The Art of Scandal Regina Black, 2023-08-01 A “wildly steamy, utterly heartwarming” debut filled with romance, artistic ambitions, political scandal, and finding love where you least expect it (Tia Williams). Publishers Weekly Best Romance Book of 2023 · Chicago Public Library Best Romance of 2023 · A Sarah’s BookShelves Best Debut of 2023 Love would be so much easier if it were perfect... On the night of her husband Matt’s fortieth birthday, Rachel Abbott receives a sexy, explicit text from her husband that she quickly realizes was meant for another woman. Divorce is inevitable, and Rachel is determined not to leave her thirteen-year marriage empty handed. Meanwhile, Matt, a rising star mayor with his eye on the White House, can’t afford a messy split in the middle of his reelection campaign. They strike a deal: Rachel gets one million dollars and their lavish house in the wealthy DC suburb of Oasis Springs, as long as she keeps playing the ideal Black trophy wife until the election. Then Rachel meets Nathan Vasquez, a very handsome, very lost twenty-six-year-old artist, and their connection makes Rachel forget about being the perfect politician’s wife. As Rachel reawakens Nathan’s long-dormant artistic aspirations, their attraction becomes impossible to resist. But secrets are hard to keep in a town like Oasis Springs, and Nathan has a few of his own. With the risk of scandal looming and their hearts on the line, they’ll have to decide whether the possibility of losing everything is worth taking a chance on love. *The Art of Scandal* is a sizzling, conversation-starting debut about rekindling passion, the transformative power of art, and finding love in unexpected places. Includes a Reading Group Guide.

Sunshine and Spice Aurora Palit, 2024-09-10 When two complete opposites agree to fake date in order to solve their cultural dilemmas, they find the only force more powerful than an immigrant mother’s matchmaking schemes might just be true love. Naomi Kelly will do anything to make her new brand consulting business a success. When she lands a career saving contract to rebrand the Mukherjee family’s failing local bazaar, she knows there can be no mistakes. But as the “oops” baby of a free-spirited Bengali mother, Naomi’s lack of connection to her roots represents everything Gia Mukherjee disdains. Enter, Dev Mukherjee. Dev knows everything his mother wants...including her wish for him to get married, like, yesterday. When Gia hires a matchmaker (without, you know, asking him), Dev vows to do whatever it takes to avoid ending up in a cold, loveless marriage. When a potential match assumes Naomi is his girlfriend, the solution to both their problems becomes clear: Naomi will pretend to date Dev in order to sabotage his mother’s matchmaking efforts in exchange for lessons in

Bengali culture. Flawless plan, right? But as Naomi and Dev bond over awful dancing at Garba, couples cooking classes, and tackling the rebrand as a team, they start to realize while their relationship may be fake, their feelings for each other are starting to become very real. As the line between reality and rumor blurs, Naomi and Dev must confront what it means to fit the mold, and decide how much they're willing to risk for love.

When I Think of You Myah Ariel, 2024-04-16 In this sweeping second chance romance from debut author Myah Ariel, the unexpected spark of two former flames may force them to choose between their dreams and each other. Kaliya Wilson has paid her dues. But all the years behind the reception desk at a flashy film studio have only pushed her movie-making dreams further out of reach. That is, until a surprise reunion presents an opportunity that could make her career, or break her heart...a second time. It's been seven years since Kaliya's whirlwind college romance with Danny Prescott went up in flames. While her passions have stalled, his career is taking off. So when the hot shot director reappears to offer her a job on his next production, it's a shock to the system. Working with Danny may recapture the intensity of their film school days, but trusting him again won't come as easily. As the pair allows themselves the openness and vulnerability to entrust their deepest truths to each other, the possibility of a true connection draws ever closer. But when Hollywood politics and scandal threaten to sink the production and her career, Kaliya may have to risk everything to do what's right—even if it means letting go of the second chance love of a lifetime.

The Kiss Countdown Etta Easton, 2024-04-09 A struggling event planner and a sinfully hot astronaut must decide if their fake relationship is worth a shot at happily-ever-after, in this starry debut. Risk-averse event planner Amerie Price is jobless, newly single, and about to lose her apartment. With no choice but to gamble on her shaky start-up, the last thing she needed was to run into her smug ex and his new, less complicated girlfriend at Amerie's favorite coffee shop. Panicked, she pretends to be dating the annoyingly sexy man she met by spilling Americano all over his abs. He plays along—for a price. Half the single men in Houston claim to be astronauts, but Vincent Rogers turns out to be the real deal. What started as a one-off lie morphs into a plan: for the three months leading up to his mission, Amerie will play Vincent's doting partner in front of his loving but overly invested family. In exchange, she gets a rent-free room in his house and can put every penny toward her struggling business. What Amerie doesn't plan for is Vincent's gravitational pull. While her mind tells her a future with this astronaut is too unpredictable, her heart says he's exactly what she needs. As their time together counts down, Amerie must decide if she'll settle for the safe life—or shoot for the stars.

Thank You for Sharing Rachel Runya Katz, 2023-09-12 Our new favorite trope: Childhood friends. To enemies. To lovers. In a chemistry-filled debut romance. Daniel Rosenberg and Liyah Cohen-Jackson's last conversation—fourteen years ago at summer camp—ended their friendship. Until they find themselves seated next to each other on a plane, and bitterly pick up right where they left off. At least they can go their separate ways again after landing... That is, until Daniel's marketing firm

gets hired by the Chicago museum where Liyah works as a junior curator, and they're forced to collaborate with potential career changing promotions on the line. With every meeting and post-work social gathering with colleagues, the tension (and chemistry) between Daniel and Liyah builds until they're forced to confront why they broke apart years ago at camp. But as they find comfort in their shared experiences as Jews of color and fumble towards friendship, can they ignore their growing feelings for each other? With sexy charm and undeniable wit, Rachel Runya Katz's sparkling debut, *Thank You For Sharing*, proves that if you're open to love, anything is possible. [An] excellent, multilayered look at the experiences of Jews of color in this deftly woven story...Katz successfully portrays how romance meets real life in this terrific debut. - *Library Journal* (starred review) Rachel Runya Katz's *Thank You for Sharing* is a magical love story. This is a poignant, sharp and sexy romance with the kind of complex, big-hearted characters and emotional honesty readers will adore. I loved it! - Carley Fortune, *New York Times* bestselling author of *Every Summer After This* book wrapped a fist around my heart and refused to let go. Gorgeously written, with two magnetic leads, an irresistible group of friends, and a warmth that radiates from every page. Rachel Runya Katz is a true talent. - Rachel Lynn Solomon, *New York Times* bestselling author of *The Ex Talk* Impossible to put down! A delicious pressure-cooker-style slow burn of a romance, *Thank You for Sharing* contains the greatest 'only one bed' scene I've ever had the pleasure of reading. Not only is the romance delightful, but Rachel Runya Katz handles the complexity of grief and trauma with the tenderest of touches, creating a safe, welcoming space for her characters and readers alike. I have no doubt that readers will fall head over heels for Liyah and Daniel! - Alexandria Bellefleur, bestselling, Lambda award-winning author of *Written in the Stars* and *The Fiancée Farce*
