The Guy That Does the Thing—Observations, Deliberations, and Confessions, Volume 11 W. C. Andrew Groome, 2015-02-25 When a person is elected to political office and wants more than what he or she currently has, the individual will probably say something like, For too long human beings have been shut out from the riches hoarded by selfish people who worship no god/government, and it is time to get them to convert, make amends, or perish. When a human asks god/government a question, the human is told by a representative of the god/government that there is a plan, but it is too complicated for a mere human to understand. There is no reason for the humans to worry, because god/government knows what is best for them. In *The Guy that Does the Thing* Observations, Deliberations, and Confessions, Volume 11: Divine Creases, author W. C. Andrew Groome takes readers on a journey to discover the crease in the human brain that allows us to hold information necessary to put our complete trust in God with a capital G. Through characters such as TGTDTT, OBandSD, FicCha Zero, FicCha Thirty, as well as the lectures of Dr. Charles, Groome shows the transition from election day to elected officials wanting more, to the time when humans fight back. You will see how an overconfident god/government can cause its own demise. Told with humor and foresight, *The Guy that Does the Thing* Observations, Deliberations, and Confessions, Volume 11: Divine Creases is enlightening and entertaining. And it might just make you think.

Ridykeulous Presents Ridykeulous, 2025-03-11 The first exhibition catalogue of the acclaimed queer, feminist curatorial initiative Ridykeulous, marking the occasion of their first institutional presentation in Europe at Nottingham Contemporary. Founded in 2005, Ridykeulous mounts exhibitions and events primarily concerned with queer and feminist art. This publication will be the first exhibition catalogue by Ridykeulous, joined by Sam Roeck, and will accompany the fall 2023 exhibition Ridykes' Cavern of Fine Inverted Wines and Deviant Videos at Nottingham Contemporary. With newly commissioned texts by curator Lia Gangitano and Alexandro Segade of the artist collective My Barbarian, the catalogue will be complemented by a conversation between Ridykeulous members Nicole Eisenman, A.L. Steiner and Sam Roeck, providing insights into the collective's thinking, politics, behind-the-scenes notations, and methods of exploration, as well as an introduction by Nottingham Contemporary's Chief Curator Nicole Yip. Using humor to critique the art world and heteropatriarchal culture at-large, Ridykeulous often reinvents language to reflect their sensibilities and

concerns—composing communiqués, screeds, and diatribes across various media. The exhibition features an intergenerational mix of 30 contemporary visual artists working across film, video installation, sculpture, and performance. Playfully proposing queer fabulosity as a critical intervention in the capitalist spectacle, the exhibition seeks to erode the secondary positioning of LGBTQ+ art and artists as “alternative.” Designed by the Zürich-based Studio Marie Lusa, the publication will evoke the textual feeling of a zine, with over 100 full-color and black-and-white image plates.

Naked Brunch Sparkle Hayter, 2003 Annie Engel hasn't been feeling herself lately. With good reason. A mousy secretary by day, she's been morphing into a werewolf at night. In the morning, she's not quite sure what she's been up to, but she knows she'd like to do it again. She soon discovers that her odd dreams and strange hangovers are actually the remnants of a night out on the prowl. But Annie's predatory activities have not gone unnoticed, and soon she is being pursued by one hapless reporter, a psychiatrist who wants to save her from her beastly impulses, and another (guy) werewolf who captures her heart. Who is a nice werewolf to trust? The Complete Danteworlds Guy P. Raffa, 2009-05-15 Dante Alighieri's Divine Comedy has, despite its enormous popularity and importance, often stymied readers with its multitudinous characters, references, and themes. But until the publication in 2007 of Guy Raffa's guide to the Inferno, students lacked a suitable resource to help them navigate Dante's underworld. With this new guide to the entire Divine Comedy, Raffa provides readers—experts in the Middle Ages and Renaissance, Dante neophytes, and everyone in between—with a map of the entire poem, from the lowest circle of Hell to the

highest sphere of Paradise. Based on Raffa's original research and his many years of teaching the poem to undergraduates, *The CompleteDanteworlds* charts a simultaneously geographical and textual journey, canto by canto, region by region, adhering closely to the path taken by Dante himself through Hell, Purgatory, and Paradise. This invaluable reference also features study questions, illustrations of the realms, and regional summaries. Interpreting Dante's poem and his sources, Raffa fashions detailed entries on each character encountered as well as on many significant historical, religious, and cultural allusions.
