

# The Love Affairs Of Nathaniel P

**Rosina Ehmann**

**The Love Affairs of Nathaniel P.** Adelle Waldman, 2014-05-06 In this 21st-century literary world, wit and conversation are not at all dead. Is romance? Novelist Adelle Waldman plunges into the psyche of a modern man—who thinks of himself as beyond superficial judgment, yet constantly struggles with his own status anxiety, who is drawn to women, yet has a habit of letting them down—Dust jacket flap.

**The Love Affairs of Nathaniel P.** Adelle Waldman, 2014-04-24 Nathaniel Piven is a rising star in Brooklyn's literary scene. After several lean, striving years and an early life as a class-A nerd, he now (to his surprise) has a lucrative book deal, his pick of plum magazine assignments, and the attentions of many desirable women: Juliet, the hotshot business journalist; Elisa, Nate's gorgeous ex-girlfriend, now friend; Hannah, lively and fun and 'almost universally regarded as nice and smart, or smart and nice'. In this twenty-first-century literary enclave, wit and conversation are not at all dead. But is romance? In *The Love Affairs of Nathaniel P.* Adelle Waldman plunges into the psyche of a sensitive, flawed, modern man *à* la reveal the view of the new world from his garret window, and the view of women from his overactive mind.

*New Year's* Adelle Waldman, 2014-05-06 From Adelle Waldman, author of *The Love Affairs of Nathaniel P.*, here's *New Year's*, a story from the point of view of Nate's friend Aurit—as startling, provocative and true-to-life a tale about a young woman's dating life as *The Love Affairs of Nathaniel P.* was about a young man's. She felt some part of herself relax when she was with him. She could shut off the part of her brain that was always monitoring whether she was talking too much, being selfish. A few years before the start of *The Love Affairs of Nathaniel P.*, twentysomething writer Nathaniel Piven admires a piece of published work by a young woman named Aurit Arazi, and writes her an email expressing his appreciation. After this introduction, they meet for a drink. At the time, Nate is dating gorgeous, moody Elisa, and Aurit has an older, successful novelist boyfriend named Carter, but Nate and Aurit become friends. In the months, even years, that pass, Nate's and Aurit's romantic partners change, but their friendship carries on. And then, one New Year's eve, it seems that the nature of their relationship may change. Like many readers who got to know Nate P. in *The Love Affairs of Nathaniel P.*, Aurit is pretty sure that, when it comes to relationships with women, Nate can be an asshole, but is there more to him than that? In *New Year's*, author Adelle Waldman exposes the mating psyche of one brilliant young female writer, with the same shockingly accurate eye that brought the world Nathaniel P.

Help Wanted Adelle Waldman, 2024-03-05 One of Barack Obama's Favorite Books of the Summer A Best Book of the Year in Vogue, Vulture, Elle, and Economist A New York Times Book Review Editors' Choice "Poignant, funny, stealthily ambitious." —Michelle Goldberg, New York Times From the best-selling author of *The Love Affairs of Nathaniel P.* comes a funny, eye-opening tale of work in contemporary America. Every day at 3:55 a.m., members of Team Movement clock in for their shift at big-box store Town Square in a small upstate New York town. Under the eyes of a self-absorbed and barely competent boss, they empty the day's truck of merchandise, stock the shelves, and scatter before the store opens and customers arrive. Their lives follow a familiar if grueling routine, but their real problem is that Town Square doesn't schedule them for enough hours—most of them are barely getting by, even while working second or third jobs. When store manager Big Will announces he is leaving, the members of Movement spot an opportunity. If they play their cards right, one of them just might land a management job, with all the stability and possibility for advancement that that implies. The members of Team Movement—including a comedy-obsessed oddball who acts half his age, a young woman clinging on to her "cool kid" status from high school, and a college football hopeful trying to find a new path—band together to set a just-so-crazy-it-might-work plot in motion. Adelle Waldman's debut novel was a breakout sensation, lauded by the Los Angeles Times as an "exacting character study" with "excellent and witty prose" and described as "incisive and very funny" by the Economist and "brilliant" by both NPR's Fresh Air and the Washington Post. In her long-awaited follow-up, Waldman brings her unparalleled wit and astute social observation to the world of modern, low-wage work. A humane and darkly comic workplace caper that shines a light on the odds low-wage workers are up against in today's economy, *Help Wanted* is a funny, moving tale of ordinary people trying to make a living.

**Northanger Abbey** Jane Austen, 2025-07-15 *Northanger Abbey* is the story of naïve but sweetly appealing Catherine Morland, a willing victim of the 19th-century craze for Gothic literature who is determined to see herself as the heroine of a dark and thrilling romance. With a new introduction by Adelle Waldman. *Northanger Abbey* is both a perfectly aimed literary parody and a withering satire of the commercial aspects of marriage among the English gentry at the turn of the nineteenth century. When Catherine is invited to Northanger Abbey, the grand though forbidding ancestral seat of her suitor, Henry Tilney, she finds herself embroiled in a real drama of misapprehension, mistreatment, and mortification, until common sense and humor—and a crucial clarification of Catherine's financial status—puts all to right. Written in 1798 but not published until after Austen's death in 1817, *Northanger Abbey* is characteristically clearheaded and strong, and infinitely subtle in its comedy.

**Everything and Less** Mark McGurl, 2021-10-19 National Book Critics Circle Award Finalist Best Book of Fall (Esquire) and a Most Anticipated Book of 2021 (Lit Hub) *What Has Happened to Fiction in the Age of Platform Capitalism?* Since it was first launched in 1994, Amazon has changed the world of literature. The "Everything Store" has not just transformed how we

buy books; it has affected what we buy, and even what we read. In *Everything and Less*, acclaimed critic Mark McGurl explores this new world where writing is no longer categorized as high or lowbrow, literature or popular fiction. Charting a course spanning from Henry James to E. L. James, McGurl shows that contemporary writing has less to do with writing per se than with the manner of its distribution. This consumerist logic—if you like this, you might also like ...—has reorganized the fiction universe so that literary prize-winners sit alongside fantasy, romance, fan fiction, and the infinite list of hybrid genres and self-published works. This is an innovation to be cautiously celebrated. Amazon's platform is not just a retail juggernaut but an aesthetic experiment driven by an unseen algorithm rivaling in the depths of its effects any major cultural shift in history. Here all fiction is genre fiction, and the niches range from the categories of crime and science fiction to the more refined interests of Adult Baby Diaper Lover erotica. *Everything and Less* is a hilarious and insightful map of both the commanding heights and sordid depths of fiction, past and present, that opens up an arresting conversation about why it is we read and write fiction in the first place.

*After Postmodernism* Christopher K. Coffman, Theophilus Savvas, 2020-12-18 Several of American literature's most prominent authors, and many of their most perceptive critics and reviewers, argue that fiction of the last quarter century has turned away from the tendencies of postmodernist writing. Yet, the nature of that turn, and the defining qualities of American fiction after postmodernism, remain less than clear. This volume identifies four prominent trends of the contemporary scene: the recovery of the real, a rethinking of historical engagement, a preoccupation with materiality, and a turn to the planetary. Readings of works by various leading figures, including Dave Eggers, Jonathan Franzen, A.M. Homes, Lance Olsen, Richard Powers, William T. Vollmann, and David Foster Wallace, support a variety of arguments about this recent revitalization of American literature. The chapters in this book were originally published as a special issue of the journal *Textual Practice*.
