

Rescue Lauren Daigle Lyrics

Amanda J. Voeltz

HAL...lelujah Jane Brown, 2025-05-19 God's plan is not always our plan. I knew in 1997 the Lord laid it on my heart to write a book, but it was not until the pain of losing my first born that led me to finally surrender and begin this journey. Looking back at my journals it became clear in my mind that all this work that had been in a box for so many years was meant to come full circle. The gut wrenching, stab me in the heart pain prompted me to write and begin to heal. Years back I was to write a book, but it was not until the tragic death of my son, Hal, that it became crystal clear to me that it would be a story of a mother's love, loss, and my faith through it all.

Charging My Storm Amanda J. Voeltz, 2025-10-01 Charging My Storm: Running Through the Pain of Childhood Abuse is a courageous and heartfelt memoir that tells the story of Amanda J. In this powerful narrative, she opens up about the trauma of childhood abuse and the profound impact it had on her life, while illustrating how God's unconditional love and grace helped her navigate through the darkest times. With raw honesty and vulnerability, the author takes readers on a transformative path, showing that even during heartache, pain and adversity, it's possible to find strength, hope, and peace through a deep connection with God. Through personal reflections, spiritual insight, music, and a message of resilience, this memoir inspires readers to face challenges head on, with faith and courage, offering a beacon of light for those in need of healing. This book is a testament to the power of perseverance, faith, and the power of God within us to rise above even the most difficult circumstances.

Brave in the Broken Katerina Karaindrou, 2021-05-06 When fourteen-year-old Katerina Karaindrou was diagnosed with a rare and malignant form of bone cancer in January of 2018, she felt broken, trapped in fear and pain. Through a conversation with her doctor before starting chemotherapy, she embarked on a journey to discover how she could be brave in the midst of despair. Little did she know, the answer was hidden in her story. In *Brave in the Broken*, Katerina narrates her story of fighting cancer at fourteen and finding healing, purpose, and peace along the way. She tells a story of agonizing pain and suffering, yet one full of hope and meaning. She chronicles how walking on a path of faith and gratitude helped her defy the impossible and fight. *Brave in the Broken* follows Katerina's journey as she finds the powerfully impactful miracles that she experienced during the suffering. She discovers how she can overcome despair through the choice to stay brave in the face of fear and affliction.

Chasing Sunbeams Shaya Grace,2020-01-29 This is a story of survival, hope and spiritual awakening throughout a desperate life-long struggle to answer the poignant question of, Who Am I? It's journey evolves through the story of an everlasting relationship between Shaya and Sarah and becomes an intimate walk through various Dissociative states of mind revealing horrifying repressed memories. Miraculously, personal accounts of near-death experiences and spiritual intervention teach about relationships beyond what's physically visible and illustrate how it's Jesus's Tender Love that ultimately 'Sets Us Free'.

From the Other Side of the Bed Frank Mitchell,2022-08-03 For the first time in my life, I had to fight for it. COVID attacked me, my family, and the world. Being a trauma nurse in the emergency department, I often find myself (as do all of my coworkers) meeting people on the worst day of their lives. Now for the first time, I started meeting people during the worst time of mine. This book is written to illustrate how we should be able to fight the devastating effects of this virus together. There is an army that is available to everyone, and every single person can become part of the army that everyone needs in their life. We can focus this army to support one another, or to tear us apart because someone thinks differently than we do. This is an age-old problem that continues to face us today, something I call self-righteous indignation. It continues to tear apart our friends, families, and even countries. We need each other's strengths, not each other's opinions. There is a person in that medical bed—someone with family, friends, and a health care team. They need us. They need support. But so do those who are on the outside looking in. I hope this book offers a glimpse into what it was like to be a caregiver who found himself changing from bedside care to needing care from the other side of the bed and to see how that need extended into my family and friends.

DEEP WATERS Rachel Hayden,2023-11-23 When Christy Farhar finally made it to Africa and met children who had been rescued from slavery on Lake Volta in Ghana, she knew she would never be the same. After a miraculous encounter with one special little boy on the shore of the lake, it seemed clear that Christy was to bring him out of his life of child labor and adopt him into her family. However, when the unexpected occurred, it became apparent that a different kind of rescue would be needed. Deep Waters is the story of how one woman's call to Africa birthed the Micah 6:8 Project to combat the cycle of poverty halfway across the world. It is also the story of how unspeakable tragedy gave rise to the founding of Jacob's Wells and how grief transformed the focus of a ministry. Within these pages, we are invited to follow God into the unknown and experience the amazing events that can happen when a surrendered life collides with a God who is always on the move. "You hold more than a book in your hands. Within this story, there is an occasion to bear witness to a God who moves relentlessly through ordinary people. Discover in these pages, as I did, that He intends to rescue and free the most vulnerable, often through unusual and surprising means. The shores of Heaven will ripple with the miracles logged in this unbelievable story." Lauren Alexander - Pastor, Speaker, Foster Care Advocate

Miracles on a Rooftop Mark Dean, 2024-02-16 Welcome to the exciting and awe-inspiring world of “Miracles on a Rooftop.” In this riveting memoir, I take you on a remarkable journey through my personal experiences in the wild city of Ramadi, Iraq while fighting in combat as a US Marine, and I take you on a journey through the homeless, addicted, and lonely streetlife I unfortunately lived, after succumbing to my PTSD from combat, self-medicating with drugs while trying to escape the hell in my head. Lost, addicted, and hopeless, I was finally able to cry out to God, and surrender my life completely, finding life, peace, redemption, and restoration, when I thought my life was over for good. Packed with gripping tales of survival, faith, and the extraordinary power of miracles, this book offers a unique perspective on the human spirit and the divine intervention that can shape our lives. We are introduced to a world where danger lurks at every corner, and where the most ordinary moments can transform into extraordinary acts of courage and resilience. From my encounters with a notorious sniper to the harrowing moments during mortar attacks, every page is filled with heart-pounding excitement and heartwarming faith. But “Miracles on a Rooftop” is not just a tale of combat and chaos. It is also a story of love, family, and the unwavering bond that sustains us through the darkest of times. I pay tribute to the individuals who played a pivotal role in my life, from my son, Aiden, to my parents, siblings, and the Marines of 3rd Battalion, 7th Marines. Their support and belief in me serve as a testament to the power of love and strength of unity. This book is an invitation to witness the incredible resilience of the human spirit in the face of adversity. It shows us that miracles can happen even on the most desolate rooftops, and that faith and determination can guide us through the darkest valleys. The words of this book remind us of the importance of seeking God’s presence in our lives and embracing the miracles that surround us each day. So, fasten your seatbelts and prepare for a rollercoaster ride through the highs and lows of war, as well as the transcendent power of faith. “Miracles on a Rooftop” will leave you inspired, moved, and above all, grateful for the miracles that exist in our world. Let the journey begin!
