Reflections with Lessons Ric Grubaugh, 2025-05-05 This book, *Reflections with Lessons: A Journey through Grief*, could be described as two books in one. One part depicts how a person moves through his life and either grows or regresses in his attempt to find his way forward. The author reflects on many events that occur in his life as he moved from a child to a teenager, to an adult, and now to a senior citizen. In his reflections of these events, he tries to draw a lesson, what did he learn, how did it shape his future, and was it correct, or should he have used the reflection to draw a completely different lesson that would have served him better? It is hoped that these reflections and lessons are meaningful and are written concisely and occasionally with a bit of humor, sometimes third-grade humor. The other half of the book does not reflect on a child playing baseball or a teenager trying to date the cheerleader or a young child lying to his mom. No, these tell of finding and losing the one. The one person who made sense of the time between the finding and the losing. This book will not find world peace or cure cancer or help you decide between Diet Pepsi or Diet Coke, but it is hoped that upon completion, the reader chooses to attack the grief and not let grief or the other bears and wolves of life win. Bang on!

LIKE A VAMPIRE AT A SALAD BAR Jas McKnight, 2011-04-19 A lighthearted collection of stories stemming from a life on Earth spanning two centuries. Residue from rubbing shoulders with luminaries and peons alike. Eulogies, essays, songs, poems, and even a very fine recipe for corn casserole stolen directly from the kitchen of our good friend, Evelyn Dick. A shamelessly self-promoting tome of epic proportions, considering my normal conveyance - a lousy two-page letter sent at Christmas time every year, without fail. PLEASE BUY THIS BOOK! We need to buy a beamer before the brother-in-law gets one. Yeah, that's shallow, but hey, isn't that CAPITALISM at its best!

Textual Analysis Made Easy C. Brian Taylor,2016-10-04 In this new book, you'll learn how to teach evidence-based writing using a variety of tools, activities, and sample literary texts. Showing elementary and middle school students how to think critically about what they're reading can be a challenge, but author C. Brian Taylor makes it easy by presenting twelve critical thinking tools along with step-by-step instructions for implementing each one effectively in the classroom. You'll learn how to: Design units and lesson plans that gradually introduce your students to more complex levels of textual analysis; Encourage students to dig deeper by using the 12 Tools for Critical Thinking; Help students identify context and analyze quotes with the Evidence Finder graphic organizer; Use the Secret Recipe strategy to construct persuasive evidence-based responses that analyze a text's content or technique; Create Cue Cards to teach students how to recognize and define common literary devices. The book also offers a series of extra examples using mentor texts, so you can clearly see how the strategies in this book can be applied to excerpts from popular, canonical, and semi-historical literature. Additionally, a number of the tools and templates in the book are available as free eResources from our website (<http://www.routledge.com/9781138950658>), so you can start using them immediately in your classroom.

The Snow Angel Glenn Beck,Nicole Baart,2011-10-25 The woman in the picture was so young she looked like a child. Her hair was loose, eyes wide, blue T-shirt stark against the pale lines of arching collarbones. I felt the air leave me in a quiet rush. Not because of the way the photo captured her fleeting youth, but because of the way it highlighted the bruise. It was a photo of me. Rachel Price has just one happy memory from her childhood: the moment her father took her hands while playing outside on a cold, snowy day and called her his angel. It was a rare and sacred moment in her young life, one in which she finally felt safe, loved, and protected. But it didn't last long. Years later, Rachel's daughter is the only light in what has become a dark life. Rachel repeats the patterns she learned as a child and exposes her own daughter to those same destructive behaviors. Consumed by an abusive marriage, but secure in the safety of the familiar, she is too afraid to escape. Rachel accepts what her life has become, even as she makes excuses for those who keep her in a constant state of despair

and regret. But then, an unexpected phone call from an old friend changes everything. Her ordered world is turned upside down as she's set on a journey that might be her last chance to salvage the life she'd given up on long ago. While new friendships tentatively blossom, Rachel realizes that everything she once believed may be nothing but lies and misunderstandings. But knowing the truth is not as easy as it seems. Sometimes ignorance truly is bliss. As the snow falls and the promise of Christmas redemption nears, Rachel begins to see her entire childhood in a brand-new light and must now decide what her future holds—and what her past really means. Will knowing the truth set her free, or will it condemn her to a life full of regret and “what ifs”? The Snow Angel is a poignant tale about family, forgiveness, and the freedom to live a future free of the past.
