Violet Bent Backwards Over the Grass Lana Del Rey, 2020-09-29 The New York Times bestselling debut book of poetry from Lana Del Rey, *Violet Bent Backwards Over the Grass*. "Violet Bent Backwards Over the Grass is the title poem of the book and the first poem I wrote of many. Some of which came to me in their entirety, which I dictated and then typed out, and some that I worked laboriously picking apart each word to make the perfect poem. They are eclectic and honest and not trying to be anything other than what they are and for that reason I'm proud of them, especially because the spirit in which they were written was very authentic." —Lana Del Rey Lana's breathtaking first book solidifies her further as "the essential writer of her times" (The Atlantic). The collection features more than thirty poems, many exclusive to the book: Never to Heaven, The Land of 1,000 Fires, Past the Bushes Cypress Thriving, LA Who Am I to Love You?, Tessa DiPietro, Happy, Paradise Is Very Fragile, Bare Feet on Linoleum, and many more. This beautiful hardcover edition showcases Lana's typewritten manuscript pages alongside her original photography. The result is an extraordinary poetic landscape that reflects the unguarded spirit of its creator. *Violet Bent Backwards Over the Grass* is also brought to life in an unprecedented spoken word audiobook which features Lana Del Rey reading fourteen select poems from the book accompanied by music from Grammy Award-winning musician Jack Antonoff.

The Book Bible Susan Shapiro, 2022-02-01 A Brilliant, Buoyant Guide to Publishing Your Book Hundreds of thousands of books come out every year worldwide. So why not yours? In *The Book Bible*, New York Times bestseller and wildly popular Manhattan writing professor Susan Shapiro reveals the best and fastest ways to break into a mainstream publishing house. Unlike most writing manuals that stick to only one genre, Shapiro maps out the rules of all the sought-after, sellable categories: novels, memoirs, biography, how-to, essay collections, anthologies, humor, mystery, crime, poetry, picture books, young adult and middle grade, fiction and nonfiction. Shapiro once worried that selling 16 books in varied sub-sections made her a literary dabbler. Yet after helping her students publish many award-winning bestsellers on all shelves of the bookstore, she realized that her versatility had a huge upside. She could explain, from personal experience, the differences in making each kind of book, as well as ways to find the right genre for every project and how to craft a winning proposal or great cover letter to get a top agent and book editor to say yes. This valuable guide will teach both new and experienced scribes how to attain their dream of becoming a successful author.

Whiteness, Feminism and the Absurd in Contemporary British and US Poetry Jenna Clarke, 2025-02-28 In an era of political and social turmoil on both sides of the Atlantic, where issues of gender, race and class are linked with concerns of how to survive in a capitalist society, a new aesthetic of Absurdist poetry has emerged. This aesthetic has a troubled relationship to race, pervaded by issues of representation in avant-garde poetry, and notions of who poetry writers and readers are. Focusing on British and US poets including Rachael Allen, Emily Berry, Crispin Best, Caroline Bird, Franny Choi, Jennifer L. Knox, Morgan Parker and Jane Yeh, Jenna Clarke investigates how poets use the Absurd to destabilise ideas about race, gender and class and imagine social change. Bringing together Whiteness studies, socio-political theory, and close readings of poems, Clarke examines how the Absurd has developed, how its poets understand privilege and offer prospects of hope and change, and how the Absurd might move away from nihilism.

The Theatre of Regret David Gaertner,2020-11-15 The Canadian public largely understands reconciliation as the harmonization of Indigenous-settler relations for the benefit of the nation. But is this really happening? Reconciliation politics, as developed in South America and South Africa, work counter to retributive justice in order to redress the divide opened up between survivors and perpetrators as a result of historical violence. The Theatre of Regret asks whether, within the context of settler colonialism, this approach will ultimately favour the state over the needs and requirements of Indigenous peoples. Interweaving literature, art, and other creative media throughout his analysis, David Gaertner questions the state-centred frameworks of reconciliation by exploring the critical roles that Indigenous and allied authors, artists, and thinkers play in defining, challenging, and refusing settler regret. Through close examination of its core concepts – acknowledgement, apology, redress, and forgiveness – this study exposes the colonial ideology at the root of reconciliation in Canada.

Drive Here and Devastate Me Megan Falley,2018-09-26 Megan Falley's much-anticipated fourth collection of poetry shocks you with its honesty: whether through exacting wit or lush lyrical imagery. It is clear that the author is madly in love, not only with her partner for whom she writes both idiosyncratic and sultry poems for, but in love with language, in love with queerness, in love with the therapeutic process of bankrupting the politics of shame. These poems tackle gun violence, toxic masculinity, LGBTQ* struggles, suicidality, and the oppression of women's bodies, while maintaining a vivid wildness that the tongue aches to speak aloud. Known best for breathtaking last lines and truths that will bowl you over, Drive Here and Devastate Me will "relinquish you from the possibility of meeting who you could have been, and regretting who you became."

Lit-Rock Ryan Hibbett,2022-08-11 Just as soon as it had got rolling, rock music had a problem: it wanted to be art. A mere four years separate the Beatles as mere kiddie culture from the artful geniuses of Sergeant Pepper's, meaning the very same band who represents the mass-consumed, mindless music of adolescents simultaneously enjoys status as among the best that Western culture has to offer. The story of rock music, it turns out, is less that of a contagious popular form situated in opposition to high art, but, rather, a story of high and low in dialogue--messy and contentious, to be sure, but also mutually obligated to account for, if not appropriate, one another. The chapters in this book track the uses of literature, specifically, within this relation, helping to showcase collectively its fundamental role in the emergence of the pop omnivore.

