Oxígeno Lucas Leys,2023-07-19 Si hay una disciplina espiritual que nuestros pulmones emocionales necesitan con desesperación es la adoración genuina y por eso incluso aquellos que dicen no creer en Dios intentan practicarla sin saberlo. La adoración genuina tiene muy poco que ver con las certezas y el canto y mucho más que ver con el misterio y el silencio de lo que sospechamos. La práctica de la adoración bíblica es esquiva para la gran mayoría de los cristianos contemporáneos ya que la iglesia de las últimas décadas la ha reducido y desdibujado creando una simbiosis artificial de la adoración con el canto y las expresiones musicales y por eso este libro explora con agudeza cómo recuperar el peso, la profundidad y el rol de la adoración como el estilo de vida que necesitamos los cristianos.

Abraham (Ancient-Future Bible Study) Stephen J. Binz, 2011-01-01 Ancient-Future Bible Study incorporates contemporary study of the Bible with an experience of the church's most ancient way of reading Scripture, lectio divina. This time-honored practice consists of five basic movements: biblical study (lectio), reflection (meditatio), prayer (oratio), discernment (contemplatio), and contemplative action (operatio). In six clearly written volumes, bestselling author Stephen Binz helps readers study the Bible in a way that leads to spiritual transformation and brings them closer to God. Binz leads readers in a vivid study of key biblical characters, including Abraham, Paul, Peter, David, the women of the Torah, and the women of the Gospels. He shows all Christians who desire to have a transforming experience with the inspired Word of God how studying Scripture through lectio divina can enrich their discipleship. This ecumenical Bible study, designed for use by individuals or groups, includes questions for personal reflection and suggested action. Each volume includes leader's notes for guiding a study over the course of six sessions.

Abraham - the Father of Faith Domenico Barbera,2019-03-29 Speaking of Abraham, it is not the simple tale of a character of antiquity, who was famous Abraham that the Bible presents as the father of a people, that is the Jews. Because if this is true, in that it cannot be disputed, according to what the Bible says, it is also true that Abraham is not only the acknowledged father of the Jews, but it is also the father of faith, as the New Testament recognizes it as such. The purpose of our intervention, is not only to talk about this, but mainly highlight the characteristics that Abraham had that from the point of view of faith, made him famous, not only among the Jews, but also in the midst of Christianity. In fact, when Christianity speaks of Abraham and holds him up for example of faith, it does so primarily on the basis of the characteristics that showed in believing in God and in having faith in Him, in all that which God said and the promises the he promised. These are the essential elements of antiquity proved that this man in his time, which made him famous in this area of life, Christianity, do not hesitate to call the Christian character, supported especially by the testimony that the same Jesus He made when talking about him, and pointed for example model to the religious Jews who constantly challenged.
