I Give Up Laura Story, 2019-07-30 Most of us long to be in control—of our schedule, our relationships, and our future. Newlywed Laura Story thought she had control over the great life ahead of her. After all, she followed Jesus and had a promising new job as a worship leader. Why would God not want to fulfill her dreams? But when Laura and her husband, Martin, faced a brain tumor, infertility, and a son's birth defect, she realized she'd been looking for a happiness that comes from circumstances, rather than a deeper joy that comes from God. Again and again, Laura had to surrender her vision for her life so she could embrace God's vision. And again and again she learned that even in the midst of shattered dreams, God's plan brought greater joy than she could have imagined. Now the Grammy Award-winning singer-songwriter known for such hits as "Blessings," "Indescribable," and "Mighty to Save" shares her powerful story of finding blessing in her deepest pain. In, *I Give Up*, Laura explores: How to delight in God's gifts no matter your circumstances. Why waiting on God is a daily decision, not a step-by-step process. The strength we find from meditating on God's Word. Why surrendering to God leads to reconciliation with others. How the things we consider to be losses are ways for God to display his glory. As Laura writes, she no longer wants to be in control of her life. She wants to be rooted in the God who is in control. *I Give Up* will help you Discover a deeper life of worship, a fuller life of joy, and a freer life of true surrender as you open your hands to God. And give up.

Remember to Forget, Revised and Expanded Edition Ashley Royer, 2016-04-05 In *Remember to Forget* from Watty Award-winning author Ashley Royer, Levi has refused to speak since the tragic death of his girlfriend, Delia, and can't seem to come out of his depression and hindering self-doubt. Desperate to make some positive change in Levi's life, his mother sends him to live with his father in Maine. Though the idea of moving from Australia to America seems completely daunting, Levi passively accepts his fate, but once he lands faces personal struggles and self-doubt at the same time he and his dad battle through resentment and misunderstanding. And then, while at therapy, Levi meets Delilah, a girl who eerily reminds him of someone he lost.

Connect to Your Inner Guide Srimanju Katragadda,2016-11-01 Each of us has a story and each story has a start, middle, and end. We know how we arrive in this world and how we are to leave it, but it is the middle segment which varies for each one of us and truly defines our lives. But in our busy routine-driven days, it has become impossible to pay attention to ourselves and our mind. We tend to simply absorb everyone else's thoughts and beliefs and make them our own. This often leads to a state of utter discontentment and we wonder why, despite having everything we need, we feel the urge to run away. Connect to Your Inner Guide outlines a step-by-step inside-out approach in establishing communication with our inner guide, seeking its advice, and following its guidance. In developing a relationship with our inner guide, we arrive at a sense of belonging that infuses us with the unlimited wisdom, creative vision, and self-confidence that we require to achieve our dreams and the ultimate mission in life. In this book, the author shares the seven sutras for the journey of awakening that she personally experienced. She offers practices and perspectives that you can use, starting right now, to live a life of purpose, fulfillment, and joy. The book is designed to be used flexibly, with chapters that you can choose to read individually or continuously through to the end. It is intended to fit into your fast-paced life and promises to bring about a positive change. This book is for anyone looking for some faith, hope, and reassurance.
