Night Sky with Exit Wounds Ocean Vuong, 2016-05-23 Winner of the 2016 Whiting Award One of Publishers Weekly's Most Anticipated Books of Spring 2016 One of Lit Hub's 10 must-read poetry collections for April "Reading Vuong is like watching a fish move: he manages the varied currents of English with muscled intuition. His poems are by turns graceful and wonderstruck. His lines are both long and short, his pose narrative and lyric, his diction formal and insouciant. From the outside, Vuong has fashioned a poetry of inclusion."—The New Yorker Night Sky with Exit Wounds establishes Vuong as a fierce new talent to be reckoned with...This book is a masterpiece that captures, with elegance, the raw sorrows and joys of human existence.—Buzzfeed's Most Exciting New Books of 2016 This original, sprightly wordsmith of tumbling pulsing phrases pushes poetry to a new level...A stunning introduction to a young poet who writes with both assurance and vulnerability. Visceral, tender and lyrical, fleet and agile, these poems unflinchingly face the legacies of violence and cultural displacement but they also assume a position of wonder before the world."—2016 Whiting Award citation Night Sky with Exit Wounds is the kind of book that soon becomes worn with love. You will want to crease every page to come back to it, to underline every other line because each word resonates with power.—LitHub Vuong's powerful voice explores passion, violence, history, identity—all with a tremendous humanity.—Slate "In his impressive debut collection, Vuong, a 2014 Ruth Lilly fellow, writes beauty into—and culls from—individual, familial, and historical traumas. Vuong exists as both observer and observed throughout the book as he explores deeply personal themes such as poverty, depression, queer sexuality, domestic abuse, and the various forms of violence inflicted on his family during the Vietnam War. Poems float and strike in equal measure as the poet strives to transform pain into clarity. Managing this balance becomes the crux of the collection, as when he writes, 'Your father is only your father/ until one of you forgets. Like how the spine/ won't remember its wings/ no matter how many times our knees/ kiss the pavement.'"—Publishers Weekly What a treasure [Ocean Vuong] is to us. What a perfume he's crushed and rendered of his heart and soul. What a gift this book is.—Li-Young Lee Torso of Air Suppose you do change your life. & the body is more than a portion of night—sealed with bruises. Suppose you woke & found your shadow replaced by a black wolf. The boy, beautiful & gone. So you take the knife to the wall instead. You carve & carve until a coin of light appears & you get to look in, at last, on happiness. The eye staring back from the other side— waiting. Born in Saigon, Vietnam, Ocean Vuong attended Brooklyn College. He is the author of two chapbooks as well as a full-length

collection, *Night Sky with Exit Wounds*. A 2014 Ruth Lilly Fellow and winner of the 2016 Whiting Award, Ocean Vuong lives in New York City, New York.

Prose Poetry Paul Hetherington, Cassandra Atherton, 2020-10-13 An engaging and authoritative introduction to an increasingly important and popular literary genre *Prose Poetry* is the first book of its kind—an engaging and authoritative introduction to the history, development, and features of English-language prose poetry, an increasingly important and popular literary form that is still too little understood and appreciated. Poets and scholars Paul Hetherington and Cassandra Atherton introduce prose poetry’s key characteristics, chart its evolution from the nineteenth century to the present, and discuss many historical and contemporary prose poems that both demonstrate their great diversity around the Anglophone world and show why they represent some of today’s most inventive writing. A prose poem looks like prose but reads like poetry: it lacks the line breaks of other poetic forms but employs poetic techniques, such as internal rhyme, repetition, and compression. *Prose Poetry* explains how this form opens new spaces for writers to create riveting works that reshape the resources of prose while redefining the poetic. Discussing prose poetry’s precursors, including William Wordsworth and Walt Whitman, and prose poets such as Charles Simic, Russell Edson, Lydia Davis, and Claudia Rankine, the book pays equal attention to male and female prose poets, documenting women’s essential but frequently unacknowledged contributions to the genre. Revealing how prose poetry tests boundaries and challenges conventions to open up new imaginative vistas, this is an essential book for all readers, students, teachers, and writers of prose poetry.

