M Mark

Sutherland Springs Joe Holley, 2020-03-17 **Winner of the 2021 Texas Institute of Letters Carr P. Collins' Award for Best Book of Nonfiction** One part Columbine, one part God Save Texas, Joe Holley's riveting, compassionate book examines the 2017 mass shooting at a church in a small Texas town, revealing the struggles and triumphs of these fellow Texans long after the satellite news trucks have gone. Sutherland Springs was the last place anyone would have expected to be victimized by our modern-day scourge of mass shootings. Founded in the 1850s along historic Cibolo Creek, the tiny community, named for the designated physician during the siege of the Alamo, was once a vibrant destination for wealthy tourists looking to soak up the cures of its namesake mineral springs. By November 5, 2017, however, the day a former Air Force enlistee opened fire in the town's First Baptist Church, Sutherland Springs was a shadow of its former self. Twenty-six people died that Sunday morning, in the worst mass shooting in a place of worship in American history. Holley, who roams the Lone Star State as the Native Texan columnist for the Houston Chronicle and earned a Pulitzer- Prize nomination for his editorials about guns, spent more than a year embedded in the community. Long after most journalists had left, he stayed with his fellow Texans, getting to know a close-knit group of people - victims, heroes, and survivors. Holley shows how they work to come to terms with their loss and to rebuild shattered lives, marked by their deep faith in God and in guns. He also uses Sutherland Springs' unique history and its decades-long decline as a prism for understanding how an act of unspeakable violence reflects the complicated realities of Texas and America in the twenty-first century.

Congressional Record United States. Congress, 1997 The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States (1789-1824), the Register of Debates in Congress (1824-1837), and the Congressional Globe (1833-1873)

Letting Go Nancy A. Kaiser, 2008-06 Kaiser chronicles her experiences with an unexpected divorce and tells how she has rebuilt her life and embraced her destiny.

The Fisher King Melissa Lenhardt, 2016-11-01 When the dust settles in this Texas town, who will be left standing? It's been six weeks since Jack McBride's life went to hell: the resolution of his first case as chief sparked a county-wide drug war, his brother Eddie rode into town with a pocket full of cocaine and trouble on his mind, his estranged wife returned from her

one-year sabbatical determined to win him back, and Ellie Martin ended their brief affair. To the Stillwater natives, the increase in local crime can be traced directly back to the day outsider McBride took the job, and they're gunning to get rid of him. One particular group is led by Joe Doyle, a successful local businessman who's running for city council against Ellie and her plan to revitalize downtown. Now Jack has discovered proof Doyle is the biggest crime lord in the county, and, with murders piling up and the drug war intensifying, Jack suspects the crimes aren't business but personal—and he's the target. The bitter election and Jack's investigation spark old rivalries and new jealousies, making Ellie and those who love Stillwater most wonder if it's even worth saving.

Michelle and Debra Jack Weyland,1995-03 Michelle and Debra, Mormons and best friends, see their lives diverging at the end of their teen years, as Michelle meets and decides to marry a boy who follows the standards of their church while Debra must deal with the many times she has violated its teachings on chastity.

North Eastern Reporter ,1999

The Alcalde ,2011-01 As the magazine of the Texas Exes, The Alcalde has united alumni and friends of The University of Texas at Austin for nearly 100 years. The Alcalde serves as an intellectual crossroads where UT's luminaries - artists, engineers, executives, musicians, attorneys, journalists, lawmakers, and professors among them - meet bimonthly to exchange ideas. Its pages also offer a place for Texas Exes to swap stories and share memories of Austin and their alma mater. The magazine's unique name is Spanish for mayor or chief magistrate; the nickname of the governor who signed UT into existence was The Old Alcalde.