Untitled in Grief Devita Bhatia,2025-02-05 Sometimes life doesn't break you-it shatters you, leaving pieces too jagged

to ever fit back together. For anyone who's ever felt like a stranger in their skin or too tired to pretend everything is okay. 'Untitled in Grief is your companion through the storm. This unapologetically raw collection of poems confronts loss, self-doubt, and emotional chaos head-on. It doesn't sugarcoat the messiness of life or offer easy answers. Instead, it holds space for the unspoken truths and quiet heartbreaks we carry. I am the scars that time can't heal, the pain I bury but still feel. These words, like so many in this book, cut deep into the parts of us we're often too afraid to face. Through every poem, 'Untitled in Grief speaks directly to those moments of vulnerability when you feel most alone, reminding you that it's okay to fall apart. This is not a boot bout finding closure or fixing yourself. It's about sitting with the chaos, embracing your humanity, and recognizing that there is strength in simply feeling. If you've ever needed a place to be broken, raw, and unapologetically real, this collection is here for you. Honest and unflinching, 'Untitled in Grief is a testament to the beauty of imperfection and a quiet reminder that even in the darkest moments, you are seen.

Girl, Stop Passing Out in Your Makeup Zara Barrie, 2020-05-19 "Self-help meets memoir. Party girl meets wise sage. Beauty meets reality. Zara Barrie is the cool older sister you wish you had. The one that lets you borrow her designer dresses and ripped up fishnets, buys you champagne (she loves you too much to let you drink beer), and colors your lips with bright pink lipstick. She'll take you to the coolest parties, and will stick by your side and she guides you through the glitter, pain, danger, laughter, and what it means to be a f*cked up girl in this f*cked up world (both of which are beautiful despite the darkness). Girl, Stop Passing Out in Your Makeup is for the girls that are too much of a beautiful contradiction to be contained. Zara is a gifted writer—one second she'll have you laughing over rich girls agonizing over which Birkin bag to buy, the next second she'll shatter your heart in one sentence about losing one's innocence. Zara is the nuanced girl she writes for—light, irreverent, snarky, bitchy, funny; and aching, perceptive, deep, flawed, wise, poised, honest—all at once. Perhaps the only thing that can match Zara's unparalleled wit and big sister advice is her candid humor and undeniable talent for the written word. Zara is one of the most prolific and entertaining honest voices on the internet—and her talent is only multiplied in book form. Girl, Stop Passing Out in Your Makeup is for the bad girls, honey."—Dayna Troisi, Executive Editor, GO Magazine "Reading Zara's writing will make you feel like you're at your cool-as-hell big sister's sleepover party. You will be transfixed by her unflinching honesty and words of wisdom, and she'll successfully convince you to not only ditch the shame you feel about the raw and messy parts of yourself, but to dare to see them as beautiful."—Alexia LaFata, Editor, New York Magazine "If Cat Marnell and F. Scott Fitzgerald had a literary baby it would be Zara Barrie. She's got Marnell's casual, dark, downright hilarious tone of an irreverent party girl. But then she also has Fitzgerald's talent for making words literally feel like they sparkle on the page. I've always been a fan of Zara's writing but Girl, Stop Passing Out in Your Makeup takes it to the next level. With shimmery words that make her dark stories sparkle, she seamlessly manages to inspire even the most coked-out girl at the party to get her shit together."—Candice Jalili, Senior Sex & Dating Writer, Elite Daily

I Fall to Pieces Glenn Cooper, 2018-07-02 Lana Del Rey was recently described by legendary rock critic Greil Marcus as the most interesting artist working today, with the possible exception of Bob Dylan. In this varied collection of poems, Cooper explores the many public (and private) personas of Lana Del Rey, as viewed through the unique prism of his own life.

Drag City Charlie Baylis, 2019-03-25 In *Drag City* Charlie Baylis takes you by the hand and then tries to hurt you. The poems' many heroines (Miley Cyrus, Lana Del Rey etc) delight in modernity's ever accelerating decay, proud at the absence of meaning in their lives, illuminated under neon night in chemical smiles and sugary sighs. Featuring artwork by Hiromi Suzuki, it is clear there is only one way out of Drag City, but as its inhabitants will tell you: though they are hell-bound, they can at least enjoy the ride.

Violet faz a ponte sobre a grama Lana Del Rey, 2025-03-31 O LIVRO DE POESIA DE LANA DEL REY AGORA NO BRASIL! Violet faz a ponte sobre a grama é o poema-título do livro e o primeiro poema que escrevi de muitos. Alguns deles vieram até mim na íntegra, eu os ditei e depois digitei, e outros que trabalhei laboriosamente separando cada palavra para fazer o poema perfeito para mim. Eles são ecléticos e honestos e não tentam ser outra coisa senão o que são, por isso estou orgulhosa deles, especialmente porque o espírito com que foram escritos era muito autêntico. — Lana Del Rey Este livro de poemas extraordinário e profundamente pessoal reafirma Del Rey como a escritora essencial de seu tempo (The Atlantic). A coleção reúne mais de 30 poemas, muitos deles exclusivos, fotografias originais da autora e textos manuscritos com caligrafia própria. O resultado é uma paisagem poética que evoca o espírito autêntico de sua criadora como nunca antes mostrado. Dolorosamente romântico – Vogue Uma meditação melancólica. . . Os poemas de Violet... exploram o estilo transparente e glamoroso característico de Lana. — Bustle As palavras dela funcionam ao seu redor, puxando você para um mundo que não é diferente de um filme de David Lynch. — Barnes & Noble
