Best and Worst Things Kirsten Wiskus, 2019-06-02 Gratitude journals give clarity to life, influence our decisions/mood and reduces stress [and so much more!}. This uniquely created Gratitude Journal includes 570 days of acknowledging the Best and Worst things about our days (an old family tradition of mine), rating the day on a scale of 1-5, and answering a short gratitude prompt. The end of the journal includes master list prompts for the things we are most grateful for, things we have learned, etc. and can serve as a reflection keepsake for years to come. This journal hopes to challenge ourselves to notice the little things, like a beautiful dragonfly dancing in the garden. And in contrast, help us realize that even on the rainiest of days, the fresh smell of blooming lilacs can fill the air. We must first let go, accept the heartaches that trouble us and move on. Being present and open-hearted allows us to experience all of life's wonders. Actively choose to see the joy in everything . . . for the power of gratitude will help us realize we are already whole. A great quote: Gratitude unlocks the fullness of life. It turns what we have into enough, and more. It turns denial into acceptance, chaos to order, confusion to clarity. It can turn a meal into a feast, a house into a home, a stranger into a friend. - Melody Beattie

The Gratitude Attitude Sheila Trask, 2019-02-26 Apply Sheila's easy three-step process to develop a gratitude attitude and watch life challenges become life's greatest joys. The eight life lessons highlighted in this book will teach you how the gratitude attitude changes the way you look at things, and when you change the way you look at things, the things you look at change (Dr. Wayne Dyer). Inspired by the teachings of Dr. Wayne Dyer, this fascinating book is for anyone who wishes to transform their life or learn to appreciate the one they have. Sheila demonstrates creatively how any experience can become a life lesson. Real-life stories from the wild flowers bring the life lessons to life. Shared from the heart, these stories will make you smile and perhaps shed a tear, but most importantly, they will cause you to rethink how you currently do things. Share in the stories of those who have learned firsthand how gratitude heals, hugs, and promotes happiness. Visualize a calmer, more serene life where gratitude becomes your new state of mind. *The Gratitude Attitude: Life Lessons from the Field* allows you to experience life in a new way.
