Practical Magic Alice Hoffman, 2003-08-05 *25th Anniversary Edition*—with an Introduction by the Author! The Owens sisters confront the challenges of life and love in this bewitching novel from the New York Times bestselling author of *The Rules of Magic*, *Magic Lessons*, and *The Book of Magic*. For more than two hundred years, the Owens women have been blamed for everything that has gone wrong in their Massachusetts town. Gillian and Sally have endured that fate as well: as children, the sisters were forever outsiders, taunted, talked about, pointed at. Their elderly aunts almost seemed to encourage the whispers of witchery, with their musty house and their exotic concoctions and their crowd of black cats. But all Gillian and Sally wanted was to escape. One will do so by marrying, the other by running away. But the bonds they share will bring them back—almost as if by magic... “Splendid...Practical Magic is one of [Hoffman's] best novels, showing on every page her gift for touching ordinary life as if with a wand, to reveal how extraordinary life really is.”—Newsweek “[A] delicious fantasy of witchcraft and love in a world where gardens smell of lemon verbena and happy endings are possible.”—Cosmopolitan

The Rules of Magic Alice Hoffman, 2017-10-10 The prequel to Alice Hoffman's *Practical Magic*, following the lives of Franny and Jet Owens (and their brother Vincent Owens) long before Sally and Gillian wound up on their doorstep--

Magic Lessons Alice Hoffman, 2020-10-06 In this “bewitching” (The New York Times Book Review) novel that traces a centuries-old curse to its source, beloved author Alice Hoffman unveils the story of Maria Owens, accused of witchcraft in Salem, and matriarch of a line of the amazing Owens women and men featured in *Practical Magic* and *The Rules of Magic*. Where does the story of the Owens bloodline begin? With Maria Owens, in the 1600s, when she’s abandoned in a snowy field in rural England as a baby. Under the care of Hannah Owens, Maria learns about the “Nameless Arts.” Hannah recognizes that Maria has a gift and she teaches the girl all she knows. It is here that she learns her first important lesson: Always love someone who will love you back. When Maria is abandoned by the man who has declared his love for her, she follows him to Salem, Massachusetts. Here she invokes the curse that will haunt her family. And it’s here that she learns the rules of magic and the lesson that she will carry with her for the rest of her life. Love is the only thing that matters. *Magic Lessons* is a “heartbreaking and heart-healing” (BookPage) celebration of life and love and a showcase of Alice Hoffman’s masterful storytelling.

The Book of Magic (Practical Magic 2) Alice Hoffman, 2021-10-12 Master storyteller Alice Hoffman brings us the conclusion of the Practical Magic series in a spellbinding and enchanting final Owens novel brimming with lyric beauty and vivid characters. The Owens family has been cursed in matters of love for over three-hundred years but all of that is about to change. The novel begins in a library, the best place for a story to be conjured, when beloved aunt Jet Owens hears the deathwatch beetle and knows she has only seven days to live. Jet is not the only one in danger—the curse is already at work. A frantic attempt to save a young man's life spurs three generations of the Owens women, and one long-lost brother, to use their unusual gifts to break the curse as they travel from Paris to London to the English countryside where their ancestor Maria Owens first practiced the Unnamed Art. The younger generation discovers secrets that have been hidden from them in matters of both magic and love by Sally, their fiercely protective mother. As Kylie Owens uncovers the truth about who she is and what her own dark powers are, her aunt Franny comes to understand that she is ready to sacrifice everything for her family, and Sally Owens realizes that she is willing to give up everything for love. The Book of Magic is a breathtaking conclusion that celebrates mothers and daughters, sisters and brothers, and anyone who has ever been in love.

Esoteric Medicine and Practical Magic Samael Aun Weor, 2020-07-22 In ancient times, only the wisest were trusted with medical knowledge, for it bears power over life and death. The remedies and methods of those seers may have been abandoned by modern civilization, but they have been preserved, and retain their power. Throughout all of our most sacred traditions, it is known that Nature is the source for all genuine medicine. The teachings of Hippocrates, Paracelsus, Galen, Tibetan tantras, and others all agree that a properly prepared individual can use Nature to cure any illness. Samael Aun Weor lived in close contact with the mysterious natives of the Sierra Nevada of South America, who have been in self-imposed isolation from the rest of the world for hundreds of years. The priests and doctors of that region taught him and his wife Litelantes their system of training and many of their healing methods, revealed here to the public for the first time. Perhaps most astonishing is that the philosophy and spiritual concepts are fundamentally the same as the ancient knowledge of the Greeks, Tibetans, Hindus, and others. This collection of hundreds of techniques and practices will guide you to awaken consciousness, perform healing for yourself and others, and return to the core medical knowledge of the ages. "Do not undervalue these remedies because of the modest way in which they are presented or because of their simplicity. The author has tested in various cases all of the formulae and works of practical magic contained in this book. "Remember that this is not a game for children, but a work for mature individuals. I, Samael Aun Weor, give testimony of my work."
