Love Letters of Great Men Ursula Doyle, 2024-07-02 Romantic writings from Beethoven, Byron, and many others—a collection inspired by the fictional book of letters seen in the movie *Sex and the City*. *Love Letters of Great Men* presents powerful declarations of love drawn from the private papers of history's greatest minds. For some, love is a delicious poison (William Congreve); for others, a nice soft wife on a sofa with good fire, & books & music (Charles Darwin). Love can scorch like the heat of the sun (Henry VIII), or penetrate the depths of one's heart like a cooling rain (Flaubert). Every shade of love is here, from the exquisite eloquence of Oscar Wilde and the simple devotion of Robert Browning, to the wonderfully modern misery of the Roman Pliny the Younger, losing himself in work to forget how much he misses his beloved wife, Calpurnia. In an age of texted i luv us, this timeless collection reminds us that nothing can compare to the simple joy of sitting down to read a letter from the one you love.

In an age of cellphones, texts, and twitters, this timeless and unique collection reminds us that none of our new modes of communication can compare to the simple joy of sitting down to read a letter from the person they love most, making this a keepsake both men and women everywhere will want to give and receive.

The Love Letters of Great Men - The Most Comprehensive Collection Available Prince Albert, Napoleon Bonaparte, D. H. Lawrence, 2011-03 Letters are among the most significant memorial a person can leave behind them said Johann Wolfgang von Goethe. This English Rose book is the most comprehensive collection of love letters available, containing a huge selection of some of the all time greatest love letters ever written. You will find in here all of the classics - Napoleon Bonaparte, Lord Byron, John Keats, Henry VIII, Ludwig van Beethoven etc. - but you will also find some treasures, little known and rarely published love letters, such as those of Prince Albert, D. H. Lawrence, Sigmund Freud, Horatio Lord Nelson and Abraham Lincoln. Whatever the tone, the context or style of the writing here displayed, what is true is that these letters are genuinely captivating. Throughout history, great men have written noble tomes. Their love letters are no exception. We can find in these correspondences some of the most delectable personal effusions ever written, the most incredible demonstrations of devotion and affection - not fictional, but real, impassioned, painful and heart-wrenching. Our interest in reading these letters, is partly in their magnificent language, their eloquent expressions of love, their romantic effluence, but also, it is in their demonstrations of the universal human vulnerability in love. Love letters infectiously render past lives into our modern reality, immersing the reader in the author's home, habits, enjoyments and romances. These men come to life through their personal letters, more so than anywhere else. They show us the human side of men who stand as giants in history, whose actions and legacies have helped to shape the world as we know it. In their moment of separation, without the crowd, without the nobility or the just cause, here, in their most vulnerable, exposed state, we see the person behind the celebrity. With these letters we have the unique ability to spy on the personal lives of men considered 'great'. Their humanity, so lacking in the history books, is all we are privy to here. There is no great action, no battle won, no literary accomplishment, only deep personal feeling and romantic expression. This English Rose book is a high quality, well formatted, stunning hardback edition. English Rose love books and think that every one is special, so our editions will always be distinctive, professional and unique. How do I tell her how I feel? Perhaps, I need to show her...' The pretty little streets of Montmartre are abuzz with a rumour. Apparently a mystery matchmaker, known only as 'Paris Cupid', has somehow helped the city's most famous bachelor find love. But old-fashioned romantic Lilou is staying very quiet. She'd just wanted to set up her best friend, and to get on with her life selling whimsical old love letters, in Paris's famous St. Ouen market. She hadn't imagined her little Paris Cupid project could ever have attracted so many people looking for true, heartfelt romance. Though the truth is that Lilou adores helping people find the right person. Even if her own love life is nothing short of disastrous. But then a message arrives. And it's just for her. Someone is in love with her. Someone who knows her secret. But they're keeping their own identity secret too... Could it be from cheerful, talkative, flame-haired Felix? Or quiet, beautifully handsome Benoit? Or even Pascale - who drives Lilou mad every day?
