

# Medusa And The Blind Woman

## Robert Chambers

**A Blind Woman's Love** Courtney Jade Probus,2021-01-08 When an innocent, quirky woman meets the Greed serpent Medusa, what will happen? As the history books have told, one glance at her victim will turn them to stone. Medusa catches the blind woman's gaze, but she does not turn into a statue as any other human would. You'll come to see the strange spark between the blind woman and Medusa come to life as you flip each page.

Medusa's Children Bob Shaw,2011-09-29 What unfathomed secrets lay sleeping in this eerie world of water? The Clan knew almost nothing about the giant sphere of water they inhabited, and even less about the sun and planets nearby in space. Living amidst a cluster of nets anchored to the roots of a giant plant, they were aware only of their unending quest for precious air bubbles; and of the unending threat from the ever-hungry Hora. Those who fell victim to the beasts' voracious tentacles were left to sink slowly to the depths, where an awesome and unknown being awaited them. He was the greatest mystery of Clan existence - until that is, the world began to change, until the current began to draw the city down to the realms of Ka.

*A Web of Fantasies* Patricia B. Salzman-Mitchell,2005 Drawing on recent scholarship in art, film, literary theory, and gender studies, *A Web of Fantasies* examines the complexities, symbolism, and interactions between gaze and image in Ovid's *Metamorphoses* and forms a gender-sensitive perspective. It is a feminist study of Ovid's epic, which includes many stories about change, in which discussions of viewers, viewing, and imagery strive to illuminate Ovid's constructions of male and female. Patricia Salzman-Mitchell discusses the text from the perspective of three types of gazes: of characters looking, of the poet who narrates visually charged stories, and of the reader who sees the woven images in the text. Arguing against certain theorists who deny the possibility of any feminine vision in a male-authored poem, the author maintains that the female point of view can be released through the traditional feminine occupation of weaving, featuring the woven images of Arachne (involved in a weaving contest in which she tried to best the goddess Athena, who turned her into a spider) and Philomela (who had her tongue cut out, so had to weave a tapestry depicting her rape and mutilation). The book observes that while feminist models of the gaze can create productive readings of the poem, these models are too limited and reductive for such a protean and complex text as *Metamorphoses*. This work brings forth the pervasive importance of the act of looking in the poem which will affect future readings of Ovid's epic.--BOOK JACKET.

The Oxford Handbook of Monsters in Classical Myth Debbie Felton, 2024-10-10 The Oxford Handbook of Monsters in Classical Myth presents forty chapters about the unique and terrifying creatures from myths of the long-ago Near East and Mediterranean world, featuring authoritative contributions by many of the top international experts on ancient monsters and the monstrous. The first part provides original studies of individual monsters such as the Chimaera, Cerberus, the Hydra, and the Minotaur, and of monster groups such as dragons, centaurs, sirens, and Cyclopes. This section also explores their encounters with the major heroes of classical myth, including Perseus, Jason, Heracles, and Odysseus. The second part examines monsters of ancient folklore and ethnography, encompassing the restless dead, blood-drinking lamiae, exotic hybrid animals, the so-called dog-headed men, and many other unexpected creatures and peoples. The third part covers various interpretations of these creatures from multiple perspectives, including psychoanalysis, colonialism, and disability studies, with monster theory itself evident across the entire volume. The final part discusses reception of these ancient monsters across time and space--from the Middle Ages to the Renaissance to modern times, from Persia to Scandinavia, the Caribbean, and Latin America--and concludes with chapters considering the use and adaptation of ancient monsters in children's literature, science fiction, fantasy, and modern scientific disciplines. This Handbook is the first large-scale, inclusive guide to monsters in antiquity, their places in literature and art across the millennia, and their influence on later literature and thought.

**Gendered Dynamics in Latin Love Poetry** Ronnie Ancona, Ellen Greene, 2005-11-18 In recent decades, Latin love poetry has become a significant site for feminist and other literary critics studying conceptions of gender and sexuality in ancient Roman culture. This new volume, the first to focus specifically on gender dynamics in Latin love poetry, moves beyond the polarized critical positions that argue that this poetry either confirms traditional gender roles or subverts them. Rather, the essays in the collection explore the ways in which Latin erotic texts can have both effects, shifting power back and forth between male and female. If there is one conclusion that emerges, it is that the dynamics of gender in Latin amatory poetry do not map in any single way onto the cultural and historical norms of Roman society. In fact, as several essays show, there is a dialectical relationship between this poetry and Roman cultural practices. By complicating the views of gender dynamics in Latin love poetry, this exciting new scholarship will stimulate further debates in classical studies and literary criticism with its fresh perspectives.

#10 Shades of Gray: Woe To The Watcher Kristie Lynn Higgins, 2014-09-28 The Shades Of Gray Series follows the adventures of Kat, a woman with no memory of her past who is called the Pandora Project by those who hunt her, and Kim, a woman leading the life of a legal assassin called a Life Closer. The world they live in is plagued by clouds that prevent the sun from shining down on the land called Dry Clouds, making all who live in Noir forced to live in endless night. Start this series for Free by reading #1 Shades of Gray: Noir, City Shrouded By Darkness and then read #2 Shades of Gray: From

Moscow, With Love also for Free. Kat searches for clues to her past while androids called Un-Men and human bounty hunters try to kill her, and Kim searches for who murdered her mother. The two women's paths collide, and they form a shaky partnership to unravel the mysteries that haunt their lives and they try to protect one another from those who do not wish for them to discover the truth. Everyone's soul is marked by a color. Which shade of gray will they hold to? #10 Shades of Gray: Woe To The Watcher: The Gorgons move in on their target as Argus faces a life or death situation. \*\*Shades of Gray Series\*\* (STARTING POINT QUADRILOGY) #1 Shades of Gray: Noir, City Shrouded By Darkness FREE #2 Shades of Gray: From Moscow, With Love FREE #3 Shades of Gray: Cerberus Versus Pandora #4 Shades of Gray: Sisters (ZOMBIE TWILIGHT QUADRILOGY) #5 Shades of Gray: Night Of The Twilight- The Chimera Strain #6 Shades of Gray: Dawn Of The Twilight- Outbreak #7 Shades of Gray: Day Of The Twilight- Patient Zero #8 Shades of Gray: Land Of The Twilight- Closing of Days (MYTHS AND DESPAIR QUADRILOGY) #9 Shades of Gray: Rise of the Gorgons #10 Shades of Gray: Woe To The Watcher #11 Shades of Gray: Woe To The One Who Has Held His Heart's Tongue #12 Shades of Gray: Woe To The One Who Thought They Could Only Hurt