The Routledge Handbook of Refugee Narratives Evyn Lê Espiritu Gandhi, Vinh Nguyen, 2023-02-17 This Handbook presents a transnational and interdisciplinary study of refugee narratives, broadly defined. Interrogating who can be considered a refugee and what constitutes a narrative, the thirty-eight chapters included in this collection encompass a range of forcibly displaced subjects, a mix of geographical and historical contexts, and a variety of storytelling modalities. Analyzing novels, poetry, memoirs, comics, films, photography, music, social media, data, graffiti, letters, reports, eco-design, video games, archival remnants, and ethnography, the individual chapters counter dominant representations of refugees as voiceless victims. Addressing key characteristics and thematics of refugee narratives, this Handbook examines how refugee cultural productions are shaped by and in turn shape socio-political landscapes. It will be of interest to researchers, teachers, students, and practitioners committed to engaging refugee narratives in the contemporary moment. Almost Futures Thu-huong Nguyen-vo, 2024-06-11 A free ebook version of this title is available through Luminos, University of California Press's Open Access publishing program. Visit www.luminosoa.org to learn more. *Almost Futures* looks to the people who pay the heaviest price exacted by war and capitalist globalization—particularly Vietnamese citizens and refugees—for glimpses of ways to exist at the end of our future's promise. In order to learn from the lives destroyed (and lived) amid our inheritance of modern humanism and its uses of time, *Almost Futures* asks us to recognize new spectrums of feeling: the poetic, in the grief of protesters dispossessed by land speculation; the allegorical, in assembly line workers' laughter and sorrow; the iterant and intimate, in the visual witnessing of revolutionary and state killing; the haunting, in refugees' writing on the death of their nation; and the irreconcilable, in refugees' inhabitation of history.

Time Is a Mother Ocean Vuong, 2023-06-06 Take your time with these poems, and return to them often." —The Washington Post The New York Times bestselling collection of poems from the award-winning writer Ocean Vuong How else do we return to ourselves but to fold The page so it points to the good part In this deeply intimate second poetry collection, Ocean Vuong searches for life among the aftershocks of personal and social loss, embodying the paradox of sitting in grief while being determined to survive beyond it. Shifting through memory, and in concert with the themes of his novel *On Earth We're Briefly Gorgeous*, Vuong contends with the meaning of family and the cost of being the product of an American war in America. At once vivid, brave, and propulsive, these poems circle fragmented lives to find both restoration as well as the epicenter of the break. The author of the critically acclaimed poetry collection *Night Sky with Exit Wounds*, winner of the 2016 Whiting Award, the 2017 T. S. Eliot Prize, and a 2019 MacArthur fellowship, Vuong writes directly to our humanity without losing sight of the current moment. These poems represent a more innovative and daring experimentation with language and form, illuminating how the themes we perennially live in and question are truly inexhaustible. Bold and

prescient, and a testament to tenderness in the face of violence, *Time Is a Mother* is a return and a forging forth all at once.

On Earth We're Briefly Gorgeous Ocean Vuong, 2019-06-04 **THE SUNDAY TIMES and NEW YORK TIMES BESTSELLER** Brilliant, heart-breaking, tender, and highly original - poet Ocean Vuong's debut novel is a sweeping and shattering portrait of a family, and a testament to the redemptive power of storytelling. *On Earth We're Briefly Gorgeous* is a letter from a son to a mother who cannot read. Written when the speaker, Little Dog, is in his late twenties, the letter unearths a family's history that began before he was born - a history whose epicentre is rooted in Vietnam - and serves as a doorway into parts of his life his mother has never known, all of it leading to an unforgettable revelation. At once a witness to the fraught yet undeniable love between a single mother and her son, it is also a brutally honest exploration of race, class, and masculinity. Asking questions central to the American moment, immersed as it is in addiction, violence, and trauma, but undergirded by compassion and tenderness, *On Earth We're Briefly Gorgeous* is as much about the power of telling one's own story as it is about the obliterating silence of not being heard. With stunning urgency and grace, Ocean Vuong writes of people caught between disparate worlds, and asks how we heal and rescue one another without forsaking who we are. The question of how to survive, and how to make of it a kind of joy, powers the most important debut novel of many years. 'This romantic, lusciously written debut lingers over kisses' The Times, *Books of the Year* 'So very full of beauty and power. Also, grace' Tommy Orange, Observer, *Best Books of 2019 - Picked by the Year's Best Writers* 'A magical synthesis of memoir, fiction and poetry' Joyce Carol Oates, TLS, *Books of the Year*
