

Que Es La Literatura Resumen

British Library

Las historias literarias españolas Fermín de los Reyes Gómez, 2010 Este libro reúne y describe casi dos mil trescientas ediciones de historias de la literatura española, antologías y preceptivas literarias, con localización de ejemplares, desde los Orígenes de la poesía castellana, de Luis José Velázquez, en 1754, texto fundacional de la historiografía literaria española, hasta 1936. Sus objetivos son aportar las fuentes necesarias para el conocimiento de la historia literaria española e hispanoamericana, y así comprobar el proceso de fijación de los modelos literarios.

Pierre Bourdieu in Hispanic Literature and Culture Ignacio M. Sánchez Prado, 2018-03-08 Pierre Bourdieu in Hispanic Literature and Culture is a collective reflection on the value of French sociologist Pierre Bourdieu's work for the study of Spanish and Latin American literature and culture. The authors deploy Bourdieu's concepts in the study of Modernismo, avant-garde Mexico, contemporary Puerto Rican literature, Hispanism, Latin American cultural production, and more. Each essay is also a contribution to the study of the politics and economics of culture in Spain and Latin America. The book, as a whole, is in dialogue with recent methodological and theoretical interventions in cultural sociology and Latin American and Iberian studies.
