After Perfect Christina McDowell,2016-04-19 Christina McDowell was born Christina Prousalis. She had to change her name to be legally extricated from the trail of chaos her father, Tom Prousalis, left in the wake of his arrest and subsequent imprisonment as one of the guilty players sucked into the collateral fallout of Jordan Belfort (the Wolf of Wall Street). Christina worshipped her father and the seemingly perfect life they lived...a life she finds out was built on lies. Christina's family, as is typically the case, had no idea what was going on. Nineteen-year-old Christina drove her father to jail while her mother dissolved in denial. Since then, Christina's life has been decimated. As her family floundered in rehab, depression, homelessness, and loss, Christina succumbed to the grip of alcohol, drugs, and promiscuity before finding catharsis in the most unlikely of places. From the bucolic affluence of suburban Washington, DC, to the A-list clubs and seedy underbelly of Los Angeles, this provocative memoir unflinchingly describes the harsh realities of a fall from grace.

Bernard Madoff and His Accomplices Lionel S. Lewis,2016-03-21 This is the first detailed study of how Bernard L. Madoff and his accomplices perpetrated a Ponzi scheme of epic proportions—what has been referred to as the con of the century. In December 2008, Bernard L. Madoff was arrested for perpetrating a protracted Ponzi scheme of inconceivably huge proportions that defrauded clients of his securities company of nearly \$20 billion—and was consequently sentenced to 150 years in jail. How did Madoff pull this off for years, even returning some or all of clients' money when they asked, while in actuality was financing the lavish lifestyles of himself, his family, and his accomplices with the stolen funds? And why didn't anyone in the highly regulated investment industry catch on sooner? Bernard Madoff and His Accomplices: Anatomy of a Con

examines Bernard L. Madoff's unprecedented confidence game (con game), drawing back the curtain on what actually went on at his investment firm, Bernard L. Madoff Investment Securities, and exposing the day-to-day activities of his accomplices that enabled the elaborate con to succeed for as long as it did. Through the examination of court testimony and other court documents, the mechanics of the con game become clear, elucidating how Madoff's friends and employees hustled money from investors; the methods by which false records, monthly statements to investors, and other documents were manufactured and mass-produced; and how a multitude of felonies and the highest levels of fraud became everyday practices.
