured her life and work. The sensational aspects of the Plath-Hughes relationship have dominated the cultural landscape to such an extent that their story has taken on the resonance of a modern myth. Before she met Ted, Plath had lived a complex, creative, and disturbing life. Her father had died when she was only eight; she had gone out with literally hundreds of men, had been unofficially engaged, had tried to commit suicide, and had written more than two hundred poems. *Mad Girl's Love Song* chronicles these early years, traces the sources of her mental instability, and examines how a range of personal, economic, and societal factors—the real disquieting muses—conspired against her. Drawing on exclusive interviews with friends and lovers who have never spoken openly about Plath before and using previously unavailable archives and papers, this is the first book to focus on the early life

of the twentieth century's most popular and enduring female poet. *Mad Girl's Love Song* reclaims Sylvia Plath from the tangle of emotions associated with her relationship with Ted Hughes and reveals the origins of her unsettled and unsettling voice.

Dostoevsky's Political Thought Richard Avramenko, Lee Trepanier, 2013-05-23 Recognized as one of the greatest novelists of all-time, Fyodor Dostoevsky continues to inspire and instigate questions about religion, philosophy, and literature. However, there has been a neglect looking at his political thought: its philosophical and religious foundations, its role in nineteenth-century Europe, and its relevance for us today. *Dostoevsky's Political Thought* explores Dostoevsky's political thought in his fictional and nonfictional works with contributions from scholars of political science, philosophy, history, and Russian Studies. From a variety of perspectives, these scholars contribute to a greater understanding of Dostoevsky not only as a political thinker but also as a writer, philosopher, and religious thinker.

100 Great Quotes by Fyodor Dostoevsky Farhad Hemmatkhah Kalibar, Welcome to the 100 Great Quotes series, a collection that celebrates the profound insights and timeless wisdom of some of the greatest minds in history. Each book in this series is a curated compilation of 100 remarkable quotes by a single individual, offering readers a glimpse into the depth of their thoughts and the enduring impact of their ideas. In a world filled with constant noise and rapid change, these books serve as a sanctuary of contemplation. Within these pages, you will find the distilled essence of the thinkers and visionaries who have shaped our understanding of the world. From philosophers and scientists to artists and leaders, each volume is a journey into the unique perspectives that have stood the test of time. Dive into the brilliance of minds that have left an indelible mark on human history. Whether you seek inspiration, reflection, or simply a moment of clarity, the 100 Great Quotes series invites you to explore the profound and enduring truths encapsulated in the words of these extraordinary individuals.

Dostoevsky André Gide, 1926

Washington University Journal of Law and Policy, 2006

The Perverted Ideal in Dostoevsky's "The Devils" Nancy K. Anderson, 1997 The characters in Dostoevsky's *The Devils* tend to see the protagonist Stavrogin as a savior figure. But Anderson, a scholar/ librarian at Yale University, maintains that Stavrogin is in fact an antichrist figure--an individual who asserts his will at any cost and represents Dostoevsky's idea of a strong man pushed to its extreme. Anderson also discusses revolutionary activity in the novel and the way in which the character Stephan Verkhovensky comes to represent ideal beauty. Annotation copyright by Book News, Inc., Portland, OR

Dostoevsky and Social and Metaphysical Freedom Tatyana Buzina, 2003 In asserting people's responsibility for their actions, and ultimately their fate, Buzina (global studies, Trinity College) contends that Russian writer Fyodor Dostoyevsky (1821-81) constantly argues with his characters, who sometimes adhere to different and often much more deterministic

representations of fate. She describes the full spectrum of ideas about fate encountered in his works, in order to demonstrate their interrelation, to trace their evolution, and to show how characters fluctuate between different notions of fate. Drawing on both anthropological and literary approaches, she juxtaposes his ideas with those of German philosopher Schelling. The text is double spaced. Annotation (c)2003 Book News, Inc., Portland, OR (booknews.com).

Jimmy & Gret Don't Do Sex Gretel Killeen,2010-09-22 When a clairvoyant tells Gretel Killeen that she has only days to live, she is forced to look back on all the most important things in her life. High on her list is the man with whom she has shared her longest relationship, Jimmy. Theirs is a warts and all friendship – perhaps far more honest than any marriage, and Gretel takes us into the heart of their unconventional love with hilarity, wisdom and warmth. Readers who read Gretel's first volume of autobiography, *The Night My Bum Dropped*, will recall Jimmy fondly – and those who didn't should prepare to meet an unbelievable and unforgettable man. But this Jimmy is to be believed, as this is a much more honest account of the private life behind the very public woman.
